OUR AGENTS.—The following gentlemen will act as agents for the ROANOKE NEWS: Captain A. B. Hill, Scotland Neck.

WHAT has become of the Weldon ministers. FARMERS are complaining of wet weather. THE base ball fever has somewhat abated.

THE streets of Edfield are traversed by telephone strings. THERE was a slight frost in this section Thursday morning.

THE New York Sun declares for B. F. Butler for President in 1880. REV. MR. PRIMERK will preach in Weldon next Monday night.

OUR farmer friends inform us that the cold snap will not hurt the crops much. WE learn that there will be an excursion from this place to Raleigh on the 25th.

THE picnic of the Methodist Sunday School will take place on the 29th inst. AFTER a long and painful illness Mrs. Ezekiel White of this county died last Tuesday of Cancer.

REV. A. R. RYAN has been holding a very successful revival at Edfield for a week or two past. THE Weldon String Band did not give Halifax the proposed serenade this week on account of bad weather.

THIRTY-SEVEN Halifax county people went to Norfolk to see K. Legg, a five-line paragraph in the News did it. OUR townsman Mr. W. I. Winfield, has recently had his dwelling nicely painted, which adds much to the appearance.

OUR types desire to return many thanks to Mr. J. M. Bass, for a large basket full of nice strawberries. WHICH is the best way to raise strawberries? asks a correspondent. Well, we've always found it best to raise them with a spoon.

THE Press Association of North Carolina will meet this year at the Sparkling Catawba Springs on the 3rd day of July. HON. CLARKSON N. POTTER of New York has introduced a resolution to investigate the Florida and Louisiana election frauds.

SUSAN BRANCH, colored, supposed to be about 115 years old died near Edfield on the 9th inst. She was probably the oldest person in the county. A young mother must have some rest. But how is this to be accomplished, when the babe is restless and cries constantly? Simply by using Dr. Bull's Baby Syrup.

WE had the pleasure of meeting in town on last Monday, our friend and former townsman, Mr. B. F. Manning of Danville, Va. Glad to see you "Squire Frank." A changeable complexion indicates the existence of worms. A few doses of Shirner's Indian Vermifuge will destroy them and make your complexion bright and healthy.

A specialist named Hadel fired three pistol shots at the Emperor William of Germany one day last week. He was arrested and claimed that he was trying to kill himself. REV. MR. HINES of Jackson will fill the appointments of Rev. A. S. Smith in Weldon next Friday night the 24th and next Sunday the 26th inst. Mr. Smith will preach at Grove church.

OUR little friend Mr. H. B. Pope, who has for the past six months been living with Messrs. McHenry & Farmer, has come back to do business for his "old boss" Mr. J. T. Ford, and will be pleased to see his old customers. WE had the pleasure of meeting in our town on yesterday, Dr. W. M. Wingate, President of the Wake Forest College. He was on his return from the Chowan Baptist Convention which has been in session at Shiloh in Camden county this week.

DR. R. A. PATTERSON is one of the delegates from Halifax county to the State Convention. His name was not printed with the list, but R. A. Pittman was erroneously printed when it should have been R. A. Patterson. THE residence of Mr. Hamilton residing near St. Tammany's Ferry, on the Roanoke River, was entirely destroyed by fire one night last week. Mr. Hamilton passed Weldon last Monday on his way to Scotland Neck, where he will hereafter make his home.

WHOLESALE CASH PRICES AT V. J. NAW'S BAKERY AND CANDY MANUFACTORY.—Sugar Cakes per barrel \$5.00. Ginger Cakes per barrel \$4.50. Candy 13 cents in lots of 25 pounds and upward.

EXCELLENT APPOINTMENT.—The Governor has appointed C. H. Wharton J. Green a commissioner of the Lee Memorial Association, under an act of the Virginia Assembly, requesting the Governors of the Southern States to make such appointments.

MARRIED.—At the residence of the bride's father in Cumberland county on April 17th 1878 Miss Fannie daughter of Col. T. W. Devane and Dr. A. P. Dickson of Bladen Co.

NOTE: The letter informing us of this marriage was misread and only reached us Tuesday. WE regret very much to learn from a private letter that Rev. C. E. Taylor, Professor of Latin at Wake Forest College, has been suffering for several days with an almost entire loss of his voice, so much so that he has been unable to attend to his classes. We did not learn the cause of this misfortune, but hope it may prove only a temporary attack.

WE call attention to the advertisement of the Western North Carolina Warm Springs. There springs are about to elect a wonderful cure of a case of rheumatism and gout, and are said to be certain in their effects. Those of our readers who contemplate spending a summer in the mountains would do well to send to Dr. Hawston for descriptive pamphlet.

THE town of Halifax is being blessed by besting visions of beautiful belles from Lower Halifax and Bertie, and the young lawyers jointly and severally have prayed a continuance of their cases in the Superior Court and put in an appearance in court of another kind. We have only seen our champion once this week and his conduct then gave us grave fears as to his sanity.

