WEDNESDAY, MAY 4, 1878. NO. 12.

THE FROZEN HEART.

BY JOEL BENTON. The winter snow fell deep and fast, perplexing it the April day, while the sun shone brightly and warm.

HER HEART'S SECRET.

BY ANNA SHIELDS. "If you refuse Duncan Holcroft you are a complete idiot, Georgia Gilroy, and I wash my hands of your affairs altogether."

But she interrupted him quickly: "You are not hateful to me," she said, impulsively. "I like you ever—ever so much, only—oh, why do you want to marry me?"

"I will go to Grandfather Gilroy, since you are so tired to me," Georgia said. "I would I go, bury yourself in that wretched little farm-house at Fry Corners; you who might lead the fashion here, Duncan Holcroft's wife!"

York. She loved Duncan Holcroft, king amongst men. She had walked away from her own paradise, closing the door, and Duncan Holcroft would die, and never know she had loved him.

"I am Georgia Gilroy," she whispered, very low. "But law as it was the whisper reached Duncan Holcroft's ears, and a smile lighted his white, wasted face."

telling it to you to make a plan for him. He jumped to his feet quick as a flash, grabbed the tongue of the cart before the bear could say Jack Robinson—if he had known how—and started on a kee-ron-down hill, drawing the cart and the bear in it after him.

"I am Georgia Gilroy," she whispered, very low. "But law as it was the whisper reached Duncan Holcroft's ears, and a smile lighted his white, wasted face."

Officer: He uses an ear trumpet, your honor. Judge: Well, then, sound a cavalry charge through it and find out his name. Officer (brought ear-trumpet)—What is your name? Prisoner: Israel Judger. I've been troubled for the last twenty years, Judge, with puerperal, gonorrhoea, measles, milk-sickness and worms. I use cider for the puerperal, whisky for the measles, ton-bence for the milk-sickness, and I feed the worms on rum and molasses.

Our Inferior Court.

With many promises of economy and reform, our inferior Magistrates were introduced into the world with a little or no preparation, and were very inefficient laborers.

COMEDIES OF THE COURTS.

"TAKE OFF YOUR COAT, GIBBS"—FRESH FROM THE LIMESTONE REGION. [Before Justice Sixby.] Judge: Where did you find this colored man, officer? Officer: I found him last night hanging around Devlin & Co's clothing store. Mr. Devlin has had a good deal of clothing stolen lately and I brought this man in on suspicion.

HOW A MAN GAVE A BEAR A RIDE.

Once there was a man whose life had been spent in "giving West." His father and mother moved from New England to Michigan when he was a baby, and settled six miles from any neighbor. But before the farm was all cleared, other settlers came, and the family move on.
