PUBLISHED EVERY THURSDAY BY C. F. WILSON, EDITOR AND PROPRIETOR.

Entered in the Post Office at Wilson, N. C., as second class matter.

For the cause that lacks assistance, For the wrong that needs resistance, For the future in the distance, And the good that we can do."

THURSDAY, Nov. 3rd, 1892.

Hurrah for Congressman Woodard!

Now isn't Dr. Freeman a "Snollygoster?"

Democrats, stand firm and work unceasingly and the victory is ours.

The next Congressman from the 2nd District will be an upright, able and patriotic white man and his name is Frederick A. Woodard, of the good county of Wilson.

Let every man who casts a vote remember that a vote for Weaver helps re-elect Harrison and high tariff and force bill crowd. Is there a self-respecting white man in North Carolina who desires that?

Do you know what the word Snollygoster means? Read the definition elsewhere. Doesn't it just fit Dr. Freeman, "Bro" Hoover Barnes Boykin, and "Fe I" Finch exactly? Snollygosters, every one.

Cleveland will, it seems most probable, be elected whether he loses North Carolina or not. But what a blistering, burning disgrace every true man in North Carolina would feel it to be, by any chance he should be defeated by North Carolinians. We cannot believe such a result possible.

Let every Democrat work and vote for the whole ticket. Let us elect Cleveland, Carr, Woodard, the county and legislative tickets by the greatest majorities on record. If we do this we will never regret it. If we do otherwise the men who are responsible for the result will never cease to regret it.

The Weaverites of Wilson county know they are beaten. They are losing courage. They look pale and sheepish. They are crying fraud. They sneak around and cannot look their opponents in the face. They have no principle, and are only after the offices. As Maj. Robbins so well said, the Democrats are going to win and give them relief in spite of themselves. It is so written.

Which shall it be, Cleveland, the friend of the South, the advocate of low taxes and the advocate of free elections, or Harrison, the enemy of the South, the advocate of high taxes and the bitter opponent of free elections? Honest men of North Carolina, answer this question before the bar of enlightened conscience and with a full sense of the responsibility which will attach to your action.

These be troublous times. It is a time for men to be wise, prudent, cautious, conservative. There is no occasion for disturbances. It seems to us the height of folly to quarrel and fight about politics. Why, bless your life, the election will come off and one side will win, whether or no, so where is the sense of your fighting about it? You have a right to your conviction. Yes, as much so as any man. And so has the other man, you must remember. Be firm, but tolerate. Let the election pass off quietly. Democrats can least afford to wrangle and fight for they are conservative in the name and doctrine and must uphold their principles.

We have always believed that "Little Eddie" Newsome was too good a man to belong to the gang who are seeking to defeat the Democratic ticket in Wilson county, and yet he said in the court house here last Friday that he would hold up his right hand and swear before his God that there was not one word of truth in the report of what the Goldsboro young lady said to him on his way from Richmond—that it was not even mentioned. In less than one minute afterwards two reputable citizens of Wilson said to us: "He lies I'll swear she said it, as THE ADVANCE published it. I heard it." We could produce the sworn affidavit of a dozen citizens to the same effect, and still he says he would swear the incident did not occur. Mr. Newsome the evidence is against you.

We appeal to every man, Democrat, Republican and People's Party ever to aid us in saving to the people freedom of elections. We are all in the same condition. The rights of the people are imperiled by the threatened force bill. We need various reforms but if the Republicans succeed in this election and pass the force bill, all chance of reform is gone for years to come, and we may vote as much and as often as we can, but Republican retaining bonds will perpetually count us out, and we will practically lose our votes, the free-

man's only means of reform. Be careful that you do not aid the enemies of liberty to struggle liberty by depriving it of its only weapon of defense, the sacred right of suffrage. Consider well before you strengthen the bonds of the offensive already too strong.

Weaver cannot be elected—he does not expect to be elected. The chairman of his executive committee claims that he will carry only 10 or 12 states out of 44 states of the Union. Nobody believes he will carry that many. He will not be able, if he would, to give the people the reforms he advocates, because he will never have the power to enact any law.

Cleveland promises some of the reforms the people need, the reduction of taxes, economy in administration, a local currency which Wall Street cannot touch, free and untrammelled elections and equal rights to Southern men. Harrison promises nothing but offensives and further injury to the South.

Men of North Carolina what will you do? As men of reason and common sense who want to do the best thing for their country and for their wives and children, will you not vote the Democratic ticket and endeavor to get some relief rather than waste your vote on Weaver and the Third Party and aid Harrison and the Republican party to fasten on us forever their burdensome and tyrannical higher taxation, growing greater year by year, and their unjust and arbitrary force bill by which they intend to deprive us of the power of ever obtaining relief by our ballots?

Act in the matter of voting as you would in the ordinary affair of life. If you can't get all the good you want, take what you can get. Don't refuse to take half a loaf because you can't get a whole one. Let us act like men of sense who love their country.

