

The Wilson Advance

JOSEPH S. DANIELS Editors and Proprietors.

The Advance endeavors to do as honest, faithful and impartial chronicler of the news, devoting special attention to the section in which it is published. It is Democratic in the core and will spare neither friend nor foe who is hostile to Democratic success. It believes the best interest of the Nation and the State imperatively demands the retention of the Democratic party in power and it will spare no effort to accomplish that result. It will seek to promote the industrial development of the State and sections and will take pleasure in doing whatever lies in its power to aid the farmer and laborer in their efforts to better their condition. Every honest man of will will find in the Advance a sincere friend. Every effort looking to the establishment of more and better educational institutions will receive our hearty co-operation and endorsement.

The Advance circulates largely in every county East of Raleigh, and is therefore a splendid advertising medium. Rates liberal. A first-class job office is run in connection with the paper and we will be pleased to receive orders. Our office is one of the best equipped in the section of the State for commercial work and we will do as good work as at as low rates as anybody.

Entered in the Post Office at Wilson, N. C. as second class matter.

WILSON, N. C., OCT 30, 1890.

AN INFAMOUS PROCEEDING.

Dr. Mott, formerly known as the Iron Duke, and now known as the chief advocate in North Carolina of the infamous Force bill, has sent out a circular to the Radical whipper-snappers at each polling place ordering them to take down the name of every Radical who goes to the polls to vote. This is a repetition of the infamous procedure of Eaves in 1888. The people will resent the intimation that they are not honest by burying the Radical party under a majority of not less than 25,000. Mott's circular is an insult to every honest man in the State, and the white man who does not resent it is a craven and a coward and a traitor to his race. What is Mott's purpose? Is it to secure a fair election in North Carolina? Nobody believes that. Mott's purpose is to manufacture evidence which Mott & Co. can carry up to Washington and use for the purpose of securing the passage of the Federal Election Law. The Radical heeler is ordered to send this manufactured evidence to Ohas. A. Cook, Esq., United States District Attorney of the Eastern District, who, in order to get his office (so says A. V. Dockery) promised the Radical managers to get up some evidence to justify the passage of the Federal Election Law. He and Mott have taken this course to comply with their promise!

Will they succeed in their desire to degrade and disgrace the State of North Carolina? The Chronicle believes that they will when white men lose their manhood and their honor and not until then.—State Chronicle.

White men, what will you do about it? This is even worse than the secret circular sent out by chairman Eaves a few days before the last election. Rebuke such presumption again as you did two years ago.

DARE HE DO IT?

The Advance desires to be of service to the people. It endeavors to give the people light—to put them in possession of such facts as will enable them to properly exercise their elective franchise. In keeping with this spirit, we stated that "Mad" Joyner's official bond as Treasurer of Nash county had been sued.

A few days ago we received a letter from Mr. Joyner in which he denies being a "defaulter" (as he puts it) and threatens us with a libel suit.

We have never charged that Mr. Joyner was a defaulter. We simply made a statement as to a fact which the records abundantly prove. By referring to the docket of the Sheriff of Wilson county we find that a summons was served on one of the bondsmen in Wilson county.

Now, so far as a libel suit is concerned we say to Mr. Joyner "crack your whip." We are not frightened from doing our duty by the childish threats of Radical politicians. Mr. Joyner knows full well that the idea of suing us for libel was never for one instant seriously entertained by him, but he thought to frighten somebody. Mr. Joyner is a true disciple of Radicalism. He has learned well the lessons of that grand old party of fraud, force and corruption. The spirit of the force bill has truly entered his soul. He would compel every other man to yield obedience to the dictates of the Radical party if by threats he can accomplish that end. We say to Mr. Joyner: You are not fit to fill the office of Register of Deeds. You represent a party which depends for support upon the negroes. Your every impulse is in the interest of Radicalism and negro rule. You are not in sympathy with the honest, intelligent white people of Nash county. They are of the best and truest men in the State—they are white men—and will not give their votes to elect a Radical who endeavors to break down the Democratic party and once again admit the negroes and their white allies to power. Sue us for libel at your earliest convenience, Mr. Joyner—"Barkis is willin'."

The Judges are in danger. No white man can afford to stay at home when the bulwarks of our liberties are threatened.

Watch for Them.

QUAY'S MINIONS COMING TO NORTH CAROLINA WITH A CORRUPTION FUND OF \$20,000.

