VOL. IX.

WELDON, N. C., THURSDAY, AUGUST 26, 1880.

Maiden and Weathercock. MAIDEN

O Weathercock, on the village spire, With your golden feathers all on dre, Tell me, what can you see from your perch Above there, ever the tower of the church?

WEATHERCOCK. I can see the roofs, and the streets below, And the people moving to and far: And be some without either roof or street. The great sail see and the fisherman's flow

I can see a alth come sailing in Beyond the becalinds and harbor of Lynn, Acid a pount man, and harbor of Lynn, With a singer handkerednet round his neck. New he is pressing it to his tips. And new he is knowing his flager tips: And new he is lifting and waving his hand. And blawing the bases toward the land?

Ah! that is the ship from over the sea. That is dringing in lover back to me! dringing into lover, so fond and thee. Who does not change with the wind like you.

WEATHERCOUR If I change with all the winds that thew, if is only because they made on so? And people would tank it wandrons strange if I, a Weathercock, should not change.

With your drawing some and her.
When you and your lover med to day,
You will thank my for looking some other way.
Hashy W. Losary now.

SWEETHEARTS & WIVES. A sober, tilli-contented tace at the window, a bright face in the street. The window is thrown open, and a smile goes from the bright face to the sober one, giving it a new and pleasanter aspect. loto faces are young -the one at the window the youngest-almost childlike. Yet the window-face is is the face of a wife. and the street lace that of a maideo.

'inney free.' 'How strangely I was deceived, Bella !' eaid the ludy in the atreet.
Decewed! How, May! What do you meant Lat come in. You're just the one

That sure I saw you not ten minutes ago, riding out with Mack ' said the young friend, as they met and embraced at the 'Oh, dear no! I beyon't been out riding

with Mark for a month.' Indeed! How's that? I can remember when you rode out together almost every afternoon. 'Yes, but that was before our marriage.

replied the young wife, in a voice that made her friend look into her tace nur-The husband has less time for recreation than the lover. He must give more

thought for business,' remarked her The little wife tossed her head and shrugged her shoulde's in a doubtful way,

'Ah, Bella, Bella! That speech down't come with a musical sound tonn your tips, remarked the friend, smiling, yet

'How is it as to sweetheasts and wives; asked the friend. Do they belling to the same class ?' The question appeared to reach the there.

oung wile's cars with suggestive force. Her face was a little changed as also anwered

I don't snow. Perhaps not." The friend had been scanning the young wife for some moments from head to look. n a way that now elicited the quiss

'Do you see anything peculiar about 'Yes,' was answered.

What ? 'A preniar untidiness that I never oberved in the sweetheast." B-llaglanced down at her selld and

off d dress. 'My neglige,' she said, with a little 'So I should think ! Now, shill, I draw

YOUR DICERTE T Yes, if you have an ar ist's fancy." 'Here it is. Hair lustreless and on idy skin dull for want of section, and decoupy wrapper better conditioned for the washtob and ironing table than as a garment saw it a little while ago at the window; ger of lesiar. Five minutes before the a lover. Pechaps it mig. Preliaps it might suit a hapband.

Bella felt the reproof of her friend, as ourn on her cheeks

'You wouldn't have me dress as for a party every day I she said. On, no! But I'd have, you went and eweet as a ye me wife anould always be, that is if she cares for the fond eyes of her

husband. I verily believe it was Mark I saw riding out a little while ago " Bella threw a quick startled book upon her friend, who sires ty half regretted her

closing aentence. Way did you say that ! What did you meno?" she asked. I only said it to plague you, answered.

the iriend. "To plague me!" There was an ex-pression to Bella's face that Mary had never seen before. Her eyes had auditedly grown of a durker shade and were eager. and questioning. Her lips lay closer together; there were lines on her foreh art.

'You are not really in earnest, Mary, about seeing Mark riving out with a larly Love for my husband, she answered this afternoon, she said, in a voice and and then a tear in which by's aunlight with a look that revealed fully her state of made a rainbow, stole out from the droop-

The color had left her face and her heart shook in her voice. I was probable mistaken, Bella, re-plied the triend; though I had not doubted of the fact until I saw you at the window

a little while ago.' Did you notice the lady particularly ?' 'No; but let the matter pass, dear. No doubt I was mistaken. It is worrying you

more than I could have magined. Rella fooked at her friend for some moments, in a strange way; then, giving a Bella grew in his eyes more attractive, low, suppressed, wailing cry, beat for more charming, more lovable every day. ward and laid her tace upon her bosom, And she thus saved him, in his younger, sobbing and shuddering in such wild ture and less stable years, from being drawn bulance of feeling that her friend became aside from the right way, and both actually alarmed.

You have trighten me !' said the young | ness. wi'e, litting her head at last, as the ex-citement died sway. Ah. Mary, if I should tose my hasband's love it would as ever were caught, but the t ouble is to I hook them.

'Then, Bella,' answered her friend, 'see The New Departure at Bebee's Corner.

required for keeping it. It you would Bright and early yesterday morning a continue to be loved, you must not grow blunt spoken, hearty-looking first citizen unloyels. The charms that won your of Bebee's Corners made his appearance husband must not be folded up and kept on Griswold street to look out some lawfor boliday occasions and then put on for yer who would deliver the Fourth of July other eyes than him. You must keep oration at the Corners. He was on busi them over displayed before him; nay, pat ness and no fooling. He had been on new attractions. Is not the husband deputized by his follow-citizens to make even dearer than the lover, and his heart all oratorical arrangements, and he had better worth the holding I Look back, desided ideas as to the nort of address Contains all the Decisions of the Supreme my dear friend, over the brief moons that wanted. He was put in communication have wared and waned since you were a with a young attorney who had an adbride. Put yourself on trial and take impartial testimony. How has it been ! Has out for such an occasion. After a few your temper been as sweet as when you preliminary remarks the delegate began 'Does your ad trees refer to the struggles 'Oh, yes; I have seventeen distinct

"Resock 'em right out then; cruss out dressed for his coming then? As a wife, every one of them! Every fool in the are you as lovable as when you were a country knows that our forefathers had to struggle. Of course they did; it was their feed on air and change in every line of business to. They have had all the praise

> 'Well, I suppose I can leave out our torsfathers, humbly replied the orator. 'Very well. Now, what have you your address in regard to General Wash-

orfi ty times. Washington was a great mar ington was a great and good man-Bebee's Corners is as loyal as any town in America, but we've had Washington till we can't real.

and the other continued : After the friends said good-afternoon the Declaration of Independence?" 'Yes, I never heard of a Fourth of July

oration with that left out." Then you are going to learn something new. Bebee's Corners would how! all day over the sight of an American flag if there was any call for it, but we're going to take

marks on the Pilgrim Fathers." Then knock the Pilgrim Pathers higherthan a kite before you forget it. We've been Polyrim Fathered to death in this