A CORRECTION.

In the last issue of THE ADVANCE there appeared an article containing a charge of drunkenness against Dr. H. F. Freeman. We are informed that the article was written upon information derived from a source regarded as perfectly reliable. This week we have positive information to the effect that it was a case of mistaken identity and that it was not Dr. Freeman who was seen in the condition described in the last issue of this paper, but another man.

THE ADVANCE has a very decided opinion as to the course which Dr. Freeman is pursuing, and believes he ought to be and will be overwhelmed defeated at the polls, but it would not intentionally do him or any other man an injustice. Hence this correction.

THE OUTLOOK.

The news from Wilson county is most encouraging. The indications are that the county will go Democratic by a majority of 1,500. We have every reason to believe it will. The Third Party candidates stand no earthly chance of being elected.

For this Senatorial district the outlook is bright. Franklin is all right and will go Democratic. Nash is not so sure, but Wilson will make up what is needed to elect Battle and Newell.

Mr. F. A. Woodard will be our next Congressman. The news from Greene, Lenoir, Bertie, Northampton, Edgecombe, Wayne counties indicate a Democratic majority in each. Cheatham and Thorne will be beaten.

The State is all right. There's no question about the State ticket. It will receive a 30,000 majority and the National ticket will not be many behind. As to the representatives there's some doubt. In the first district Pool, (Rep) has withdrawn and will support Gating, probably incurring his election. In the third Grady (Dem) will win. The Fourth is doubtful Sanders (Rep) has withdrawn and will support Bunn. Everything points to his election. In the 5th it seems likely that "Baldy" Williams (Dem) will win. In the 6th. (Alexander) will get a big majority. Henderson (Dem) will win in the 7th. In the 8th. Bower's (Dem) election is in doubt. In the 9th, Crawford seems a sure winner.

As to the nation Cleveland's election is a foregone conclusion. He will carry the solid South beyond all question. New York, New Jersey and Connecticut are sure, and Indiana will probably go Democratic. That insures his election.

Democracy is all right this year, and Democrats have cause to be hopeful.

Ransom on Weaver.

In his great speech at Morganton Senator Ransom is reported in the Morganton Herald to have spoken thus of Weaver:

My countrymen I have given hundreds of votes in the Senate to make peace. I have given votes that my dear friend Senator Vance, who sits here by my side, would not have given, because I wanted peace. For the sake of peace I have time and again cast votes that I knew would imperil my political fortunes. But there are some things I cannot do, and there are some things I will not do. The

AS TO POLITICS.

At a Third Party meeting in Goldsboro, ex-Governor Curtis H. Brogden tried to get some office and they concluded to run him for township tax collector, but a fellow named Nathan Howell got eight out of the ten votes and beat him. They then nominated a constable but the ex-Governor did not consent to run for this office.

The State Chronicle says the postmistress at Kenansville, Duplin county, who has held the office for years and given perfect and entire satisfaction, a lady of high personal character, has been removed and in her place an ignorant, uncouth negro has been appointed. The negro could not get the bond and in order to "get him in" the bond was reduced.

A subscriber at Earl's station has notified the postmaster that he refuses to take the Shelby Aurora and longer. So the postmaster has notified the editor of the Aurora that that paper is dead in that office and "refused because he has joined the People's Party." The reason is reasonable and in reason. He has no longer any use for a decent paper, though he may have a decent wife who will miss it.

Dr. Tyre York declares he will vote the Democratic ticket this year.

At Dalton Geo., last week three negroes were killed by masked men because they had voted the Democratic ticket in the late State election.

Daniel H. Chamberlain, once Republican Governor of North Carolina, but now of Philadelphia, says he will vote for Cleveland.

Nathan Gulley, of Wake county writes the Raleigh Chronicle as follows: "I am 83 years old and voted for Wm. Henry Harrison, and have voted the Republican ticket since that time. I have been a Republican and have not voted for a party that wants to tax the coming generations by buying all the railroad and telegraph lines in the United States. We have no Republican ticket in this county or district this year, and I shall vote for the party that best represents the people. I ask all of my Republican friends to turn out on Nov. 8th and bury the Band of Gideon, under a bank of Democratic votes, so deep that it will take Gabriel's horn to wake them. I am for law and order and shall vote no ticket headed by men belonging to the party of Gideonites."

"Snollygoster" is a word coined by Ham, the orator from the Georgia mountains. A snollygoster he defined as "a fellow with an unquenchable thirst for office with neither the power to get it nor capacity to fill it."

In the election no voter should fail to vote for the constitutional amendment providing for the election of the State instead of by each district. This is done to make the election of judges and solicitors uniform.

Deafness cannot be cured by local applications as the ear cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give one hundred dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Sent by mail free.

GOOD OLD GREENE.

