### DYSPEPSIA

Is that misery experienced when suddenly made aware that you possess a diabolical arrangement called stomach. No two dyspepsias have the same predominant symptoms, but whatever form dyspepsia takes

The underlying cause is in the LIVER,

and one thing is certain no one will remain a dyspeptic who will

It will correct Acidity of the Stomach, Expel foul gases, Alleviate Irritation, Assist Digestion and at the same time

Start the Liver working and all bodily ailments will disappear.

"For more than three years I suffered with Dyspepsia in its worst form. I tried several doctors, but they afforded no relief. At last I tried Dr. Williams' Pink Pills, which cured me in a short time. It is a good medicine. I would not be without it."—JAMES A. ROANE, Philad'a, Pa.

### SALE OF 7,000 ACRES OF VALUABLE LAND.

By virtue of a decree of the Superior court of Warren county, rendered on the 11th day of May, 1892, in the case entitled W. W. Long vs The British and American Mortgage Company (Limited) I will sell at Public Auction at the court house door in Warrenton, on Monday, the 19th day of September, 1892, all that tract of land lying in Warren and Halifax counties which was owned and occupied by Samuel A. Williams, deceased, at the time of his death and which has been owned and occupied by W. W. Long since the death of said Williams.

Said tract of land adjoins the lands of Henry Waller and G. Branch Alston on the North; John Neal, Dudley Neal, Transberry Neal, and Lafayette Williams on the west; W. H. Shearin, W. G. Shearin, Mrs. Renna T. Alston and S. W. Hamlet on the South, and Big Fishing Creek and the lands of T. C. Williams on the east, and contains 7,000 acres, more or less.

The terms of sale will be one-fourth cash and balance in one and two years, title retained until purchase money is paid in full.

This tract will be sub-divided into smaller ones, which will be described and shown by plots at the sale, and each smaller tract sold separately, so that purchasers may buy in such quantities as they wish.

I will also sell at the same time and place and upon the same terms, that tract of land which was conveyed to Samuel A. Williams by Thomas W. Harris known as "High Point," containing 502 acres, less that portion thereof which W. W. Long has conveyed to Robert Thorne and others, being about 150 acres, more or less.

This is a fine opportunity to buy excellent farming lands in one of the healthiest sections of North Carolina.

E. L. TRAVIS, Commissioner. Halifax, N. C., August 16, 1892. 8-18-td.

Section 2576 of the public school law provides that before entering upon the duties of their office the school committees shall take an oath for the faithful discharge of the duties of their office. In all matters pertaining to the execution of the school, all the members of the County Board of Education and the County Superintendent are authorized to administer oaths, but neither they nor Justices of the Peace shall be entitled to any fee for such service.

Section 2577 provides that the school committee of each school district within fifteen days after their election or appointment, shall meet at some convenient point within the school district and organize by electing one of their number chairman and another of their number clerk of the school committee, and the said clerk shall keep a record of the proceedings of said committee in a book provided for that purpose. This record book is not furnished by the State Superintendent, but may be bought by the committee.

Section 2578 provides that the school committee of each school district shall be a body corporate by the name and style of "The School Committee of District— in the county of—" and by that name shall be capable of purchasing and holding real and personal estate, and of selling and transferring the same for school purposes, and of prosecuting and defending suit for or against the corporation. All conveyances to school committees shall be to them and their successors in office.

THE TRUEREAXATIVE PRINCIPLE

Of the plants used in manufacturing the pleasant remedy, Syrup of Figs, has a permanently beneficial effect on the human system, while the cheap vegetable extracts and mineral solutions, usually sold as medicines, are permanently injurious. Being well informed, you will use the true remedy only. Manufactured by the California Fig Syrup Co.

## A FALSE REPORT.

MR. EDITOR.—I have learned from Sheriff Alsbrook that some one has written a letter to him from Brinkleyville township stating that I had received \$1,000 for allowing the escape of the prisoners John Aaron and Geo Harper from the county jail. I take this method to denounce the slanderer whoever he may be as an infamous liar, scoundrel and coward. No one who is not all these would write an anonymous letter to the injury of another; that he is a liar is proved by my prompt and successful efforts for their recapture; that he is a scoundrel is proved by his attempt to injure me, and that he is a coward is proved by his attempting to stab me in the dark, by writing a damaging letter without placing his name to it. If he is not the latter he will declare his name.

