VOL. XI

WELDON, N. C., THURSDAY, NOVEMBER 2, 1882.

NO. 35.

ADVERTISEMENTS

DARBY'S PROPHYLACTIC FLUID.

A Household Article for Universal Family Use.

For Scarlet and Typhoid Fevers, Malaria, Hydrocephalus, Salt-Scarf, Ulcerated Skin, Thrush, Small Pox, Measles, and all Contagious Diseases. Practitioners and Physicians have known it to speak where the Fluid was applied. Dr. Peleg has been using it for over thirty years.

Feverish, Itch, and Skin Diseases are prevalent, and the cure is sure. This is a safe, simple, and effective Remedy.

Contagion does not spread For Children, Patients, Children, etc., Infants, and White Complications removed by Dr. Peleg. His practice is now in Philadelphia.