"There's a Chief Among ye Takin' Notes, an Faith, He'll Prent 'em."

(SPECIAL COR. TO ADVANCE.)

October, 28th, 1892.

Mrs. E. Gossman, of Clarkston, Mich., and daughter Carrie, is spending a few days in town visiting her brother, Mr. E. M. Lehman.

Mr. and Mrs. W. F. Morrill spent last Sunday in your town visiting relatives and friends.

Mr. J. J. Potter went to Farmville last Monday to carry Hon. W. R. Henry who made a Democratic speech pure and simple.

Mr. and Mrs. Lehman, of Goldsboro, spent last Saturday visiting their son, Mr. E. M. Lehman.

Hon. R. B. Glenn, Democratic Elector-at-large, spoke at Bull Head, this county, last Saturday to a large crowd who were anxiously waiting for the whole truth and he gave it to them. Mr. Glenn is a fair and reasonable man and a good speaker. His speech did much good for Democracy.

Messrs. Moody and Benard, Republican candidates for Lieutenant Governor, spent last evening speaking to about 50 people in the Court house here last Monday. Mr. Moody is a fair talker but he is too intelligent to make such vile slanderous statements about the Democrats as he did. Mr. Benard just appealed to the negroes to go against Democracy right or wrong.

Hon. Walter R. Henry, of Henderson, the red-headed orator, made one of the best campaign speeches in the Court House here last Friday night to a crowded house of ladies and gentlemen. He said God bless the ladies they were all about Democrats. He spoke about two hours. He said he had some sympathy for good, honest farmers that were in the Third Party, but the leaders were getting big pay to run around and deceive the people. He said this 3/4 party was hatched in the Republican party up North to break the solid South, but the people begin to see the error of their way in deserting the ranks of a party for that party which has such men as Mariann Butler for its leader and is for Weaver.

He said any Southern man that voted for him did not deserve much respect, because those that vote for him know what kind of a man he is, so they are as mean as he is.

Mr. Dal M. Hardy, of Goldsboro, was here last Saturday on his way to Saratoga to make a Democratic speech. Dal is working hard for Democracy and he deserves much credit for the noble work he is doing to save the country from ruin by these Third Parties and Republicans.

Lastly but not least, please bear the news through your excellent paper to your people and especially our standard bearer for Congress, Mr. F. A. Woodard, that Greene county on Nov. 8th will send greetings to F. M. Simmons, Chairman Democratic Executive Committee, that Greene county has gone for Elias Carr not less than 300 majority and F. A. Woodard from 350 to 450. Our people are tired of Cheatham and they will turn him down by a good majority so he will not feel like trying to run any more. Our county ticket will elect at all the way from 200 to 500 majority. The county ticket would not be elected this year by more than 200 but our people—Democrats and Republicans—don't like sore-headed office-seekers like these thirties, besides 5/4ites, or whatever you may call them. So Mr. Editor, if Democracy is as safe with you as with us we have nothing to fear. I am not speaking at random but from the way things look now with us.

LARGE PAINFUL ULCER

On Limb. Completely Helpless. Unable to Walk without Crutches. Flesh to the Bone Dropped Out.

Suffered Greatly. Doctors Failed to Relieve. Speedily Cured by Cuticura Remedies.

In the summer of 1888, a sore came on the fleshy part of my right leg, not far from the shin bone. It continued to increase in size, and eventually formed a large ulcer three inches long by two wide. I employed a regular physician, and he treated me with various remedies, but the ulcer continued to grow, and in six months I was induced to try the CUTICURA Remedies. This did me no good. I was completely helpless, unable to walk without crutches, and the sore began to fret and bleed. I then tried the CUTICURA Remedies, and in a few days the sore began to heal, and in a few weeks it was completely cured. Another sore then broke out on my inside, but the same treatment, and the same CUTICURA Remedies, cured it in a few days. My leg is now as well as it ever was, and since then I have not been troubled with sores. D. F. McLELLIN, Ellaville, Miss.

We hereby certify that we are acquainted with the above case, and we believe his statement to be true in every particular. J. C. BRADLEY, Mayor. B. E. DEWALL, Sheriff and Chancery Clerk.

ABSOLUTELY PURE

A Challenge to 1-3 Parties.

There is not a single law on the statute books put there when the Democrats held either House or when Grover Cleveland was President of the United States, affecting the financial condition of the country, of which anybody complains.

We have printed the above statement in effect several times, and announced it as a challenge to 3/4 party orators on the stump several days. Up to this time no one has denied it, or sought to show wherein we are wrong.

Any man who leaves the Democratic party unless the 3/4 party speakers name a law that they complain of passed when the Democrats held either House of Congress or when Cleveland was President, shows that he is very easily deceived, and isn't anxious for reform.

Let the 3/4 party men name the law they complain of, which Democrats helped to pass, or quit misrepresenting the Democratic party!