Respectfully, &c., R. G. REID. September 12, 1892.

## ENFIELD.

MR. N. A. Rouse, of Lenoir, Presidential elector for this district, who was present at the Cleveland and Carr club meeting last Friday, made a nice speech to the club of about an hour's duration. He again spoke on Saturday. He made quite a sensible, practical speech, reviewing briefly the personal qualifications of the leading Democratic candidates, National and State.

I hear much praise of the speech delivered here last Saturday by the Hon. W. H. Kitchin. Such speeches as these will add much strength to the Democratic cause. I am very sorry I could not be there to hear him.

Our street commissioner is putting in much good work on our streets, and when he gets through they will be in first class condition.

Miss Maggie Bobbitt, of Littleton, is here visiting Mrs. J. K. Heptinstall. Mr. Geo. Heptinstall, a very popular young man, left last Thursday for Washington, N. C., to take a position as salesman with Messrs. Ayers & Co.

Mr. David Clark returned last Friday from Poughkeepsie where he has been studying short hand.

I heard Mr. W. C. Thorne tell a white Republican that he'll have the Republican party straighter than our flag poles before the election, and the pole is said to be so straight that a blue bird cannot sit on the top of it without being lashed.

Some one tells a good one on my telegraph operator, the champion ice cream eater in eastern North Carolina: He received the following message the other morning at about 8 o'clock, "Christ. (Abbreviation of Christian) died at eleven o'clock last night." He rushed to the boss. What shall I do with this? he asked. (Boss reads the dispatch) "why, that infernal idiot at the New York office has been holding this back for nearly nineteen hundred years." M.

## PANACEA SPRINGS.

An old friend remarked to me yesterday that I had been in "hockidy" for the last two weeks. Yes, if you mean staying here taking care of home and the baby, then indeed, I have been in "hockidy"—but I took one day's "outing" at Littleton; and will tell you some of the things I saw and heard.

I saw one of Weldon's pretty young ladies as she alighted from the cars and tripped up to the Bon Air. She was beautiful indeed.

I heard a first rate speech from Mr. Douglas, of Moore county. Mr. Leach also gave us an excellent talk. Col. W. W. Long was expected but did not come. He and Capt. Leach are pretty much on the go all the time exerting themselves to "save the nation."

And why will the People's party persist in trying to destroy their old friends, the Democratic party, with whom they worked so hard for the last twenty-five years to build up, and which has given us such good State and county governments. Don't annex yourselves to the Republican party. They laugh in their sleeves at you and call you "Southern Mug wumps" and "Simon Thorne's." Turn the old black radical bulls' tail loose or he will drag you deeper in the mire, and return to your allegiance and your friends.

The farmers have finished saving fodder, about done curing tobacco and will soon commence picking out cotton as it is opening very fast. A very fair crop of corn has been made in this section and a good sprinkle of sugar cane was planted and it looks well. If prices were only better we would be much happier.

The health of the country is good. There are ten or twelve boarders at the hotel now. I called to see our friend B. B. Pullen, who is quite sick with fever. I understand he is better to-day.

## RINGWOOD.

On Wednesday, September 7th, Hon. W. H. Kitchin, F. A. Woodard, W. H. Day and F. H. Taylor and Dr. G. E. Matthews made things lively at Brinkleyville. There was good sound Democracy. Our people are highly pleased with Mr. Woodard (our next Congressman). Dr. Matthews introduced him in a bright little speech which was full of Democracy. Capt. Day made a fine impression. His remarks on the Third party leaders were good. Mr. Bowers was "pulled." Even his own kinsman enjoyed the speech of Capt. Kitchin. There are many "once thought" Third partyites coming into line, and think before the 8th of November you can count them on your fingers—those that are left to advocate the downfall of Democracy. Mr. Kitchin's speech was good. The negroes spoke highly of it. Hurrah for "Buck Kitchin."

Our club now has ninety-six members. We will meet at Brinkleyville next Saturday at 2 P. M., at which time Dr. G. E. Matthews and others will give us some sound Democracy. Come out, gentlemen, and hear us.

Cotton picking is now in full blast, but prices are low. W.

## AFRAID OF THE TRUTH.

WEAVER'S RECORD FOR CRUELTY CONFIRMED.

Atlanta Journal.

