The weight of the testimony up to church audiences are not well behaved. Else why would it be necessary to pen them up in the church President Cleveland attends until he can reach his carriage? The spec Massey's school ran away and went tacle of several hundred people of in- fishing. They say they did not catch telligence and, it is to be supposed, a fish, but wont tell what they refinement locked into a building because they would probably run all over the President of the United States if they were allowed to be large, is not one of which we can be proud. Are the national manners at the Capitol such that they appear to pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box. For sale by 1.

J. Hines, Druggist.

In every community there are a few people who imagine that the home merchants do not carry a stock of merchandise of a quality to suit their needs, and even before examining their stock, hasten to some other market to make their purchases, For the wrong that needs resistance, ting better goods at a lower figure. They fail to consider the tact that valuable time is lost and nothing really gained. Spend your money at home, that is where you make it, where it will do the most good to the town in which you live.

Many Forest Fires.

RALEIGH, N. C., April 1.-Today forest fires broke out nearly ten miles west of here and, favored by yery heavy wind, spread eastward, sweeping over a stretch of territory north of this city, burning dwellings, barns and stables. Hundreds of people fought the fire for hours. Much large fires are raging-one southeast near Garner, the other southwest of here.

The Entire Town of Clarksville Almost in Ashes,
