

**THE WILSON ADVANCE.**  
W. WILSON, Local Editor.  
WILSON, N. C., July 4, 1889.  
Sixth month of the year.  
Meeting of the W. L. L. to-night.  
Today is the "Glorious Fourth."  
The Alliance lecture Saturday.  
A motto for lovers—so far but no  
near.  
What are the wild waves saying  
about \$3.50 per day.  
Some of our citizens had ripe  
highest economic use.  
The question of the hour—where  
you going this summer?  
The weather is propitious to the  
annual lecture: "Come in out  
the wet."  
Mr. J. T. McCraw, our Nash St.  
representative, has placed an awning  
front of his store.  
The Teachers' Assembly ad-  
vised Tuesday and the European  
party left for New York.  
We would like to know how many  
men in the State will celebrate  
day. It should be done.  
The ladies of the Methodist  
church are releasing for an early  
arrangement to be held at an early  
date.  
Have you been to Nadal's for a  
few free yeast yet? He is also  
adapting for anything in his  
line.  
Three brick buildings nearly com-  
pleted and two more to be com-  
pleted this month is Wilson's  
pride for July.  
Remember this—a wrong can  
be last always. Be it bravely,  
heartily. It is a sublime thing to  
offer and be strong.  
An advertisement is an invita-  
tion. You don't go where you are  
wanted, hence you trade with  
men who advertise.  
Time to plant turnips. Watch  
columns of the ADVANCE and  
who advertises seed and go  
to make your purchases.  
Regular meeting of the Wilson  
Light Infantry to-night. A full  
attendance is desired, as business  
importance will be transacted.  
Jemal Jordan, of Saratoga town  
brought a cotton blossom to  
the fair Saturday, June 29th. He  
therefore ahead of Mr. Eagles  
mentioned elsewhere.  
On our local page last week  
was a striking and instructive  
comparison of the comparative  
prices of the various kinds of baking  
powders now in the market.  
In order to live up trade, that  
about Dry Goods firm, J. & D.  
Oettinger, announce sweeping  
reductions. Read their new adver-  
tisement, go early and secure bar-  
gains.  
We have received the catalogues  
from Wake Forest and Trinity  
colleges and Salem Female Aca-  
demy. We were struck with the  
beauty of the printing and elan-  
ce of style.  
Mr. Joe Batts, who for some  
time held the position of clerk  
of the Batts Hotel, has accepted  
a similar position in the Island  
Hotel at the Hammocks and  
Saturday.  
"Bill App" goes for the farmers  
this week. Read what he says  
and see how aback full of common  
sense he is. He sees danger ahead  
for the Farmers' Alliance and he  
tells us so.  
The ADVANCE subscription list  
growing. We feel that our la-  
bor is a measure, appreciated.  
We want a larger circulation.  
Send it to your friends and neigh-  
bors and get them to subscribe to  
the Farmers' Alliance and he  
tells us so.

bor is a measure, appreciated.

bors and get them to subscribe to

The catalogue of the University  
of North Carolina for the year past  
shows that the institution is well  
equipped for educational work. It  
is now a second century of  
existence with every promise of enlarged  
efficiency and prosperity. The  
next session begins the first Thers-  
day in September. For catalogues  
address Hon. Kemp P. Battle,  
President, Chapel Hill, N. C.  
The time for holding the annual  
meeting of the North Carolina  
Farmers' Association has been changed  
from July 17th to July 24th as  
former date conflicts with the  
Grand Encampment. The  
President, Thos. Manning, writes  
the indications point to a  
meeting this year and urges  
those who attend to get resolved to  
do it as a business meeting, practi-  
cal in its results as well as a season  
of rest and recreation.  
In the absence of the editor last  
week the school mentioned edito-  
rial was located in Taylor's town  
ship. It should have been Old  
field. Knowing the people of  
Old fields as we do there is no rea-  
son why we should have confoun-  
ded them with those of Taylor's  
township, except for the fact that  
the post office is Taylor's and in  
a rush of going to press we over-  
looked it. However we  
will not be long before we  
will chronicle the fact that Taylor's  
township will have such a school as  
the one the ADVANCE described  
last week.  
We have received the annual  
catalogue of Greensboro Female  
College for 1888-89. There were  
100 students in attendance. This  
college, the second chartered Fe-  
male college in America, offers su-  
perior advantages for the acqui-  
sition of a liberal, thorough and ac-  
complished education. The college  
is well equipped and in a prosper-  
ous condition. The faculty con-  
sists of four gentlemen and eleven  
ladies, unsurpassed for  
ability and efficiency. The  
course of study is extensive, well  
arranged and thorough. Read ad-  
vertisement elsewhere in this issue.

