there is nobody who knows it. It is like a railroad man beginning his railroad life as a track raiser and limbing higher and higher, until, like Mr. Thomas, he reaches the ighest place. These bishops and presiding elders were all circuit iders at the start and are full of nemories about their first experience and their many hardships. The example of John Wesley still animates these Methodists, for he crossed the ocean to preach to the savages. He The Pleasant fiavor, gentle action

and walls that are lively by night.

But the comforts of the circuit

riders are being gradually improved.

Most of them have four churches to

suffer with, and have to provide their

own transportation, whether it be an

or a Presbyterian horse and buggy.

his family. The average circuit

ider's pay in this conference is now

about \$400-some more and some

hood where the people didn't pay the preacher. It is a bad sign. It is

sign that the land is poor or the

people mean. But, the preachers

nust go where they are sent, and it

s missionary work to go to the poor

cospel. The preacher can do this

rom a sense of Christian duty, but it

s hard on the wife and the children.

It is a school were the young preacher

can learn how to preach and can

levelop, if there is any gum in him.

It is like a young lawyer practicing in

i justice's court. It gives confidence

n himself, and if he makes a blunder
