MACUNE AND THE LARD BILL.

Dr. Macune, who so far won the confidence of the Alliance men as to be entrusted to working the sub treasury scheme through Congress, is now said to be an ardent advocate of the compound lard bill, which is entirely in the interest of the hog men of the West The consequence is that the ped from twenty to fifteen cents a bushel. As cotton seed compound lard the refiners cannot afford to lose much in the face of the proposed Congressignal action. The Southern farmers will lose thousands of dollars as the price for this little scheme.