The second cotton blossom of the  
season, so far as this county is con-  
cerned, was laid on our desk Mon-  
day, by Mr. T. R. Eagles. It was  
grown on his land by Mr. G. W.  
Thigpen and was shedded Sunday.  
We are requested to announce  
that there will be special services  
at the Presbyterian church Thurs-  
day night (to-night) and Friday  
night. Communion services next  
Sunday. Meeting of the Advance  
after service on Friday night for  
the admission of members.  
Rev. M. A. Adams occupied the  
Missionary Baptist pulpit last  
Sunday morning and night. His  
sermon in the morning on the  
character of Judas was thoughtful  
and well delivered. He advanced  
some new theories regarding Judas  
that were worth consideration.  
It is absolutely necessary to  
maintain the health of our town  
that all premises be carefully ex-  
amined and cleaned up. The rainy  
spell of weather is favorable to  
disease and cleanliness is the most  
effective weapon to use. Look  
well to sanitary measures that will  
keep our town health.  
On account of the rain the game  
of ball between the Browns and the  
Goldsmiths team was not played  
last Friday evening. The advan-  
ceds were to play the game Satur-  
day morning, but it was too wet  
for ball playing, much to the  
regret of our lovers of the game.  
The boys seemed to be a clever,  
gentlemanly set and their depart-  
ment was all that could be desired.  
The ADVANCE hopes a game can  
be arranged for in the near future.  
**A Certificate Necessary.**  
The Legislature requires that  
every practicing physician and  
surgeon shall before January 1st  
1890, procure a certificate from the  
Superior court of the county in  
which he lives a certificate. A  
license from the State Medical Ex-  
aminers will have to be exhibited  
from all who began since March 7th  
1885. Prior to that date a col-  
lege graduating the applicant will  
answer. The doctors will take no-  
tice and govern themselves accord-  
ingly. For further information see  
chapter 181, section 1, in part 4, 5, 6,  
& 7. Laws of 1889.  
**Yoked Last Month.**  
The matrimonial market came  
out of the kinks in June, five white  
and eight colored couples tying up  
for better or worse, as follows:  
White—W. G. Hales and Hen-  
rietta Robbins, John Lamm and  
Mary Ann George, George and  
Katie Tucker, J. W. Goodrich and  
Sarah Wiggs, A. T. Dixon and Eu-  
genia Gay.  
Colored—A. J. C. Moore and  
Sarah Jane Morgan, South Battle  
and Maria Sibely, John Brown and  
Mary E. Williams, Devereaux  
Davis and Jane Simms, Richard  
Davis and Narcissa White, Junatus  
Stokes and Mahala Knight, Virgil  
Deans and Sarah Bynum.  
**Non Commissioned Officers.**  
At the last meeting of the Wil-  
son Light Infantry Capt. John F.  
Bruton made the following appoint-  
ments:  
Orderly Sgt. Doane Herring.  
2nd Sergeant, W. W. Simms.  
3rd Sergeant, James Lipscomb.  
4th Sergeant, W. H. Davis.  
Color Sergeant, J. H. Marshborne.  
1st Corporal, W. P. Snakenberg.  
2nd Corporal, Richard Winstead.  
3rd Corporal, S. E. Parker.  
4th Corporal, J. T. McCraw.  
Applications for membership  
are still coming in and the com-  
pany is growing in size and impor-  
tance. Every member is expected  
to attend the meeting to-night in  
the Court House at 8:30 sharp.  
**The Musicale.**  
Although the weather was not  
at all propitious an average size  
audience gathered in Mam-  
on Hall last Friday night to  
enjoy a musicale for the  
benefit of the Presbyterian  
church fund. The programme was  
well arranged and under the excel-  
lent supervision of Mrs. Hill it was  
brilliantly performed. The recit-  
als of Misses Susie Simms,  
Lucy Whitehead, Corlie Hodges,  
Nora Graves and Alice Barnes  
were well delivered and heartily  
appreciated. The vocal and instru-  
mental selections, participated in  
by Misses Alice Barnes, Fannie  
McDonald, Lizzie Barnes, Delzel  
Ruffin, Meda Gardner and Mrs.  
Hill, reflected credit upon their  
accomplished talents, and were  
highly enjoyed. A number of  
gentlemen lent their assistance and  
completely rounded a full evening's  
enjoyment. It was all home talent  
and cannot be excelled. About 250  
was cleared as a result of the even-  
ing's work.

