## METHODIST CENTENNIAL THE OLDEST CITIZEN.

THIS YEAR TO WITNESS THE CEN-TENARY OF AMERICAN METH-ODISM.

HOW THE M. E. CHERCH. SOUTH, PRO POSE TO CELEBRATE THE GREAT EVENT.

This year, 1884, is a great and notable one in the annals of American Methodism. It will witness the celebration of the one hundredth anniversary of the Methodist "She is not your wife. Your own Episcopal Church on this continent, and is crimes have released her from any allegi- certain to prove a year of unusual activity and profound interest throughout the wide-extended borders of that powerful denomination of Christians. The grand and beg of you to let her still believe you historic facts relating to the beneficent character and wonderful achievements of Christianity through the organized plans "Searcely that, Such wounds as hers and the doctrines of Methodism during its pathway through this century of its existence in America, are truly blienome nal, as acknowledged by the world's leading minds, and is one of the grandest problems of the ages. With more communicants than any other religious body in America, it is a matter of interest to briefly review some of the facts of gearral interest connected with the history of the Methodist Church. Beginning in ob-scurity and feebleness, it has achieved for in moody silence; evidently reluctant to itself everywhere a most wonderful success. This great religious movement has, immediately or remotely, so given an im-"You have been very good to me. Tell pulse to Christian feeling and profession, me, now, if you have any personal reason on all sides, that it has come to present it In 1784, the year when the Method's

sionaries, and no institutation of learning But from that time until the present the growth of Methodism has been almost incalculable. This result was achieved by men who can well be denominated heroes Church's founder - The World is my State and territory of our great country, preaching the gospel with power and in demonstration of the Spirit—building up the Church. The entire singleness of 839 traveling preachers, and 34,714 local lie as elert's. Fred is certainly very near preachers, 32,000 church edifices valued at \$100,000,000, 258 institutions of learn ing embracing universities, colleges, semimissionaries in foreign fields sent from

An Arkansas editor, upon reading from century. She was nine years old when any reprot. We are glad to go. We have consequently we are glad to throw up the journalistic sponge. It is the custom for She was born a subject of George III., editors to say that they part from their A Hon Strony - A hog belonging to a

negro in Rockdale county got out of its pasture and crept into a white man's field Under the stock law the owner of the stock had to pay for damage; so the white man charged the negro 82 damages, which was the value of the hog. The negro told the white man to take the hog; but the next night the animal got out of the white man's pen and crept into the negro's field. The negro drove him out and took him home, then sent for the white man and charged him \$2 for damages. The white man refused to pay it, and the hog is now the property of the negro. The hog has and advertising the same at my own expense, un-

"Look before you Leap," is the name of a leap year society of old maids, and the members go around with field-glasses in sings and plays the piano by ear. Yes, and hanged if he don't spell by ear, too.
