**FIFTY DOLLARS IN CASH**

Given as prizes for subscriptions to the ROANOKE NEWS. A first PRIZE of \$30.00, a second PRIZE of \$20.00. You cannot lose anything. You are bound to make something. You may get one of the above prizes in addition.

**READ THIS PROPOSITION:**

To the person securing the largest number of annual subscriptions to the Roanoke News by the first day of June we will give a prize of **THIRTY DOLLARS** in cash.

To the person securing the next largest number we will give a prize of **TWENTY DOLLARS**.

Subscriptions for less than a year will also be taken. Subscriptions for six months counting as half and for three months as one-fourth in estimating the number of annual subscriptions. In order to save ourselves from entire loss we require that the person who wins the first prize must secure not less than thirty and the person securing the second prize not less than twenty annual subscriptions.

But in order that those who accept this offer and fail to secure one of the prizes may be paid for their time and trouble will pay them a commission of twenty-five per cent.--one-fourth--of all subscription money they may secure.

**ALL SUBSCRIPTIONS ARE CASH IN ADVANCE**, and the money must accompany orders for the paper. Any commissions due competitors will be remitted on June 2nd.

Persons who accept this proposition can send the names of subscribers each week as they are secured, and a record of them will be kept.

Only new subscriptions are included in this proposition. Further information concerning this plan will be sent on application, if desired. Address:

**TEACH \$3000 A YEAR**

Have you written me yet? If you haven't, wisdom and intelligent business suggest you write today. I promise you my special, personal attention. I undertake to bring you such a large number of subscribers that you can read and write, and when after instruction, I will work industriously, how to earn three thousand dollars a year in this one year in this one business, wherever you live. I will also furnish the material of employment, at which you can make that amount. I charge nothing and receive nothing unless you are successful, as above. Nothing difficult to learn, or that requires much time. I desire but one person from each district or county. I have already secured a large number who are making over three thousand dollars a year, each. All is new, solid, sure. Full particulars free. After you know all, if you conclude to go as far, why, so have to do. Address, E. C. ALLEN, Box 470, Augusta, Maine.
