HE RUMINATES ON MIS-CHIEF LOVING BOYS.

st. Valentine's Day and Thoughts of Married Life.

There is a wide difference between mischief and meanness. But mischief is close akin to it, when it injures any hody or hurts their feelings, or breaks the rules or the laws. Most all boys love a little mischi-f. I used to love it a good around at night and change the gates and the signs, or stretch rope across the sidwalk, or tis a goat in the school house, put one man's horse in anther man's stable. I have ind hty haid at such tunny as it could be, but somehow or other I don't see any thieves. We have christian for mitnow. I wonder what teachers and the moral training is the matter with me.
