THE CHEAPEST THING OUT!

EVERYBODY CAN READ!

—THE—

THE - ROANOKE - NEWS

\$1.50. ONE YEAR FOR \$1.50.

The Roanoke News will be sent for \$1.50

TO ANY ADDRESS,

As this is the lowest price a newspaper was ever offered in Eastern Carolina, subscriptions must be paid

IN ADVANCE.

Why should we do this? Because we want to extend the circulation, well-knowing, that after one has read it awhile he or she will be a regular subscriber during the remainder of their natural lives, and for the further reasons that this is to be an interesting year for politics, and money is scarce.

The paper will give County, State and general news, suitable for politicians, Alliance men, Religious people, farmers and every other kind of people whatever their tastes. Nor will the ladies be forgotten, but can find something in its columns to please.

THE ROANOKE NEWS,

While doing all this and a good deal more to supply interesting reading to its patrons will continue to be what it has always striven to be—a clean, straight-cut, unprejudiced family journal, which the most fastidious tastes and the most cultured minds can endorse, and the most careful parents introduce into their families.

WELDON HAS A Great Future before it and it is not far off. **THE ROANOKE NEWS** will keep the world informed of its progress, and those looking for Good Investments, Favorable business opportunities, Good Wages should subscribe at once and take advantage of the information it will contain.

We have the greatest Water Power in the South and its development, now in rapid progress, will make this entire community a great hive of working human beings gathering money from everywhere and bringing it here where it will be in reach of all who deserve it.
