THE ROANOKE NEWS, NORTHERN SETTLERS CON-

THURSDAY, FEBRUARY 6, 1870.

BETRENCHMENT.

We publish below a draft of a bill which we hope some member will intreduce into the Legislature, Retreachment seems to be the bobby, which politicians are now riding and the bill ought to suit. We know the Legislature don't want to spend the people's money, and acither do we, but we are is favor of retreachment and want no half-way doings.

Strike at the root of the descase and apply the knife with a steady hand. be done with it. This bill comes up to contents : our ideas on the subject :

WHEREAS, The price of labor skilled, and unskilled, has of hite been greatly reduced ; and whereas the country is in ters, and the leading provisions of Lonn most poverty stricken state; and dan gas legislation as settled in 1876; taxes if they can help it, and whereas which the prospect of the use of the we the members of the Legislature are desirous, and anxious to do anything electric light has had upon the value of which may pessibly please the qualified gas property. voters of the State, and thereby procure 2 "Daviel Manin." Manin was the their ballots at the next general election. leader of the struggle for Venetian inde-

The General Assemble of North Carelina do enact :

per menth, and five pounds of meat and tor. a pack of meal a week, provided pevertheless, that if the Governor should be a delicate and weakly man, he shall only receive three pounds and a half of meat summation and colligation of the knowla week instead of five, and he shall have edge pertaining to given subject matter. no Secretary whatever, unless he has Under this category stand the physical never learned to write.

SEC. 2. The Secretary of State shall receive no salary, whatever, but shall receive for every copy sheet which he writes ten cents, and supply his office of Comprehension." A condensed statewith paper and ink, and other articles ment of the Broad Church Theory, and necessary for him to perform his duties, provided that this shall not be construed so as to prevent the State from supplying, and paying for whatever pens he may use if he use not too many.

torney General shall receive no salary and fees whatever, but shall be allowed the free use of their offices and the books in their several departments without charge.

SEC 4. The Treasurer, Auditor, Superintendant, Keeper of the capital, and every other State official shall receive fifty cents a day and find himself, provided, bowever, that if any of the State officers shall be absent from his office for more than half a day, he shall be docked protanto by the Gavernor, who is to keep a book for that purpose.

offices in the capital building shall pay year for any one, or only \$10 for all, that these several county conventions a reat of five dellars per month for same, and give bond with seven sufficient lishers. sureties for the proper care of the farniture therein belonging to the State, prowided that this section shall not apply to

VENTION.

We publish elsewhere the call for ception to this rule being the Hop given conventions of Northern settlors in the by the Manogram club on Wednesday South. Mr. Damont, the president of monored with an invitation to this, and the convention recently held in Char- through he like hourst Jack Falstaff "is lotte, requests that Northern born resi- old and grows fat," he could not but deats and ex-members of the Federal erjoy seeing the youngsters so thouarmy meet la convention at their oughly happy. In very trath the H p respective county seats on the 15.h of in all its details, and if soft eyes didn't February 1879 to consider upon the lock love to eyes that spoke again it publishing of a paper as the advantages was only because the Rafeigh girls go of the South. He recommends that to dances strictly to dance, and flirt, if these conventions be held regardless of ut nil, in more quiet places. By the politics, but that the same be excluded, trievably disgraced himself by saying in Read the card.

Tun British Quarterly Review for Jan- not hilarious character. He hastens to Don't be mealy mouthed about it, nor uary is republished by the Laosard make amends by saying that the fun is do things by halves; but cut off the Scott Publishing Co., 41 Barclay St., not at all innocent, and that kilarity is deg's tail behind his cars at once and New York. We give a short sketch of a feeble term in reference to it.

1. "London Gas." The gas question Governor Jarvis will take place, and An act to regulate the salaries and fees has long occasioned serious complaints society (make it a big S.) is on tiptoe of the several State officials. bas long occasioned serious complaints society (make it a big S.) is on tiplee do, at lowest rates, both in England and this country.
