KNOXVILLE, Tenn., Feb. 13.- Charles Rich and Emma Clark, indicted for the murder of Thomas Breen, were convicted of murder in the second degree. Miss Clark's case was set aside. Rich will ap-

SEDDON, Ala., Feb. 11.-Saturday night last Joe Leads, colored, attempted a criminal assault on Mrs. A. D. Prince, wife of a prominent citizen of this place. Yesterday a masked mob took the negro away from officers who had started with him to the county jail at Asheville and hanged him to a tree.

FRANKFORT, Ky., Feb. 15 .- By a vote of 20 to 16 the Kentucky senate yesterday afternoon rejected the nomination of Postell, the negro appointed by Governor Bradley as steward of the Western Kentucky Asylum for the Insane. The appointment has been held up in the senate for the past month.

BLUEFIELD, W. Va., Feb. 15.-In the depot at Pocahontas George Gray and Len Hartsook engaged in a quarrel over a woman. Grav shot and killed Hartsook after Hartsook had fired two shots at Gray without effect. During the affray Miss Clara Clemens was shot and seriously injured. Gray escaped.

BIRMINGHAM, Ala., Feb. 15.-From Brights, Ala, comes the story of the annihilation of an entire family by measles. The family of P. A. Higgins, postmaster, were taken down at almost the same time with the malady. First a son aged 29 died, then the mother followed, and the father came next. A daughter, aged 18, also died from the effects of the disease. Neighbors had to bury the family one by

PETERSBURG, Va., Feb. 11,-The trial of R. H. Harris, Jr., indicted for the murder of W. F. Mallory, was concluded this eyening with a verdict by the jury of guilty of voluntary manslaughter, and fixing his punishment at two years in the penitentiary. Harris was evidently disappointed at the verdict, as he had expected to be acquitted on the ground of having shot Mal lory in self defense.

FRANKFORD, Ky., Feb. 12.—Three Republican members yesterday led a break from Hunter with a view to creating a stampede to some other Republican. Blackburn seems weaker among the Democrats, and the Republicans hoped concessions might be made resulting in the election of a Republican. The vote stood: Hunter, 57; Blackburn, 56; scattering, 9. The majority of the Republicans are inclined to stick to Hunter.

FRANKFORT, Ky., Feb. 15.—Henry Brown, a policeman, was shot and killed in Kagin's saloon last night by Lucien Hawkins, a drunken character. Hawkins was shot and killed by Policeman William Gordon, who accompanied Brown. Hawkins raised a disturbance, and the police were sent for. Brown entered first, and Hawkins fired two shots into him. Gordon at the same time shot Hawkins. Both Brown and Hawkins died in less than five

ONEONTA, Ala,. Feb. 13.-Tuesday night James Davis and Ned Beasley, two desperadoes, terrorized this town, and after robbing the Louisville and Nashville depot mounted a hand car and rode to Remlop, near here, where they burglarized two stores, when they went into camp for the night. A posse of citizens surrounded the camp. The thieves answered an order to surrender by a volley of shots, when the posse opened fire, killing Davis and fatally wounding Beasley.

WILMINGTON, N. C., Feb. 15. - The steamer Commodore, the alleged filibustering vessel, which has been detained here for some time, received her clearance papers and sailed yesterday. She is supposed to have aboard arms and ammunition for the Cuban insurgents, and her probable destination is Charleston, S. C. The departure of the vessel was made without any effort at secreey, but on the contrary she sailed away blowing her whistles and with other evidences of dem-

SHEPHERDSVILLE, Ky., Feb. 15.—When didge W. L. Morrow arrived here from CURES SCROFULA Judge W. L. Morrow arrived here from Frankfort yesterday he found that thieves had entered his house in his absence and taken a tin box containing notes, bonds and other valuable papers to the amount of between \$20,000 and \$30,000. Night before last two tramps came to town and one of them, a well dressed man who claimed to be a Texan, was directed to Judge Morrow's house by ex-Jailor H. C. Bowman, and suspicion points to the alleged Texan.

