Epworth League.

The first regular meeting of the Epworth League at Wilson was held in the Methodist church on Friday night. It was a promising beginning. While the crowd was not large yet there was present that determination which characterizes all Christian workers. The undertaking was a new one but any one who witnessed the first exercises feels confident that this order has in store a future of usefulness.

After the opening devotional exercises, Mr. Paul Anderson gave the address of the evening. His subject was "David." The substance of the address was this: A man is ruled in a great measure by his environment. David's career as a shepherd developed in him those dominating qualities which characterized his entire career. It was on these plans, alone and unaided by man, that he gained that strength of character which enabled him to spare, yes, even to love his enemy, Saul; also was it here that he developed that friendship for Jonathan, which is symbolized as the greatest of friendships. After he became ruler, his entire course is noticeable for its depth of tenderness and sympathy. His aim was not to serve one party, but rather to serve all parties, by bringing them into closer relation to Jehovah. His life and indeed his purpose in life is beautifully outlined in the Psalms.

But was this not the only treat the meeting had in store for the members and visitors. The solo, "Calvary," by Miss Susie Wells was indeed a treat. The hearing of this alone would have induced one to attend the meeting.

Mrs. M. E. Edwards, the president of the League, then made some appropriate remarks, urging all to live out to the letter the watchword of the League, "Fidelity."

Dr. Albert Anderson, a pioneer in the movement, asked Prof. Britton to make a talk. He, in his usual clear cut way, urged the members of the League to go out among the people of Wilson, determined to do everything possible to forward the cause of Christ.

Much credit is due Miss Hardy for the formulation and execution of the program. Those serving on the committee with her were Misses Emma Bass, Mollie Parish, Lizzie Bryant, and Nannie Gardner.

Mr. Briggs, as usual, proved an excellent host, and the Union will be glad to visit him again.

Two Lives Saved.

Mrs. Phoebe Thomas, of Junction City, Ill., was told by her doctors she had Consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St. San Francisco, suffered from a dreadful cold, approaching consumption. Tried without result everything else then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. The Wilson Baptist church recently organized a branch of the Young People's Baptist Union, with Mr. Chas. Blount as president, C. Cullpepper, vice-president, W. C. Allen, secretary, Mrs. Jno. F. Bruton, corresponding secretary, and Miss Sue Blount, treasurer. The Union is growing rapidly, there being about forty on the roll. It meets weekly, on Thursday nights, and the order of exercises are devotional, social, literary and business, a night being devoted to each. The first meeting was held on July 16th in the spacious parlors of the Briggs Hotel. The meeting was of a social nature and the following program was carried out:

Address of welcome by J. A. Rood.

Prayer. Solo, "Yearnings," Mrs. J. A. Rood.

Reading, "Weavers of Life," Miss Lizzie Bryant.

Piano solo, "Angels of Dawn," Miss Emma Bass.

Solo, "Anchored," Mr. B. O. Penny, accompanist, Mrs. Privett.

Reading, Miss Lizzie Bryant.

Address, Capt. B. F. Briggs.

After the programme a very enjoyable surprise was awaiting the company. Mr. Briggs had prepared a delicious repast which was served by the social committee, headed by their chairman, Miss Mary Hardy.

After the supper, a number of games were played. Much to the regret of all present the closing hour came. The exercises of the evening were closed by the singing of the familiar hymn, "God be with you."

Mr. Briggs, as usual, proved an excellent host, and the Union will be glad to visit him again.

Gladness Comes

With a better understanding of the transient nature of the many physical ills, which vanish before proper efforts—gentle efforts—pleasant efforts—rightly directed. There is comfort in the knowledge, that so many forms of sickness are not due to any actual disease, but simply to a constipated condition of the system, which the pleasant family laxative, Syrup of Figs, promptly removes. That is why it is the only remedy with millions of families, and is everywhere esteemed so highly by all who value good health. Its beneficial effects are due to the fact, that it is the one remedy which promotes internal cleanliness without debilitating the organs on which it acts. It is therefore all important, in order to get its beneficial effects, to note when you purchase, that you have the genuine article, which is manufactured by the California Fig Syrup Co. only and sold by all reputable druggists. If in the enjoyment of good health, and the system is regular, laxatives or other remedies are then not needed. If afflicted with any actual disease, one may be commended to the most skillful physicians, but if in need of a laxative, one should have the best, and with the well-informed everywhere, Syrup of Figs stands highest and is most largely used and gives most general satisfaction.
