would scraich every night until I was raw, then the next night the scales, being formed meanwhile, were scratched off again, in vain did I consuit all the doctors in the country, but without aid. After giving up all hopes of recovery, I happened to see an advertisement in the newspaper about your CU-TICURA REMEDIES, and purchased them from my druggist, and obtained almost immediate relief. I began to notice that the scale cruptions gradually dropped off and disappeared one by one, and have been fully cured. I had the disease thirdeen months before I began taking the UTCURA. bodies. I cannot express in words the 'hank' to you for what the CUTICURA REMEDIE ow my skin is as nice and clear as a baby's.

A Change in the Style of the General I ut-up of the Remedy.

My Remedy is now put up in plain, round, pint, packing botties, no name blown instead of Phil, oval with same blown—the carrons of new style are printed altogether in black ink, instead of black and red, as formerly. My signature is written on each label with pen and ink, instead of being lithographed, as heretogore. Every label and carron are numbered, as in physician's prescriptions. Druggists and Jobbers will piense see that the new style is furnished them, as I will not guarantee any other to be geouine. Any Remedy that will cure Serofula, is bound to be a seool blood purifier. Mr. Samuel A. Barnett, Ceffo, Person Serofula, is bound to be a seool blood purifier. Mr. Samuel A. Barnett, Ceffo, Person Co., N. C., says:

I used Mrs. Joe Person's Remedy on a negro boy living at my house, who had been afflicted from an infant. All who saw the boy at the could live but a few days. He was totally unable to walk a step, had four or five large runnings sores which were very offensive. The inside of his mouth and his tongue were perfectly raw, lips so swollen they appeared to be turned outwards and were also raw, both eyes had been closed for weeks. Ture noy is sow wat work. Eight bottles of Remedy made this cure, and it has been a year since he was cure od.
