It seems strange that it is necessary to persuade men that you can cure their diseases by offering a premium to the man who fails to receive benefit. And yet Dr. Sage undoubtly cured thousands of cases of obstinate catarrh with his "Catarrh Remedy," who would never have applied to him, if it had not been for his offer of the above sum for an incurable case. Who is the next bidder for cure or cash?

Merit Wins.
We desire to say to our citizens, that for years we have been selling Dr. King's New Discovery for Consumption, Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters, and have never handled remedies that sell as well, or that have given such universal satisfaction. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use. These remedies have won their popularity purely on their merits. A. W. Rowland Druggist,

The burning of the court house is a serious loss to the people of Moore county. It was repaired two years ago at a cost of $5,000. The building as it stood was worth $7,000. There are times when a feeling of assitude will overcome the most robust, when the system craves for pure blood, to furnish the elements to health and strength. The best remedy for purifying the blood is Dr. J. H. McLean's Sarsaparilla.

THE BLUE AND GRAY.
"You ask me why upon my breast
Unchanged from day to day,
Linked side by side in this broad land,
I wear the blue and gray—

I had two brothers, long ago,
Two brothers bright and gay;
One wore the coat of northern blue,
And one the southern gray—

Each fought for what they deemed the right
And fell with sword in hand—
One sleeps amid the Virginia's hills
And one by Georgia's strand.

The same sun shines on both their graves
And rests o'er hill and plain,
And in the dream of vanished days,
Both brothers live again.

And that is why upon my breast
Unchanged from day to day
Linked side by side in this broad land
I wear the Blue and Gray.

Thos. Pauk, Abbeville, Ga., writes: "I suffered terribly from rheumatism. The use of B. B. B. has made me feel like a new man. I would not take a thousand dollars for what it has done me."

W. M. Cheshire, Aurora, Ga., writes: "I had long spell of typhoid fever, which left me seemed to settle in my right leg, which was permanently an ulcer also appeared which discharged a cup full or matter a day. I then gave B. B. B. a trial and it cured me."

Wimble—Can you tell me how far the protection on glass extends? Wamble—To where it gets into the hands of the hired girl, I suppose.—Terre Haute Express.
