THE WILSON ADVANCE.

JOSEPHUS and C. C. DANIELS, Editors and Proprietors,

137 The ADVANCE endeavors to be an nemerical faithful and impartial chronicler of the news, devoting special attention to the section in which it is "bilished. It is Demogratic to the order and while spare norther friend or free who is in hostility to Demogratic success. It believes the best interest of the Netton and the source of the Demogratic success. It believes the best interest of the Netton and the spare norther friend or free who is in hostility to Demogratic success. It believes the best interest of the Netton and will spare no effort to accomplish that result. It will seek to promote the industrial development of the Nate and section and will take preserve in doing whitever lies in the power to aid the farmers and latorize attents to better their condition. Every honest son of tail will find in the Appart host as shown and endorsement.
The ADVANCE eliminates hargely in every county East of Italoity, end is therefore a plant all attents while be there and success. A first-class job off or is rain in connection at the paper and we will do as avoid work and at solow farmed of the State for commercial work and we will do as avoid work and at as low flatures as anybody.

at as low figures as anybody.

It is now proposed that a De partment of Commerce be esional government.
