BANKS' BABIES.

I was detained over Sunday in Barnsbury, and on Sunday morning I resolved to go to church. The first church I came to, a small frame structure with a wooder steeple, had the doors and windows tightly shut, but there was a man sitting on the Front steps whitting a stick, and I said to "Are you connected with this church?"

"Yes," he satd. "I'm the sexton," "What is it closed for?" "Well, mostly on account of Bank's babies.

LIVER PILLS.

FOR THE CURE OF

Hepatitis, or Liver Complaint, DVSPRPSIA AND SICK HEADACHE.

Symptoms of a Diseased Liver.

PAIN in the right side, under the edge of the ribs, increases on pressure; sometimes the pain is in the left side; the patient is rarely able to lie on the left side; sometimes the pain is felt under the shoulder blade, and it frequently extends to the top of the shoulder, and is sometimes mistaken for rheumatism in the arm. The stomach is affected with loss of appetite and sickness; the bowels in general are costive, sometimes alternative with lax; the head is troubled with pain, accompanied with a dull, heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a painful sensation of having left undone something which ought to have been done. A slight, dry cough is sometimes an attendant. The patient complains of weariness and debility; he is easily startled, his feet are cold or burning, and he complains of a prickly sensation of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough to try it. In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few of them existed, yet examination of the body, after death, has shown the LIVER to have been extensively deranged.

AGUE AND FEVER.

DR. C. McLane's Liver Pills, in CASES OF AGUE AND FEVER, when taken with Quinine, are productive of the most happy results. No better cathartic can be used, preparatory to, or after taking Quinine. We would advise all who are afflicted with this disease to give them a FAIR TRIAL.

For all bilious derangements, and as a simple purgative, they are unequaled.

BEWARE OF IMITATIONS.

The genuine are never sugar coated. Every box has a red wax seal on the lid. with the impression DR. McLane's Liver The genuine McLane's Liver Pills bear

the signatures of C. McLane and Fleming Bucs, on the wrappers.
Insist upon having the genuine Dr. C. McLane's Liver Phils, prepared by Fleming Buss, of Fittsburgh, Pa., the market being full of implations of the name McLane, pelical differently but same pronunciation.
