# WORKING FOR SUCCESS.

The majority of people think that the prize-fight is an institution of very little use in the world, and that professional puglists are of very little value to society, But if every man discharged the duties of life with the same vim, self-denial and singleness of purpose that Sullivan and Kilrain exhibit in training for their fight, all the converse of the conversation, demanded an interview. Brucks is a politician, who used to be Alderman, and is now one of Sheriff Flack's deputies.

Campbell told Brucks he didn't know him and pushed him aside. They are both stout men of athletic build. Brucks pressed close to carry out in reference to Utah affairs, other than the one I have pursued, you may say to wish the same vim, self-denial and singleness of purpose that Sullivan and Kilrain exhibit in training for their fight, all the conversation, demanded an interview. Brucks is a politician, who used to be Alderman, and is now one of Sheriff Flack's deputies.

Campbell told Brucks he didn't know him aside. Brucks pressed close to carry out in reference to Utah affairs, other than the one I have pursued, you may say to him that he has done very whisper that he had letters in his possession that Campbell had written to Mrs. Brucks.

Sullivan and Kilrain exhibit in training for their fight, all the conversation, demanded an interview. Brucks is a politician, who used to be Alderman, and is now one of Sheriff Flack's deputies.

Campbell told Brucks he didn't know him aside. Brucks pressed close to Campbell told Brucks pressed close to Campbell and said in an angry whisper that he had letters in his possession that Campbell had written to Mrs. Brucks.

Sullivan and Kilrain exhibit in training for their fight, all the conversation, demanded an interview. Brucks is a politician, who used to be Alderman, and is now one of Sheriff Flack's deputies.

Press.

We claim for the Taylor Pres to any other now on the market: 1. It works by L-ver Power without friction, to perfection.

2. It will pack a bale of cotton in less time and with more case than any other Press manufactur-3. It will (with two ordinary

hands) pack a bale of cotton most and one half minutes. 4. In as much as there is absolutely no friction frrom the ropes. pulleys, chains, &c., it will old nothing to keep the press in repair and requires no oil for lubrication. For simplicity in construction

and operation, as well as for durability, it cannot be excelled. This is a Press which, owing to the facts above stated, does not require the addition of sleaf

For reasons already mentioned # is not liable to get out of order. and this is the fourth season if his been in use.—I desire to extend uf sincere thanks to the public for their very liberal patronage, and with several important improve-ments and superior facilities id manufacturing them, I hope to merit and receive their continued patronage. I will also state that the ratchets of those presses bere-

iron, and with reasonable asc warrant and guarantee the Taylor Press in every particular. For further particulars I refer to the following named gentlemen: Wesley Deloach, Jackson; J. G. la
