OUR RALEIGH LETTER

About the Legislature.

RALEIGH, N. C Jan., 15th, 1889. Our city is very excited over the contests raging in and around here. The Legislature met in its 106th session Wednesday last and before your readers will see this the news of its organization will already have come upon them. That the Honse has a presiding officer in Mr. Leazer who sits in a deserved seat and dispenses order in a most impartial manner is not doubtselection. Although all the counties were represented by their hotly contested positions. Take the position of Reading Clerk. There were four of Carolina's noserving such an office-of high mental achievments and "superfine" good looks, who would have been an honor to our State, but there was an Eastern editor, Mr. H. A. Latham, who captured it and thus, not only adds to his young The press, types and fixtures of gentlemen were active in the work diers and brilliant young men of and brilliant career, but gets a the State, made that town his taste of legislature experience valuable thing, and this was not the case only with that position, M., SUNDAYS included out most of the officers were sought by the same class of young men.
