A woman is only really graceful when she is at rest, rolling a carriage or sitting in a drawing room or else dancing, when she has the genius for it -London Graphic.

AN UNDERGROUND CITY.

THE BOWELS OF THE EARTH.

The Russians have made a singular discovery in Central Asia. In Turkes tan, on the right bank of the Amou Daria, is a chain of rocky hills near the Bokharan town of Karki, and a number city, built apparently long before the Christian era. In Popular Science News we find the following description of this singularly city:

According to effigies, inscriptions and unearthed from among the ruins, the two centuries before the birth of Christ. The underground Bokharan city is a

little over a mile long, and is composed of an enormous labyrinth of corridors, streets and squares, surrounded by houses and a failure. In no way will a man and other buildings two or three stories disclose high character more effectually high. The edifices contain all kinds of than by thorough trustworthiness in th domestic utensils, pots, uras, vases and management of the funds confided to his the like. In some of the streets falls of care either by God or his fellow men.

his head.

It is supposed that long centuries ago year if it be but a dollar. If you canno this city, so carefully concealed in the increase your means, then diminish your bowels of the earth, provided an entire wants" He who adheres to these rule population with a refuge from the will inevitably acquire a competence, will incursions of nomadic savages and rob- taste joys of financial independence
