STRENGTH

to vigorously push a business, strength to study a profession, strength to regulate a household, strength to do a day's labor without physical pain. All this represents what is wanted, in the often heard expression, "Oh I I wish I had the strength!" If you are broken down, have not energy, or feel as if life was hardly worth living, you can be relieved and restored to robust health and strength by taking BROWN'S IRON BIT-TERS, which is a true tonic-a medicine universally recommended for all wasting diseases.

> 501 N. Frement St., Baltimore During the war I was injured in the stomach by a piece of a shell, and have suffered from it ever since. About four years ago it brought on paraly-sis, which kept me in hed six months, and the best doctors in the city said I could not live, I suffered fearfully from indigestion, and for over two years could not cat solid food and for a large portion of the time was unable to retain even Bouid nourishment. I tried Brown's Iron litters and now after taking two bottles I am able to get up and go around and am rapidly improving. G. DECKER.

BROWN'S IRON BITTERS is a complete and sure remedy for Indigestion, Dyspepsia, Malaria, Weakness and all diseases requiring a true, reliable, non-alcoholic tonic. It enriches the blood, gives new life to the muscles and tone to the nerves.

ere left Saturday for Henderson. Dr. M. T. Savage of this county pass of through fur aday. He was going to Lexington to altend a meeting of the Presbytery.

RELATION -- The protracted meeting at the Bap fit church still continues with increased interest. The congregations are large and there are many who show much concern about their spirit that meltions. Rev. Mr. Cunlingtin has been conducting ;

protracted meeting at Hallfax during this wiek and it will probably continue next week. The rite of haption was administered to an 1 faint in this place on last summy by Rev. Dr. 5-151121

Not HALF IS STER BELS TOLD. - The duties of the gennine ayed in the wool, simon-pare editor are multifarious and multitudinous. His work is not only to "do a little wriths", " as is sometimes supposed, but to cull, to glean, to selce:, to discriminate, to decide, to foresce, to observe, to grasp, to explain, to elucidate, to Faffate, to boil down, "to be, to do and to suf-far," and several hundred other verba, with a I rge number of districts yet to hear from.

WELL CAVED IN .- Dave Powell, a colored man, was digging a well for Mr. F. J. Check on Monday. When he had gotten shout and adds : "There is no reason why the South eighteen fest in the ground, the well began to should not manufacture every pound of her cave and buried him up to his waist. He cotton int+cloth, or why her inexhaustible could not get out and fearing the caving coal and iron mines more patent than to patent to all, but to none more patent than to the month of the new South." Would continue wis housd far and near. As-sistance which wis housd far and near. As-sistance soon arrived and he was dragged out much frightened, but none the worse for his would continue set up a lasty shoul for an-

ence is made to it in the piece. We would like to know who received the medial and what has become of it.

The lives were given to us by the Rev. A. S. Taylor who attempted to rob him some day. the press association passed through here Smith, D. D., who was himself in Norfoly duearly Mamlay morning on their annual excur- ring the time and had the fever. He gave us They will go to the dataries and then a very graphic discription of the scenes that the decrased. We are not informed of the cirusk place. Here is the place which itself, shows what improvements have been made and

the changes that have taken place, here since 1855. During the recent smallpox epidemic court