**TALK IT UP.**  
An Exhibit of the Fine Cattle of Wil-  
son County will probably be held.  
Talking with a prominent mem-  
ber of the Wilson County Cattle  
Club Monday, in answer to our  
question as to what he thought of  
the ADVANCE's suggestion that  
the Club make an exhibit at the  
Rocky Mount Fair this Fall, he  
said: "I think it would be a good  
move in the right direction, and  
no doubt we could make a credit-  
able exhibit." He continued by  
saying that before this was done,  
however, it would be better to  
hold a county exhibit and see what  
our county could do. He thought if  
it were announced and properly  
managed we could have the best  
exhibit in the State and be  
held here at home, in our im-  
mediate midst, it would awaken a  
spirit of enthusiasm and desire for  
finer and better cattle the effect of  
which would be very beneficial to  
the county. We would see something to feel proud  
of as it would clearly demonstrate  
our capabilities in this direction.  
He thought if we could have an  
exhibit some time during the sum-  
mer—the last of August—in the  
Court House green, it would give  
the movement a good start. There  
is only one objection to having  
the exhibit in the summer, and that  
is this: Cattle never look as  
sleek and smooth in the summer  
or fall as they do in the spring just  
after shedding. The movement  
will be thoroughly discussed, as it  
is attracting the attention of our  
men who are interested. They see  
the value of such an exhibit and it  
is quite probable that Wilson  
county will have one next spring.  
The ADVANCE is glad to note this  
tendency toward progress and  
improvement and stands ready to  
assist as far as in its power lies.  
**OBITUARY.**  
Departed this life on June 22nd,  
1889, Mrs. Theresa Barnes in the  
81st year of her age having been  
born Oct. 7th, 1808. By reason of  
strength, and with much patience  
and gladness she endured by faith  
and courage her last illness for  
more than four score years. She  
was twice married. Her first  
husband was Edwin Barnes by  
whom she became the mother of  
nine children. Her second hus-  
band was Elisha Barnes by whom  
she became the mother of two  
children. Of the eleven children  
born to her, five went before her  
to the spirit land, six yet remain.  
Mrs. Barnes was converted to God  
about the year 1854, under the  
ministry of the late Rev. H. H.  
Gibbons and became one of the  
first members of the Methodist  
church in Wilson, N. C. Her con-  
version was clear and decided, a  
matter of deepest experience.  
With joy she often referred to  
that "blessed hour when from  
above, she first received the pledge  
of love." On her dying bed she  
said to the writer "I can never  
doubt my conversion nor forget  
the time." She was a lover of  
experimental religion. She loved to  
hear God's people tell their experi-  
ence, and often after she was unable  
to read because of failing  
eye-sight she delighted to hear  
the experience of Christians.  
read—she would ask for it. To  
the end of her life she grew, her  
experience of the joyful presence  
of God deepened and her path  
shined more and more with the  
gentle radiance of christian love  
"till it passed with unflinching  
brightness through the valley of  
the shadow of death," and mingled  
its brilliancy with the glory of that  
celestial clime that hath no  
need of sun, or moon, or stars for  
light and heat. It was thought  
that the light thereof? It was thought  
from the nature of her disease that  
her last days would be full of pain  
Those dear ones that watched by  
her were troubled at the thought  
of the great grief that mother  
to enjoy such as last hours came on;  
but the severe pains never came  
her life went out like the dying of  
a summer evening's breeze—soft and  
painless. You ask why? The  
secret lay in the words of the  
Psalmist: "Precious in the sight of  
the Lord is the death of his saints,"  
and in the 1st, 2nd and 3rd verses  
of the 41st Psalm. During life  
she had so tried to secure the  
fulfillment of that promise when on  
her dying bed.  
May surviving sons and daugh-  
ters follow in the footsteps of the  
ascended mother and in the "sweet  
bye and bye" greet her amid the  
throne of glory eternal.  
D. H. TUTTLE.  
**MARRIED.**  
At the residence of the bride's  
father in Whitakers, on June 26th,  
surrounded by well wishing  
friends, Mr. J. S. Cattan was mar-  
ried to Miss Nannie Cutchin, Rev.  
Mr. Callahan officiating. The  
groom is a young man of sterling  
worth, irreproachable character and  
popular with both young and old.  
The bride is one of Whitaker's  
most charming and lovable young  
ladies, admitted for her many vir-  
tues of head and heart. The AD-  
VANCE wishes for them all the  
true happiness that is the born of  
geniality and love, and hopes  
that their lives may be like the  
day—more beautiful in the evening;  
like the summer—glow with  
promise; and like the autumn, rich  
with golden sheaves, where good  
works and noble deeds have ripen-  
ed on the field.  
**DIED.**  
In Kenly, last Friday, of  
males, Mr. Andrew Stanell. He  
was an honest, upright citizen and  
leaves a wife and four children to  
mourn their loss.  
At her home in Kenly last Tues-  
day evening Mrs. Louretta Alford,  
aged 27 years. She was married  
to Mr. G. J. Alford.  
Their wedded life was very happy.  
She was an excellent woman, a  
good and devoted wife and a con-  
sistent follower of the Saviour.  
The ADVANCE tender the bereav-  
ed husband its sincere sympathy.  
Mrs. Richard Hart, of Wilming-  
ton, and Miss Mary Gold, of Wil-  
son, are visiting friends in Nash-  
ville.  
From all parts of the county we  
learn that the crops are very pro-  
sperous, and unless overtaken with  
some disaster, the county will  
make fine crops of all kinds this  
year.  
Morning Star Lodge, No. 85 A. F. &  
O. E. S. of the State and all parts  
of the State are invited to meet  
for the ensuing Masonic year:  
W. T. Griffin, W. M., R. C. Dixon,  
S. W.; J. D. Winstead, J. W.; Dr.

