

THE ROANOKE NEWS.

THURSDAY DECEMBER 3, 1891.

"I bought a new dress to-day," observed Mrs. Jones to her husband, as they sat at supper. "It is a lovely piece of moire antique." "Marie," said Mr. Jones sternly, "I thought I told you several times you need not buy any more on tick." Then they stared at each other in a wondering dazed way.

WITHOUT LIFE OR FIRE.

Mr. S. E. Carmichael a prominent citizen of Henrietta, Texas, writes: "I wish to tell you what Swift's Specific has done for my wife. Several years ago there appeared a splotch on the corner of her nose which gradually increased in size and became quite painful; on washing her face it would frequently bleed. The doctors called it cancer, and advised that it be removed by the knife or burning, stating that it would never do to neglect it. My wife refused to have it cut or burned, but at the same time it continued to grow worse. After a time she commenced taking S. S. S., which effected an entire cure. She used a half dozen small sized bottles. We both think there is no medicine in the world that will equal Swift's Specific and we would like for all sufferers to know the benefit she has received from it."

S. S. S. cures blood diseases of this character by forcing out the poisonous germs and the poison also. Our treatise on the blood and skin will be mailed free to all applicants.

THE SWIFT SPECIFIC CO.,  
Atlanta, Ga.

"Did you go to the seashore resort this summer?" "No, we really could not afford it this season. We bought an English lord for Fanny, and, as we have several younger daughters rapidly approaching a marriageable age, we felt compelled to economize. These lords come high, but the girls will have 'em."

Office of S. Cherry, 51 Drayton street, Savannah, Ga., December 16, '91  
Messrs. Lippman Bros., Savannah, Ga.:

Dear Sirs—I would like to add my testimony to the almost miraculous effect of P. P. P. in the case of Mary Ingraham, a woman living on my place; she had a constant cough, sore throat, debility, etc., and was emaciated to a degree that she was unable to get out unaided, being given up by physicians; she had taken the ruinous so-called Blood Medicines without the effect, until being put under the P. P. P., she immediately began to improve and is now in as good health as ever in her life. You can refer to me at any time as to the effects of P. P. P., in the foregoing case.

Yours truly, Samuel Cherry.

A MARSHAL SAVED LIFE AND HAIR.

Monticello, Fla., Jan. 21, 1890.  
For the last eight years I have been in bad health, suffering with Malaria, Rheumatism, Dyspepsia, Dropsy. My digestion was bad, and my hair all came out in fact I was nearly a wreck. I had taken kidney and blood medicines, which did me no good. When I began taking P. P. P., about three months ago, I was as weak as a child. I have only taken four bottles, small size, and to-day I am a well man and my hair has "come again." I cannot recommend P. P. P. too highly.

Husband (at half past one o'clock a. m.)—"Don't say a word? I know it's awful late, but I've had a hard tug of it." Wife—"Yes, you look as if you'd had a hard tug of it. How many schooners did you tow in to-night?"

CONSUMPTION CURED.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper.—W. A. Noyes, 820 Powers' Block, Rochester, N. Y. apr 30 1y.

MEN are most likely to rave about a woman's hair when it is found in the butter.

"At last, I can eat a good square meal without its distressing me!" was the grateful exclamation of one whose appetite had been restored by the use of Ayer's Sarsaparilla, after years of dyspeptic misery. A teaspoonful of this extract before each meal sharpens the appetite.

LIQUID ENAMEL PAINT.

HAS BEEN IN THE MARKET 22 YEARS. MIXED READY FOR USE. ANY ONE CAN APPLY IT. Wilson, N. C., Sept. 8, 1876.

Mr. C. P. Knight, Baltimore, Md.:

Dear Sir—In reply to your letter as to the merits of the Liquid Enamel Paint, it affords me pleasure to say it has given entire satisfaction, so much so it has converted the painter that applied it. In fact the opposition to it was so intense when I was about to buy, I should have likely bought lead and oil had I not have known you so many years and having great confidence in your integrity. Yours truly, R. R. COTTEN.

Mr. C. P. Knight, Sole Agent, N. J. E. Paint Co., Baltimore:

Dear Sir—In January 1878, our store was painted with the Liquid Enamel Paint made by the New Jersey Enamel Paint Company. We used tins that generally show the effects of exposure, but the paint has retained its color, gloss and freshness. We shall take pleasure in using it in the future. Yours truly, ARMSTRONG, CATOR & CO. Chapel Hill, N. C., Jan. 9, 1884.

Mr. C. P. Knight, Baltimore:

Dear Sir—I take pleasure in stating that I have used, with much satisfaction, your Liquid Enamel Paint on our dwelling house in this town, and can confidently recommend it to all who would like to use a beautiful and durable paint for any purpose. Very respectfully, E. B. MARTIN.
