

WILSON LOCALS.

NEWS BRIEFLY TOLD FOR BUSY READERS.

Motors Picked up on Our Streets
by our Reporter—What he Sees
and Hears.

Some of our fair ones went up
to see the ball
"delegation" to Rocky Mount.

Some carried quite a delegation
to Rocky Mount to root for her in
the game, and the yelling they
made was a caution.

In front of the Farrow building
on and from present ap-
pearances it will be one of the pret-
tiest buildings in town.

Our Hair Renewer enjoys the
patronage of people
in the civilized world, who use
it to restore and keep the hair a nat-
ural color.

Mr. W. Joyner, has added a
coat of paint to his office on
Main street and will have it re-
painted. This will improve its ap-
pearance very much.

Mr. E. L. Applewhite, re-
turned to his home, in Columbus
Monday. He expects to
return back again early in September.

The County Commissioners met
Monday and transacted the usual
business of routine business. On
Tuesday the board took up the busi-
ness connected with the schools and
the pension list.

The opening of the tobacco trade
has met upon us. Now is the time
for the merchants to begin engaging
in our advertising columns. The
man who keeps constantly before the
public in the man who gets the trade.

We are in receipt of a very prettily
designed invitation to attend the an-
nual meeting of the State Fire Asso-
ciation which meets at Salisbury on
August 19th, 20th and 21st, and re-
spectfully we shall not be able to at-

Several connections are being put
every day now, and our plumbers
are kept busy attending to the de-
mands of the citizens. Every dwell-
ing and business house in the city
should have them put in, thus insur-
ing a clean healthy town.

There was a large washout at
Coney Creek, on the Atlantic Coast
line, Monday which prevented 35
trains (night train) from reaching here
on Tuesday morning at 8:20. It
was repaired Tuesday and the trains
are now running on schedule time.

Capt. Killeet and W. H. Aiken
have made arrangements to take
charge of the tobacco warehouse at
Wilson Hope this season. Several
prize houses are being erected
there, and the Captain says they will
take tobacco if they have to come to
Wilson after it.

The races this afternoon promise to
be the best and most interesting we
have ever had on our track. Several
horses from adjoining towns are
expected to compete and with the home
horses will make several good races.
If you wish to spend a pleasant after-
noon go out.

The boys from Black Creek came
over last Thursday and crossed bats
with our boys and were defeated by
the score of 23 to 16. It was impos-
sible for our reporter to be on hand
consequently cannot give the game in
detail, but from what we can hear
neither team played pennant ball.

Another excursion is billed for
Norfolk on the 22d of July with
Messrs. W. G. Batts and G. F. Lamm
as managers. It leaves here on
Wednesday, the 22d, and returning
leaves Norfolk Thursday afternoon
the 23d, allowing its patrons two
days in which to take in the sights
around that place. The managers
promise a pleasant trip to all who go
with them.

Barbecue Tuesday.

A crowd of gentlemen went out to
Pinkerton Tuesday for a stag barbe-
cue picnic. The day was a good
one for their purpose, for while the
sky was over cast all day there was
no rain.

A Child Erj ys

The pleasant flavor, gentle action and
soothing effects of Syrup of Figs,
when in need of a laxative, and if the
father or mother be costive or bilious,
the most gratifying results follow its
use; so that it is the best family reme-
dy known, and ever family should
have a bottle.

Pic-Nic Tomorrow.

There will be a basket pic-nic given
at Finch's mill tomorrow.
The same parties gave a similar
pic-nic last year which was thorough-
ly enjoyed by all hands. Tomorrow
should be a pleasant day for the out-
ing.

The Little Ones.

The little ones from the Oxford
Orphanage will give an entertain-
ment at Stantonsburg, Friday July 17.
Dinner will be served at 12:00, and
at 4:00 a concert consisting of
speeches, songs, dialogues, etc. will
be given.

The Orphans to Visit Us.

The singing class from the Oxford
Orphan Asylum will give an enter-
tainment at the Wilson Military
Academy on Thursday night next,
July 16th. Our citizens should turn
out in a body to welcome these des-
erving children, and get some idea
of the work that is being done at the
Asylum for the orphans of North
Carolina. Let everyone that can go
out.

A Curiosity.

Squire Eagles, of Saratoga, was in
to pay us a friendly call Tuesday,
and after talking over the financial
situation for a while gave us an ac-
count of a curious chick that was
found on his place recently. It had
four well formed feet. The bird did
not live, but the squire took the pre-
caution to preserve its body in alco-
hol and promised to bring it up to
town later on.

Condensed Testimony.

Chas. B. Hood, Broker and Manu-
facturer's Agent, Columbus, Ohio,
certifies that Dr. King's New Discov-
ery has no equal as a Cough remedy.
J. D. Brown, Prop. St. James Hotel,
Ft. Wayne, Ind., testifies that he was
cured of a Cough of two years stand-
ing, caused by LaGrippe, by Dr.
King's New Discovery. B. F. Mer-
rill, of Baldwinville, Mass., says that
he has used and recommended it and
never knew it to fail and would rather
have it than any doctor, because it
always cures. Mrs. Hemming, 222
E. 25th Street, Chicago, always keeps
it at hand and has no fear of Croup,
because it instantly relieves. Free
trial bottles at Hargrave's Drug
Store.