**NEIGHBORHOOD NEWS**  
What The People in This Section of  
the State are Doing.  
Rocky Mount Phoenix, June 27th.  
We deeply sympathize with Mr.  
and Mrs. H. D. Averis in the loss  
of their little boy last week, but  
they should be comforted by the  
fact that he is now a little angel,  
and has only left them for a time.  
Scotland Neck Democrat, June 27th.  
Our correspondent at Daniel's  
mills writes that farmers are be-  
hind and that cotton is being  
Some farmers have planted peas in  
their cotton fields. Oats are good.  
Wheat has the rust. Seed peas  
are in good demand and sell for 10  
cents a quart.  
Enfield had a big fire Tuesday  
morning at one o'clock. It originated  
in the saloon of J. W. Whitley  
on west side of main street near  
the center of the block. The losses  
are as follows: Geo. B. Curtis,  
\$2,000; no insurance. W. T. Parker,  
\$700; no insurance. Other parties  
lost by moving their stocks. The  
total loss is estimated at \$15,000  
beyond what is covered by insur-  
ance. The buildings were all of  
wood.  
Weldon Beacon News, June 27th.  
On Wednesday last week at  
the M. P. church in Enfield, Mr.  
George Lynch, formerly of this  
county, was married to Miss  
Florence S. C. Lynch, daughter of  
Miss Clara daughter of the late  
Montgomery Whitaker, Esq., of  
Enfield, the Rev. J. T. Pate, of  
Florence, officiating.  
Capt. A. L. Hassard-Short, who  
has been connected with the Coast  
Line as conductor on the Scotland  
Neck branch road, has permanent-  
ly left the railroad service, having  
sent in his resignation to that ef-  
fect a short time ago. He is now  
engaged in the lumber business in  
the Scotland Neck section.  
Mrs. Richard Neville, sister of  
Mr. Buck Pittman, was killed by  
lightning at her home about six  
miles west of Enfield in the Heath-  
ville neighborhood, on Thursday  
last. She had been out of doors  
and seeing the storm approaching  
she went into the house, followed  
by her son who is about ten years  
old. Just as she entered the house  
and was standing near the door  
a bolt of lightning struck the  
chimney and killed her. She lived a  
short time after the shock but was  
unconscious until she died.  
Tarboro Southern, June 27th.  
D. H. Barlow reports crops in  
No. 7 township looking well, with  
prospects as favorable as a year  
ago.  
On Flag Marsh Farm, near  
Rocky Mount, Ed. Gorham has  
already made more butter than he  
did during the entire twelve  
months of 1888.  
A large extra force is excavating  
for a foundation for an extensive  
addition to the plant of the cotton  
factory. It is proposed to put in  
4,000 spindles, which will make  
10,000.  
"Most of the crop I see are as  
good as they were the same time  
last year." This is what a farmer  
said yesterday and he is observ-  
ant as the matter. After the re-  
ports of bad stands, killed, cotton,  
sand blasts and the like this good  
news was astounding. To-day the  
agricultural talk is encouraging.  
At a meeting of the executive  
committee a premium of \$100 was  
authorized to be offered for the  
best agricultural exhibit made by  
any sub-Alliance of the county.  
Space in Agricultural Hall will be  
set apart, so that the special All-  
iance exhibit may be kept apart  
from the other exhibits.  
What alliance will make the best?  
Tarboro Banner, June 27th.  
The slating in the Episcopal  
church will soon be on. The spires  
are also to be slated and the whole  
will be a very neat covering.  
A material train consisting of  
eleven car loads of steel rails for  
the road east of Jamestown, passed  
through here yesterday morning.  
Tracks laying on the road to  
Greenville is progressing rapidly.  
The Greenville people expect to  
hear the locomotive whistle by July  
15th.  
Last year Frank Hitch of the  
Hamilton R. R. & Lumber Co.,  
bought some timber that wanted to  
be cut. He wanted to get this  
timber he would build a road from  
Coakly or some other point on the  
Hamilton to do Lawrence's. We  
understand that work will begin  
soon.  
We were informed the other  
day by a stirring farmer of our ac-  
quaintance who lives in the upper  
portion of the county that he had  
just cut from three acres of land  
seven tons of as fine hay as he ever  
saw and that it would be ready  
for cutting again. Now if  
more of this kind of farming was  
practiced in this section how much  
better it would be.  
Andrew Joyner, of Pitt county,  
had an old hen that wanted to  
be in the baby carriage. An old cat  
also wished it for the home of her  
kittens. Disputes as to which  
should occupy the carriage resulted  
in a victory for the hen, which  
took charge of the two kittens. She  
is very devoted to the kittens and  
they regard her as their mother.  
They are now over four weeks old.