JACKSON, Miss., Feb. 14.-The boom for William C. Whitney for president has, it seems, fallen flat. Those in charge of the boom have taken great pains to give it a wide publicity, and among other things they claimed that a majority of both houses of the legislature has signed the call. The Clarion-Ledger, of this city, the official state journal, has interviewed the members of the senate on the subject, and proposes to interview the members of the house. These interviews show: Members who signed the call under the impression that Whitney was a free silver man, 15; members to whom the call was not presented, but who would not have signed, 4; members who declined to sign at all, 16; total, 35; total membership of

Two Women Murdered and Cremated. LOUISVILLE, Feb. 17. - A mysterious double murder occurred near Augusta between 3 and 4 o'clock in the morning. Mrs. Robert Laughlin and her niece, Mary Jones, were killed, and their bodies cremated in their house, near Augusta. Mr. Laughlin's throat was gashed and he was stabbed several times, but he got away from his assailants and ran to a neighbor's, where he gave the alarm. Mr. Laughlin believes that all had been chloroformed. Although two tramps are under arrest, the people do not believe the story of Laughlin. The popular belief is that Laughlin assaulted May Jones and was caught by his wife, when a struggle ensued, resulting in Laughlin killing his wife and his 13-year-old niece and then burning his house to hide the crime.

accused panker acquitted.

MILWAUKEE, Feb. 17 .- After being out thirty hours the jury in the case of Frederick Day, president of the Plankinton bank, at 5:30 o'clock last evening, brought in a verdict of acquittal. The bank failed early in the panic of 1893, and Day was charged with receiving deposits after the bank was known to be insolvent.

REID'S WART CURE.

curable warts on horses, mules, cows and other animals. Just before his death, which occurred in 1889, he imparted the secret of its composition to his son E. L. Reid, who has been equally successful in its use never haring failed to effect a cure in a single instance Below will be found testimonials from some of the most reliable men of Wilson and Wayne counties, who tell of some recent cures effected by this wonderful remedy:

This is to certify that E. L. Reid treated my mule for thirteen (13) very bad warts about six months ago, and made a perfect cur. The mule was badly distigured with them and was failing very fast. She can do as much work now as she ever did. She did not have to stop work a day, though he will tell you to stop work a day, though he will tell you cure can be made in half the time if the animal rests while under treatment. There is scarcely any sign of scar where the ward came off. I can safely recommend him to all who may want warts taken off of their stock without injury.

A. BORDEN, Goldsboro, N.C. Per J. G. Foreman, Greenleaf, N.C. November 9, 1895.

This is to certify that we are personally acquainted with Elijah Reid, and know him to be perfectly reliable, and any work entrasted his care will receive prompt attention. His treatment for warts on stock is painless safe, effectual. He can always guarantee a cure without injury to stock. His treatment both medical and humane, has come under our personal observation, and we known it to be scientific and first-class in every particular.

mules. The mule was in a dangerous condition and I hardly expected him to five. After two week's treatment Reid successfully moved the warts and the mule is now perfect Wilson, N. C., Oct. 10, 1895.

TO ALL WHOM IT MAY CONCERN-This is to certify that E. L. Reid has doctored and car we take pleasure in recommending him to the public.

Hespectfully, L. P. WOODARD, WM. WOODARD, St. Dec. 20; 1594.

This is to certify that E. L. Reid has cured a wart on my colt's ear which distigured her very much. I can say with much pleasure that he is an expert wart doctor.

Respectfully, J. Y. STATON.

Tarboro, N. C., January 15, 1894.

This is to certify that I have known the work of E. L. Reid's medicine on warts and have never seen a medicine for warts as good as it is, and I take pleasure in recommending it to the public.

M. T. JOHNSON. it to the public. M Fremont, N. C., Jan. 10, 1895.

This is to show that I highly recommend E. L. Reid for curing warts, as he cured very bad one on a mule for me. Moyton, Wilson Co., N. C., Jan. 5, 1895.
