BABY CURED OF ECZEMA
Mother's and Minister's Testimony.
Head Mass of Infestation. Doc-
tor Failed. Cured in Quick
Time by Cuticura.

I deem it my duty to inform you of the won-
derful cure of eczema which CUTICURA RE-
SOLVENT brought upon our little baby, three months
old. When about two and one-half months old,
a whole of its little hand became one mass of
putrefaction, over which we became very much
alarmed, as the medicine prescribed by our physi-
cians failed to remove it. We were induced to try
Cuticura, as the medicine seemed to be in. We
were utterly at a loss to know what to do, as
the physician seemed to have exhausted all efforts
to give relief. But through the recommendation
of Rev. J. G. Ahern, pastor of Brooks Church
N. E. Church Society, we were induced to try
Cuticura, and we were not only cured, but
restored to health. We continued the use of the
medicine according to directions, and after a few
weeks, the little fellow was entirely cured with no
traces of the disease left. Many thanks for this
wonderful cure.
MRS. JOHN HOLSTEIN, Quitman, Ga.