L. M. Conyers, superin-  
tendent of education for Nash  
county, has been elected vice presi-  
dent of the State Association of  
Superintendents of Education.  
We congratulate the Association  
upon the excellency of his choice.  
The third Quarterly meeting for  
the Nash Circuit, N. O. Conference,  
M. E. Church South, will be held  
at Bethlehem on the 6th and 7th  
of July, being on the 1st Saturday  
and Sunday. Rev. J. A. Cuning-  
gim, P. E., will be present and  
conduct the services.  
Rev. W. E. Edmondson returned  
last week from a visit to relatives  
in South Carolina.  
Rev. M. A. Adams has returned  
from Wake Forest, where he has  
been studying for the ministry.  
Crops are improving very fast so  
our farmers tell us. Wheat there  
has not been damaged by hail is  
turning out well.  
Mr. D. A. Batts has shipped  
175 crates of peaches from here,  
and we are glad to state that he  
is receiving remunerative prices; so  
much so, he tells us he, intends to  
plant out quite a number of trees.  
Eggs are scarce in Tarboro, but  
we have ever seen them. What's  
the matter? Have the hens reason-  
ed a truce? We hope the reason  
is that the farmers are using their  
eggs for food in place of meat, &c.  
Economic is the order of the day.  
On Friday evening at 8 o'clock  
the spirit of "Uncle" Drew Joyner  
took its flight. He was born in  
May, 1800, and when he died, was  
89 years, 1 month and 6 days old.  
His home was about three miles  
from here, near the Nash county  
line. He was sick about two weeks  
with inflammation of the bowels.  
He would take but little medi-  
cine, and refused to have a physi-  
cian. He was one of the oldest  
citizens in the county, if not the  
oldest. We extend our sympathy  
to his numerous relatives.  
**ROYAL BAKING POWDER**  
Absolutely Pure.  
This powder never varies. A marvel of  
purity, strength and wholesomeness. More eco-  
nomical than the ordinary kinds, and cannot  
be sold in competition with the multitude of  
low test, short weight alum or phosphate  
powders. BOYAL BAKING POWDER CO.,

**THE X O DUST**  
Has grown so weak that scarcely  
a negro can be found who  
will admit that he ever intend-  
ed going to Kansas. The weath-  
er has grown so hot that the  
grease fries out of the leanest  
man. Many things have chang-  
ed, but the old and reliable  
business house of  
**M. ROUNTREE & CO.**  
is still headquarters for all  
kinds of  
**Farm Supplies.**  
This house has done business  
in Wilson for about a quarter of  
a century, and its patrons con-  
tinue trading with them year  
after year because they sell the  
BEST GOODS AT THE LOW-  
EST PRICES.  
The Dry Goods Department  
is so well filled at all times that  
the uncles, cousins, sisters and  
aunts of the trading public find  
exactly what they want, and at  
bottom prices.  
Their supply of lawns and  
other summer dress goods is a  
specially well selected stock.  
**ROYAL BAKING POWDER**  
Absolutely Pure.  
This powder never varies. A marvel of  
purity, strength and wholesomeness. More eco-  
nomical than the ordinary kinds, and cannot  
be sold in competition with the multitude of  
low test, short weight alum or phosphate  
powders. BOYAL BAKING POWDER CO.,