The letter which the Journal printed a few days ago from Mrs. Annie E. Hall, of Tallapoosa, giving an account of the brutality of J. B. Weaver, at Pulaski, Tenn., when he was in command there, has been very widely copied. It is the testimony of a lady who lived at Pulaski when its people had the misfortune to fall into the hands of Weaver. Though she was only a girl then Weaver's cruelty to her relatives and friends made a lasting impression on her mind. The reproduction in North Carolina of her letter to the Journal has evoked the following correspondence:

MT. OLIVE, N. C., Sept. 1, 1892.

Mrs. Annie E. Hall, Tallapoosa, Ga.

DEAR MADAM:—I see in the Raleigh Chronicle a letter taken from the Atlanta Journal signed Mrs. Annie E. Hall. The third party and also the Republicans pretend to believe that there is no such person and that the letter is a lie gotten up by the editor for capital only. If you receive this letter please answer at once and state whether or not you wrote the letter in question.

Very respectfully, JAMES R. HATCH.

To this letter Mr. L. C. Hall, the husband of Mrs. Annie E. Hall, has replied as follows:

TALLIPOOSA, GA., Sept. 3, 1892.

Mr. James B. Hatch, Mt. Olive, N. C.

DEAR SIR:—Replying to yours of the 1st addressed to Mrs. Annie E. Hall, (my wife), I will say that she wrote the letter referred to by you, and will add, by her request, that the "half has not been told" in reference to the infamous doings of General Weaver while in Pulaski, Tenn. The English language is insufficient to express the feelings of one who has passed through such an ordeal. You can say to the third party brethren that my wife's testimony is not a "drop in the bucket" of what can be proved by living witnesses now in Pulaski. We do not wish any notoriety, but when such a feud as Weaver proposes to come south and ask our people to support him we must speak, and every charge is from personal knowledge only.

Respectfully yours, etc., L. C. HALL.

The letter of Mr. Hatch shows that the third party is beginning to realize what a load it has to carry in Weaver. Its campaigners are evidently denying out and out that Weaver committed the atrocities which are charged against him. But they can't get away from the facts. There are many living witnesses to the truth of all that has been alleged concerning Weaver's conduct at Pulaski. The Journal has taken an interest in arriving at the facts in this case and is gratified to know it has aided the public in arriving at a true estimate of the third party candidate for president.

### Rose Tobacco Cure!

A QUICK and ABSOLUTE CURE for the TOBACCO HABIT!

Next to the whiskey traffic, it is the most expensive and loathsome habit of the American people. The annual cost runs up into millions. The average tobacco user pays to gratify this unnatural appetite from five to ten times more than he gives to support the Church. Shame on us. This Cure has not yet failed where the party was in earnest about quitting and followed directions. Thousands have been cured of chewing, smoking and dipping. Here are samples of certificates:

BIRMINGHAM, ALA., March 16, 1892. Messrs. Brazeal & Co.:

GENTLEMEN—I used tobacco for nineteen years, and finding it injurious, decided to quit it. About seven months ago, with the Rose Tobacco and Snuff Cure, I quit it, and now find my health greatly improved, and that I have gained 30 pounds in weight. A. T. BAKER.

MESSRS. BRAZEAL & CO.:

Dear Sirs—The tobacco tablet bought of you December 30, 1891, has given perfect satisfaction. It has cured two persons of the tobacco habit—myself and another. I smoked cigarettes for four years, and had been chewing fourteen years. Since the use of the tablet I have no desire whatever either for smoking or chewing. It did the work in four days. Yours truly, E. T. ODOM, Gadsden, Ala.

ROCKY FORD, GA., Jan. 12, 1892. Messrs. Brazeal & Co., Birmingham, Ala.

DEAR SIRS—I have used one of the tablets for cigarettes, and it has cured me. Enclosed find \$10. Please send me amount in tablets. Will take agency or territory. Give me full particulars. Refer to any business house of this town. Yours truly, G. R. HEAD.

Mrs. J. F. Judd, of Fayette C. H., Ala., writes:

"I received my box of Snuff Cure and am delighted with it. There is no doubt of its curing any one who will give it a fair and honest trial and really has the desire to cease using the weed, and exercise this willing desire. I think I can sell many boxes for you. I do want to help those who want to help themselves."

PRICE PER TABLET, TOBACCO CURE, \$1.00. BOX, SNUFF CURE, 1.00.
