

WILSON LOCALS.

A WEEK'S NEWS BRIEFLY TOLD FOR BUSY READERS.

Do you want all the local news? Then read the ADVANCE—\$1.00.

Farmers are still hauling out fertilizer prospects for a good crop of good.

If you want the best Bicycle Lamp made by the Search Light Lantern at J. J. Privett, the Jeweler.

The tobacco boys went out to Wigwag Monday evening to open the smoking season. They had a fine evening's sport.

J. J. Privett, the Jeweler, keeps bicycle lamps, locks, enamel, bell, etc., and in fact a general line of bicycle attachments.

Nothing worthy of note in tobacco this week. States have continued but have been very small occupying a few hours each day.

When the hair has fallen out, leaving the head bald, if the scalp is not ity there is a chance of regaining the hair by using Hall's Hair Renewer.

Remember "A Dress Rehearsal" at the W. M. A. tomorrow night. It is given by the young ladies of the school and promises to be a very enjoyable affair.

Our local editor has been sick for almost a week and our local columns have suffered in consequence. We hope that he will be out again before another issue is due.

Mr. W. T. Farmer has been working steadily on his dairy until he has brought it up to a high state of perfection. He has all the modern improvements and is turning out 1,000 pounds of butter every month. His is an ideal dairy.

The work on the sewers is progressing rapidly this week. The worst of the work is over now. All the deep-ditches have been cut. From this time out the grades will require, now deep digging. Mr. Maynard hopes to be ready to turn the work over to the town by June 1st.

"Garden Sass" is just now in order and the average man who owns a yard will go to work and raise a small garden and spend on it just two dollars for every dollars worth that he gets therefrom. This occurs every year but still they will try and raise vegetables instead of buying them from the markets.

The Goldsboro Dramatic Co.

Will give an entertainment at the Opera House on Friday evening next April 17th. The piece selected, "Among the Breakers," is a realistic drama in two acts representing a scene from life on the sea coast. The play is full of life and fun. The company, although an amateur, is exceptionally fine. Our people still recall with pleasure the performance of "A Box of Monkeys" given here some years ago by a company from Goldsboro. We understand that the present company is made up largely of members of the old company.

Election of Officers.

At a meeting of the Wilson Light Infantry on Monday night the following officers were elected:

- Captain, Richard Winstead,
- 1st Lt. T. M. Anderson, Jr.
- 2d Lt. James B. Rountree.

The company is to be congratulated upon having such efficient officers. Their Captain has been virtually in command of the company ever since Captain Washington's accident. During his probation Captain Winstead has proven himself thoroughly competent to fill the place.

A Good Citizen Gone.

After as brave a fight as ever mortal made for life, Major E. M. Nadal died Monday afternoon at 15 minutes to 7 o'clock.

Major Nadal had just before his sickness received his commission from Governor Carr, as Major of the Second Regiment. He died as he lived, a brave, generous man. Honest in all the walks of life, true to his friends and devoted to the best interest of the community, as he understood them. Major Nadal is widely known throughout the State as a prominent Druggist and Mason. His battle for life lasted about three weeks. Without the slightest tremor, he calmly discussed the probability of recovery and after weighing the chances faintly held out by an operation decided, as he expressed it, to take the one chance in ten. Those were the fearful odds under which he submitted to an operation for peritonitis. His was the directing hand that has so successfully guided the Wilson Home and Loan Association to its present, prosperous condition. He was a member of the Commandery, Knights of Honor, Supr. Presbyterian Sunday School and Secty and Treas. of Wilson Home and Loan Association. All trusts imposed by them have been efficiently and faithfully discharged. He leaves to mourn his death and cherish his memory a devoted wife and son, a mother and uncle and the family of Mrs. Nadal, all of whom seem in their devotion to have belonged to his immediate family. His death has cast a gloom over the place and his virtues are on the lips of all men. Major Nadal was buried from the Presbyterian church yesterday at 10 o'clock.

The services at the church were read by Rev. James Thomas. At the grave the beautiful and impressive burial service of the Knight Templars was read. The remains were followed to the grave by Wilson Commandery of Knight Templars, Wilson Light Infantry, Presbyterian Sunday School and citizens.

Gladness Comes

With a better understanding of the transient nature of the many physical ills, which vanish before proper efforts—gentle efforts—pleasant efforts—rightly directed. There is comfort in the knowledge, that so many forms of sickness are not due to any actual disease, but simply to a constipated condition of the system, which the pleasant family laxative, Syrup of Figs, promptly removes. That is why it is the only remedy with millions of families, and is everywhere esteemed so highly by all who value good health. Its beneficial effects are due to the fact, that it is the one remedy which promotes internal cleanliness without debilitating the organs on which it acts. It is therefore all important, in order to get its beneficial effects, to note when you purchase, that you have the genuine article, which is manufactured by the California Fig Syrup Co. only and sold by all reputable druggists.

If in the enjoyment of good health, and the system is regular, laxatives or other remedies are then not needed. If afflicted with any actual disease, one may be commended to the most skillful physicians, but if in need of a laxative, one should have the best, and with the well-informed everywhere, Syrup of Figs stands highest and is most largely used and gives most general satisfaction.