THE REPUBLICANS HOPE TO CARRY THE LEGISLATURE AND THUS SECURE THE DEFEAT OF VANCE—LET EVERY DEMOCRAT WATCH OUT, AND NOT RELAX VIGILANCE UNTIL THE RETURNS ARE IN.

As special to the Raleigh State Chronicle from Baltimore, Md., dated October 28th, says: "Only this morning I learned that the Republicans were sending speakers from Pennsylvania and other States to North Carolina for the purpose of securing a Republican Legislature, and thus defeating the brave exponent of Republican meanness—Zeb B. Vance. I honestly believe the Republicans of the nation would rather have Vance defeated than any man in the Senate, for his blow to their party are always struck above the belt and square in the face."

"I heard the report on my way to Baltimore, that the Republicans were going to spend \$20,000 in North Carolina, in an effort to defeat Vance. By chance I learned that, and by chance this morning I learned that those Republicans were making their way to North Carolina. Coupling the two things together it is not quite probable that these same Republicans carry about their persons the "fat" with which to oil the Republican machinery?"

"Doubtless Quay, who knows and recognizes Vance's ability, is at the bottom of this effort to defeat him. Spread the alarm and strike hard blows for Democracy as you have been doing. "Now that the contest is closing, is the time to strike sledge hammer blows. The Republicans realize that, hence their action in sending these men into the State now with the fat. Find out who they are, and where is their base of operation, and get some of the great watch dogs of democracy on their trail and drive them from the State. I wish I could vote, but cannot this year. My only fear about Vance are that the Republicans may get the Legislature and defeat him. I do not believe a Democratic Legislature will display any sense as to turn him down."

"I trust to the good sense and the sound judgment of the noble people of the State to stand together and not turn the welfare of North Carolina over to her enemies—the Republicans."

LET DEMOCRATS BE ON THEIR GUARD.

It is stated that Eaves—him of Reliable fame and the fellow "not afraid of the devil,"—has issued instructions to his henchmen to challenge every man who goes to the polls to vote in order to see if he was sworn, as they say. This is a scheme to delay voting, and Democrat must be prepared to meet it promptly and effectively. There is no devilry to which the fellows "not afraid of the devil" will not resort to carry their plans.

J. M. MEWBORNE, Esq.

The action of the Executive Committee of this District makes Mr. J. M. Mewborne the Democratic candidate for Congress and thereby entitles him to the support of every Democrat. The Advance has not at any time favored the nomination of Mr. Mewborne and while he was a candidate for the nomination it did not hesitate to point out and emphasize its objections to him and its reasons for favoring others over him. But he is now the nominee of the party and the Advance true to its unbroken record of fealty, the decrees of its party falls in line and urges every white man in this district to vote for Mewborne. As the News and Courier said about Tillman, "Crow is not a very savory dish and we do not relish it, but when it comes to a choice of Democratic crow or the regular high old Republican buzzard we do not hesitate to take crow."

The Raleigh State Chronicle says: "There is a fighting chance to carry the Second District. Mr. Mewborne is endorsed by the Executive Committee of the Democracy. He thus bears the credentials that entitles him to the confidence of every voter in the Second District. We have known Mr. Mewborne long as thoughtful citizen and a successful farmer. He is deeply interested in the Advance predicts that every Democratic candidate in Nash county will be elected. The Democracy is scared, and everybody knows how impossible it is to beat a scared Democracy."

PROGRESS!

The Citizens of Lucama Marching to its Music.

LUCAMA, N. C., Oct. 28, '90. A meeting of the citizens of this place was held on October 1st. Mr. L. F. Lucas was made temporary chairman, and explained that the meeting was for the purpose of considering ways and means of laying off streets for the town. L. E. Newsome was made permanent chairman and Tom Kirby Secretary of the meeting. Then the question as to how the streets should be laid off came up and was pleasantly discussed. The meeting adjourned to meet on the following night.

When the meeting was called to order Thursday night, October 2d, L. F. Lucas moved that the streets of Lucama be laid off one and a half acres deep parallel with the railroad and two acres wide at right angles with said railroad. Motion was carried; and W. H. Lamun, W. R. Davis, Jesse Lucas, S. H. Peele and L. E. Newsome were appointed a committee to have the work carried out as above set forth. W. R. Davis and S. H. Peele were appointed a committee to solicit subscriptions for the interest of the work. The committee on streets was authorized to draw on the town for any indebtedness incurred. On motion of L. F. Lucas a copy of these proceedings was ordered to be sent to the railroad company and the WILSON ADVANCE for publication.

