I was afflicted for several years with disordered liver, which resulted in a severe attack of jaundice. I had as good medical attendance as our asciton affords, who falled utterly to restore me to the enjoyment of my former good health. I then tried the favorite prescription of one of the most renowned physicians of Louiswille, Ky., but to no purpose; where upon I was induced to try Simmons Liver Regulator. I found immediate benefit from its use, and it ultimately restored me to the full enjoyment of health.

Jonathan Tomlinson,

You can see that Pocomoke made 105 pounds of cotton to the acre, equal to \$4.15, more than Farmers' Bone, 521 pound than Goldsboro Prolific Cotton Grower, 66 pounds more than Farmers' Friend, and 525 pounds more than Gibbs' High Grab er about enough cotton to pay for the guano used. So it would be cheaper to buy Pocomoke than to have any of the other brand given you, because the excess it makes over other standard brands of guano more than pays the cost of Pocmoke. We also refe the fellowing parties, who used Pocomoke last year:

James W. Hall, of Wayne county, who made 1023 pounds of lint cotton on one acre with the use of POCOMOKE alone.

L. M. McLindon, of Matthews, N. C., made 1014 pounds lint cotton with PCCOMOKE.
