If he is elected, the three more experienced members of the delegation ought to be made chairmen of the Committees. These three senior members are Messrs. Judge Crisp, who, on Monday night was elected Speaker, is the Member from the Third District of Georgia. Though not advanced in years, this is his fifth term in Congress. He was born in Sheffield, England, early in 1845, of American parents. The same year he was brought to Georgia, where he was educated. He fought in the confederate army with the rank of Lieutənant, was taken prisoner and incarcerated in Fort Deleware. After his release, in 1865, he read law in Schley county, Georgia, where, at Ellaville, he opened an office for practice. Subsequently he served in a local court as Solicitor-General, and in June, 1877, was appointed Judge of the Supreme Court of the South western Judicial circuit. He was elected to that office the next year and again in 1880. In 1882 he resigned in order to become a candidate for Congress, of which he is a leading member.

A MINISTER AND HIS LITTLE BOY CURED OF OBSTINATE SKIN DISEASES BY THE CUTI-CURA REMEDIES. PRAISES THEM IN THE PULPIT, HOME, AND IN THE STREET.

Cured by Cuticura

For about thirteen years I have been troubled with eczema or some other cutaneous disease which all remedies failed to cure. Hearing of the Curicura Remedies, I tesolved to give them a trial. I followed the directions carefully, and it affords me much pleasure to say that before using two boxes of the Curicura, four cakes of Curicura Soap, and one bettle of Curicura Resolvent, I was entirely cured. In addition to my own case, my baby boy, then about five months old, was suffering with what I supposed to be the same disease as mine, to such an extent that his head was coated over with a solid seab, from which there was a constant flow of pus which was sickening to look unon, besides two large tumor-like kernels on the kernels have been scattered so that there is only one little place by his left ear, and that is healing afterly. Instead of a coating of scabs he has a fine coat of hair, much better than that which was destroyed by the disease. I would that the whole world of sufferers from skin and blood diseases knew the value of your Curicura Remedies as I do. They are worth ten times the price at which they are sold. I have never used any other toilet soap in my house since I bought the first cake of your Curicura Soap. I would be inhuman, as well as ungrateful, should I fail to speak well of and recommend than O every sufferer. I have spoken of them, and shall continue to speak of them from the pulpat, in the homes, and in the streets. Praying that you may live long, and do others the same amount of good you have done me and my child, I remain, coars gratefully, (Rev.) C. M. MANNING, Ecx 28, Acworth, Ga. Indiana, Mr. McClammy of North
