right relation to the poor and needy: The first of all the commandments is, Hear, O Israel, the Lord our God is one And thou shalt love the Lord thy God with all thy heart, and with all thy mind, and with all thy strength; this is the first commandment. And the second is like, namely this: Thou shalt ve thy neighbor as thyself. There is none other commandment greater than

Therefore all things whatsoever ye would that men should do to you, ye even so to them; for this is the law and the prophets.

A new commandment I give unto you That ye love one another; as I have loved you, that ye also love one another.

By this shall all men know that ye are my disciples, if ye love one another. Greater love bath no man than this that a man lay down his life for his friends.

Ye have heard that it bath been said: Thou shall love thy neighbor and hate thine enemy. But I say unto you. Love your enemies, bless them that curse you, do goed to them that hate you, and pray for them which despitefully use you and persecute you; that ye may be the children of your Father which is in Heaven; for he maketh the sun to rise on the evil and on the good, and sendeth rain on the just and injust.

If ye love them which love you, what

thank have ye? for sinners also love them. And if ye do good to them which do good to you, what thank have ye? for o do even the same. And if ye lend to them of whom ye hope to receive, what thank have ye? for sinners also lend to sinners, to receive as much again. But love ye your enomics, and do good, and lend, hoping for nothing again; and your reward shall be great, and ye shall be the children of the Highest; for He is kind unto the unthankful, and to the evil.

It is more blessed to give than to re-Give, and it shall be given unto good measure, pressed down, and shaken together, and running over, shall men give unto your besom. For with the same measure that ye mete withal, it shall be measured to you again. Give to him that asketh thee, and

HIS DREAM CAME TRUE.

REMARKABLE FULFILLMENT OF THE WONDERFUL DREAM OF MR. DAVID BASS, OF UNION COUNTY.

We have just learned the particulars of the partial fulfillment of a remarkable dream recently had by Mr. David Bass, who lives near Beaver Dam, Union county Mr. Bass is about 75 years old and has been almost entirely hald for over 20 years Indeed, we are told that his pate was as slick and shiny as a newly scrubbed tin bucket. Some time ago he dreamed that he would live to be 106 years old, and that before he died his head would be covered with an ample growth of new and beautiful hair. The dream was so vivid that Mr Bass awoke cher who gets the biggest from his sleep greatly impressed, fully beliving that the vision would prove a true one. So great was his faith in the dream that he at once began to examine people, don't insist that it shall be his head for the appearance of a new growth of hair and most wonderful to

relate, it was only a few days until his anxious search was rewarded by the appearance of a soft for all over the bald part of his cranium, and now we are assured that his head is almost entirely

covered with a lux miant growth of hair, and we are told, the hair is still growing. We get the above facts from a reliable ource and have no doubt of their PAIN HORROR AND RISK TO LIFE

It is needless to say that Mr. Buss has no idea of passing in his checks until he has lived out his allotted 106
