**Among the Breakers.**

The Goldsboro Dramatic Co. gave a performance here on Friday evening last. It is to be regretted that another entertainment was given in town, on the same evening, causing a somewhat slim audience at both places.

The play was a good one and the company as a whole was unusually well up for amateurs. Miss Edwards and Mr. H. W. Angel in particular deserve mention for the happy style in which they filed their parts. Goldsboro is to be congratulated upon her talented sons and daughters.

**KNIGHTS TEMPLAR ELECTION.**

KNOXVILLE, Tenn., April 14th—The Knights Templar Cour de Lion commandery at the regular meeting last night elected the following officers:

Jonathan Tipton Em. Com.; A. A. Francis, Gen. Com.; G. W. Murphy, C. G.; S. B. Getteys, Prelate; A. Y. Burrows, S. W.; A. J. Reed, J. W.; A. Ferguson, Treasurer; H. W. Hall, Recorder; T. M. Mccheals, Std. B.; M. V. Fienniken; S. B. B.; W. W. Hargrave, Warden; Henry Cavis.

The above item will be of interest to many of our citizens as Mr. Hargrave was not only a former citizen of this place but was made a Knight Templar here. He was until recently a member of the Wilson Commandery. We feel assured that his brother masons will be glad to hear of promotion in a distant city when it is known that he was selected out of more than one hundred and fifty eligibles. This in itself is a compliment to the lodge in which he received his early training.

**Gladness Comes**

With a better understanding of the transient nature of the many physical ills, which vanish before proper efforts—gentle efforts—pleasant efforts—rightly directed. There is comfort in the knowledge, that so many forms of sickness are not due to any actual disease, but simply to a constipated condition of the system, which the pleasant family laxative, Syrup of Figs, promptly removes. That is why it is the only remedy with millions of families, and is everywhere esteemed so highly by all who value good health. Its beneficial effects are due to the fact, that it is the one remedy which promotes internal cleanliness without debilitating the organs on which it acts. It is therefore all important, in order to get its beneficial effects, to note when you purchase, that you have the genuine article, which is manufactured by the California Fig Syrup Co. only and sold by all reputable druggists.

If in the enjoyment of good health, and the system is regular, laxatives or other remedies are then not needed. If afflicted with any actual disease, one may be commended to the most skillful physicians, but if in need of a laxative, one should have the best, and with the well-informed everywhere, Syrup of Figs stands highest and is most largely used and gives most general satisfaction.

Engle & Lund will open their gallery over Penny & Co's. store May 1st. Wait for them.

Great Change in Five Days and To-day is Entirely Cured.

My baby had Eczema in its worst form. One of the best physicians in the city attended her, but she continued to get worse all the time. He finally admitted he was at his wits' end. I then got CUTICURA REMEDIES, and in a few days noticed a great change in her condition. She continued to improve and to-day is entirely cured, has nice head of hair, and is lively and hearty. I spent considerable money for drugs and doctor's bills, which was useless. J. B. JACOBS, 2031 Wilkins Ave., Balt., Md.