OUR interest was so worked up in regard to the Weldon municipal election that we neglected to give the other town elections in our last issue. We hasten to rectify the omission. In Edfield J. J. Robertson was re-elected Mayor and the old board of Commissioners was re-elected, all without opposition. In Halifax a fusion ticket was elected beating the regular democratic ticket.

THE MILITARY COMPANY.—The Military Company met according to adjournment last Monday night, but adjourned to give the committee time to report. There was a further meeting last night but we go to press too soon to give a full record of the deliberations. Such is the unanimity with which the young men are joining that it is thought that another company will soon have to be formed to accommodate the volunteers.

THE LECTURE SEASON.—REV. O. P. Fippo, now of Suffolk Va., but formerly of Baltimore Md and at present the editor of the Baptist Visitor published in Baltimore will deliver his noted lecture on "Ice in the Palace and who out there," at the Literary Hall on Thursday night the 23rd inst. Mr. Fippo has previously delivered this lecture with great success in most of the Northern cities and has been especially complimented in Richmond. In admission fee of twenty five cents will be charged. The lecture is for the benefit of the Baptist church.

MR. BELLIS, the Littleton peach grower, informs us that he will have ripe peaches this year from the 1st day of June until late in October. We also learn from Mr. Bellis as from other sources that, while the peach crop was in some sort damaged by the cold, it will still be quite large and of remarkably fine quality. We have the same findings from Col. Thos. Goode Tucker's orchards near Gaston and we are inclined to believe that this year's crop will bring as much money as did the crop of 1877.

LETTERS remaining in the Weldon, N. C. Post Office for the week ending May 18th 1878. Mrs. Mary Agnes, James Barton, L. Brown, Miss Ann Branch, Robert J. Cook, Mrs. Annie E. Green, Thomas Gregory, J. W. Hudson, Joseph Harris, Mrs. Martha Harris, Logan Hicks, Benjamin Hunter, Peter James, Mrs. Matilda Johnson, Peter R. Jones, Ned Myhra, Samuel Myhra, William Powell, Weidman Robinson, Mrs. Francis Rock, Frank Smith, W. J. B. Smith, Isaac Taylor, Norman N. Williams.

Persons calling for the above letters will please say advertised. A letter is also held for direction. J. M. FOOT, P. M.

OUR ELECTION.—As we have to have expected accounts of the little fracas which occurred here on election day have been in almost all the papers and up to date no two have been alike. We, however, deem it necessary only to correct one of the errors in regard to the affair of the many published. The Raleigh News, stated that we had telegraphed to Norfolk for troops, and the Petersburg Index falls in the same ridiculous error. The truth of the matter is that no troops were ever needed nor was there ever a chance that troops would be needed. While we have no doubt that a formidable riot was intended to be inaugurated the firmness and comeliness with which the white Democrats acted prevented it from ever becoming anything serious.

In this connection we would state that we have been informed that Cruise Daniel, Bill Roberts, Bug Parker, Bill Long and Ale. Bolen, all colored, behaved very well during the progress of the row and gave no assistance in quieting the disturbance.

HALIFAX SUPERIOR COURT.—The second week of this tribunal has been occupied with the civil side of the docket. The murder case which was to have been tried Wednesday was continued until the next term of the Court. The case of Dr. Joe A. Collins against the Farmville Banking and Insurance Company was in process of trial Wednesday. This case has aroused a great deal of public interest. The verdict was in favor of Dr. Collins.

In addition to the home members of the bar we noticed in attendance Hon. Jos. B. Batcher, Col. Walter Clark, and Messrs Henry A. Gilliam, Jno. Gatling, T. P. Devereux, F. H. Buxbee and A. W. Hayward of Raleigh, Col. L. C. Edwards of Graviton and B. H. Bunn Esq. of Rocky Mount.

The court has been presided over by Judge Seymour. We have stopped complimenting judges, but the old lawyers say that he is the best judge they have practiced before since the war.

NORTHAMPTON COUNTY CONVENTION.—The democratic convention of Northampton county was held at Jackson on Saturday last the 11th inst. The meeting was called to order by Capt. R. B. Peebles, chairman of the democratic executive committee of the county. Jeremiah Gay was called to the chair and S. J. Calvery requested to act as Secretary.

A committee of one from each township was appointed by the chairman, to select delegates to the State Convention. The following delegates were elected; Gaston, J. W. Grant, J. G. Lockhart and John Carstaphen; Onancock, T. W. Mason, E. J. Peebles and E. L. Sommersell; Jackson, W. C. Bowen, R. B. Peebles and J. T. Peebles; Roanoke, Jas. S. Grant, Wm. Skull and W. H. Williams; Rich Square, Geo. Bishop, Dr. J. C. Jacobs and H. C. Edwards; Kirby, J. A. Garrison, W. J. Edwards and Wm. Bown; Wicomico, Dr. R. H. Stancil, J. M. R. Rogers and J. T. Sears; Seaboard, D. J. N. Runyon, R. T. Stephenson and S. M. Lawrence.

