A MODEL TOWN. What the State Chronicle Has to

Say of Wilsonsimple and easily learned. It the largest town on the line of that may not always pay the farmer road. In to-day's Chronicle we

one is at hand qualified to do stantial progress and great ims make good wages setting is the staple crop and nowhere in grafts at so much spiece. Most the State is it made to greater them have no assistant who pertection and at smaller cost. During the past few years of short, depression caused by it than any to the cleft which he makes, town of which we have any knowand covers the wound to ex- ledge. It has steadily gone forare wide awake, fairly prosperous, progressive. As an illustration of the prosperity of the people we will state, upon the authority of Charcoal is a very valuable the sheriff that not a foot of land article for poultry. It is a pow- has been sold in the county in six Trees are dreaming of rustling erful absorber of fuel gases and years for failure to pay taxes. There infectious matters, and, consid- is a greater disposition to diversify ering the somewhat miscella- their crops and a more intelligent neous manner of fowls feeding, management. Last year a few