It is thought now that the tobacco
crops will be housed sooner than ever
before. Several of our farmers have
cured some few barns, while others
expect to start the first of the week.
Tobacco flues continue to go out by
cart loads every day and from pres-
ent indications the tobacco crop in
this section will be larger than any
year since our farmers commenced
the cultivation of the weed, and we
sincerely hope that they may receive
a good price for all of it. If plenty
of floor space and competent man-
agers on the market, will influence
prices any, our farmer friends may
rest assured that they will receive full
value for their tobacco on this market.
No town can boast of having a better,
harder working set of warehousemen
than Wilson.

house arrived Tuesday. His house
is progressing rapidly and will be
finished in ample time for the new
crop.

IN MEMORIAM.

On Friday morning at twenty min-
utes to 7 o'clock the soul of little
Frank, the four-year-old son of Mr.
and Mrs. W. T. Farmer departed
this life after a painful and severe ill-
ness of three weeks.

It was my pleasure to be with this
little sufferer during his illness and to
say that he was patient and so willing
to take his medicine does not express
it, he was the symbol of all that is
good and pure. In his little face
could be read the divine beatitude
"Blessed are the pure in heart for
they shall see God."

This beautiful bud had a most di-
vine mission, that of scattering the
path of its parents with loving little
words and deeds, and just as it was
bursting into boyhood the Heavenly
Father plucked it. He so often
asked his mother and father who
God was and what heaven was.
What a blessed thought it is that
this little child can now answer this
question which so perplexes us.

Death is a sorrow but it is a sor-
row mingled with joy, for we know
the loved one has but gone before
them to a brighter land; he has gone
from their sight, but he is with them
in spirit yet, and the reunion that
reunion that was made by his loving
presence is now hallowed by a sense
of his spiritual guardianship.

The aching wound in the hearts of
his parents can only be healed by the
Savior, and words are inadequate to
express their grief, but the hearts of
their many friends beat in sympathy
with them in this their greatest afflic-
tion.

Gladness Comes

With a better understanding of the
transient nature of the many phys-
ical ills, which vanish before proper ef-
forts—gentle efforts—pleasant efforts—
rightly directed. There is comfort in
the knowledge, that so many forms of
sickness are not due to any actual dis-
ease, but simply to a constipated con-
dition of the system, which the pleasant
family laxative, Syrup of Figs, promptly
removes. That is why it is the only
remedy with millions of families, and is
everywhere esteemed so highly by all
who value good health. Its beneficial
effects are due to the fact, that it is the
one remedy which promotes internal
cleanliness without debilitating the
organs on which it acts. It is therefore
all important, in order to get its bene-
ficial effects, to note when you pur-
chase, that you have the genuine arti-
cle, which is manufactured by the Cali-
fornia Fig Syrup Co. only and sold by
all reputable druggists.
If in the enjoyment of good health,
and the system is regular, laxatives or
other remedies are then not needed. If
afflicted with any actual disease, one
may be commended to the most skillful
physicians, but if in need of a laxative,
one should have the best, and with the
well-informed everywhere, Syrup of
Figs stands highest and is most largely
used and gives most general satisfaction.

The Garden Spot of the State.
During the past few weeks the
editor of this paper has visited a
number of towns in different portions
of the State and he is in a position to
congratulate the people of this sec-
tion upon the enviable reputation
that Wilson, both town and county,
has gained. Everywhere the same
glad tidings have been received and
all eyes are bent on our little town.
Everywhere the same story has been
told "Wilson is the garden spot of
the State.

Two Pounds, Eight and One-half Ounces.

Mr. A. P. Branch showed us a cu-
mber yesterday which tipped the
scale at a little more than 2½ lbs.
Mr. Branch tells us that he has a
number of immense "cukes" in his
garden. Of course it was entirely
too large for eating but it shows what
our land will produce.

WILD With Eczema

I was a sufferer for eight years from Eczema, but
now am entirely cured. The palms of my hands
were covered and badly inflamed; little white
blisters appeared, then would peel off, leaving
a red, smooth surface, which would burn like
fire and itch. On the inside of the upper part of
my limbs, great red blotches would appear, and
as soon as I became warm, the burning and itch-
ing would begin. Night after night I would lie
awake and scratch, and almost go wild. I got a
box of CUTICURA, and a bottle of CUTICURA RE-
SOLVENT, and after a few applications I noticed
the redness and inflammation disappear; before I
had used one box there was not a sign of Eczema
left. I can truthfully assert that \$2.00 worth of
CUTICURA RESOLVENT cured me.

Just Three Months Ago

We landed in this beautiful town strangers in a strange land,
but being favorably impressed with city and people we de-
cided to pitch our tent among you. The cloud of competition
hung thick and heavy over the city and the road looked dark
and gloomy. We raised the banner of

The Bee Hive,

There was a rift in the clouds and the people began moving
this way. Fall in; Join the procession and get the benefit of the