J. S. Grant moved that the chairman, secretary and S. J. Wright be added to the list of delegates. The motion was carried. Capt. Peebles offered the following resolution which was adopted: Resolved, That we have witnessed with alarm the tendency of the Federal court to encroach upon the jurisdiction of the State courts, and the growing power and constantly increasing influence for evil of great monopolized corporations, both foreign and domestic, and especially the unjust and offensive discriminations by common carriers against local passengers and shippers of local freight. And while we do not desire to form our Supreme Court of men who would decide questions of law from any motive other than a desire to interpret the law correctly, yet we do sincerely desire and hope that men will be placed on our ticket whose sympathies on these important questions are in accord with the sentiments and interests of the people.

It was moved and carried that the old County Executive Committee be retained. It is composed of the following gentlemen: R. B. Peebles, Chairman; S. J. Wright, Secretary; Dr. J. C. Jacobs, F. N. Mason and W. C. Bowen. JEREMIAH GAY, Chairman. S. J. CALVERY, Secretary.

THE CONFEDERATE NOTE. The following lines were written upon the back of a Five Hundred Dollar Confederate Note by M. J. A. Jones: Representing nothing on God's earth now, And sought in the water below it; Of Liberty born, of the patriots dream, Of a storm cradled nation that fell. Too poor to possess the precious ore, And too much a stranger to be brow, We issue to day our "promise to pay," And hope to redeem on the morrow. Days rolled by, and weeks became years, But our coffers were empty still, And gold was scarce that the treasurer quaked If a dollar should drop in the till. But the faith that was in us was strong indeed, And our poverty well we discerned, And these little checks represented the pay That our suffering veterans earned. We knew it had hardly a value in gold, But as gold the soldier received it, It gazed in our eyes with a promise to pay And each patriot soldier believed it. But our boys thought little of price or pay Or of bills that were over due, We knew it had bought our bread to-day, 'Twas the most that our country could do, Keep it! it tells all our history o'er, From the birth of the dream to the last, Modest and born of an Angel Hope, Like our hope of success it passed.

THE COLD SPELL.—FROST, ICE AND SNOW IN THE NORTH.—THE FRUITS AND VEGETABLES HEURT.—PORT JARVIS, N. Y., May 13.—There was a heavy frost in this section last night which destroyed considerable young vegetation. Ice was framed in some places. Much Chuska, Pa., May 13.—The water has been extremely cold for the past few days with slight snow. There was a heavy frost this morning which did some damage to the crops. A snow storm prevailed on Saturday along the Oakesdale branch of the Chic ago, Rock Island and Pacific Railroad, in Iowa, covering the ground in some places, and terminating in hail and rain. The storm also prevailed in various sections of the Northern States and Canada. No damage to fruit or crops is reported. There was a slight frost in the interior of New York State on Friday night. No damage was done to the fruit trees or crops. Des Moines, May 14.—It is snowing and freezing. The cold has injured the grape crops and all young vegetables in this re-

gion. It is thought the grapes are nearly all killed. The cherry crop is much injured. The apples are beyond injury.

Part Jarvis, N. Y., May 11.—For the past few nights there has been very heavy frost in this section, and reports from the surrounding country state that its effects upon the growing crops have been very disastrous. Peaches, pears and grapes, it is feared, are almost entirely destroyed. The corn will have to be re-planted for several last night in many localities.

Our Ringwood Letter. Ringwood, N. C., May 14th, 1878. The weather is cooler than known to the oldest inhabitant, at a same time of year, and cotton and corn are drying worse than ever known. Overcasts and fogs are indistinguishable to comfort.

Difficult Conference.—The M. P. Church was held at Bedford last week. Several teachers from many parts of the State were present, and much business transacted. Attendance on Sunday and heard a most excellent sermon preached by Rev. Mr. Ogburn, from Isaiah vi. chapt. 4 verse: "What more could I have done in my vineyard that I have not done it." Very feelingly and impressively he showed what the Saviour had done for fallen man—made it easy for him to rise from his ruined state to a higher life in the Great Beyond.

I hope the discussions on the merits and demerits of the Interior Courts, will bring out all points connected with it to the satisfaction of those who complain as loudly against it. That there is much complaint in many, if not in all sections of the county, any one can ascertain by taking pains to inquire. I hope the discussions on the subject will be conducted in respectful and dignified composition, and erudition and recrimination not be indulged in by members of the same party. All are to doubt striving at the same time to satisfy the people in one of two ways. Reduce or abolish the courts, or prove that they are beneficial. This being done all things will work on some way. G. E. M.