Meeting adjourned to a day to be named by the chairman. L. E. NEWSOME, Ch'm'n. THOS. KIRBY, Sec'y.

OUR LAST WORD.

The ADVANCE will not come out again before the election. We desire to urge the Democrats to go to the polls on election day and do their duty towards continuing the good government we now enjoy.

There is work necessary—let us one and all determine that we will do our part. If the Democrats—the white people of the State go to the polls there is no danger, because they recognize the fearful blight that Republicans would bear the State. If they stay at home and let the Radical office holders and the negroes run things they need not be surprised at the results whatever injury befalls the State for Radical rule must be charged up to those lazy thoughtless fellows who are too "patriotic" to go to the polls and do their duty like free men.

The new registration this year will help the Democratic party.

The County canvass at Wilson Saturday and closes at Saratoga Monday.

The only way to vote against Cheatham is to vote for Mewborne.

Crow may be worried down, but no true white man's stomach can stand buzzard.

A choice between a white Democrat and a negro Republican ought to be an easy matter.

Every man ought to vote. Every man ought to vote a full ticket. For Congress you have only the choice between Mewborne and Cheatham between a white man and a negro.

The Republicans have not yet put out a ticket in this county. They may do so on the day of election. We do not believe they will, but every white man should be at his post of duty.

Mewborne is a white man and the Democratic nominee. Cheatham is a negro and the Republican nominee. No white man can afford to hesitate about voting for Mewborne.

If every Democrat in this District does his duty Mewborne will be elected. A solid Democratic Congressional delegation from North Carolina would be a glorious triumph. Can you afford to destroy this by scratching Mewborne. We think not.

The defeat of Mewborne will enable the Republican to organize the next House of Representatives. Your failure to vote may cause the defeat of Mewborne. Is it possible in view of these facts that any white man will fail to vote for Mewborne?

Personal obligations is one thing. Political principle is another. No man who values his principles will ask a man to support him because of personal obligations, and no man who has political convictions will pay a debt by selling his principles. Put this in your pipe and smoke it.—State Chronicle.

MEWBORNE WILL ENTER THE DEMOCRATIC CAUCUS AND HELP TO ORGANIZE THE HOUSE. That organization may depend upon one vote. In the face of this fact the ADVANCE calls on every white man to vote for Mewborne and remove from his conscience the guilt of permitting the further predations of the Republican party.

Court in session here this week. There was a slight halt in some portions of the county Sunday.

Among the visiting members of the legal profession attending Court this week we noticed O. B. Aycock, of Goldsboro, B. F. Taylor, of Nashville, Jacob Battle, of Rocky Mount, W. A. Dunn, of Scotland Neck, J. H. Johnson, of Bethel, G. M. Lindsey, of Snow Hill and Capt. Swift Galloway, of Goldsboro.

We were pleased to see Mr. B. M. Owens, of Harroga, in town last week, on his way North to buy goods. Mr. Owens showed a genuine appreciation for the ADVANCE by paying for it in advance. We appreciate this practical evidence of his good will towards our paper. We always try to preach good Democratic doctrine and feel gratified at such manifestations of regard.

A Awful Sore Limb.

FLESH A MASS OF DISGASE, CONDITION HOPELESS. CURED BY THE CUTICURA REMEDIA.

For three years I was almost crippled with an awful sore leg from my knee down to my ankle; the skin was entirely gone, and the flesh was one mass of disease. Some physicians pronounced it incurable. It had diminished about one third the size of the other, and I was in a hopeless condition. After trying all kinds of remedies and spending hundreds of dollars, from which I got no relief whatever, I was persuaded to try the CUTICURA remedy. The result was as follows: After three days I noticed change for the better, and at the end of two months I was completely cured. My flesh was purified, and the bone (which had been exposed for over a year) got sound. The flesh began to grow, and to-day, and for nearly two years, my leg is as well as ever it was, sound in every respect, and not a sign of disease to be seen. Rev. S. G. Abern, Dubois Co., Ga.

Bad Eczema Cured.

The CUTICURA REMEDIES wrought a wonderful cure on me. I was troubled greatly with a severe case of eczema and after receiving little or no benefit from the treatment of some of the leading specialists here, I procured a set of them and before they were all used the disease had left me. I recommend the CUTICURA REMEDIES as the best and surest cure for all disease of the skin. W. Nelson Chamberlayne, Concord, Va.
