

WHEN THE WORLD WILL BE FULL.

When will the earth have all the people upon it that it will accommodate? Well, according to Mr. Huxtable, a well known statistician, who has estimated the matter, whereas the total population of the earth is now a little less than one billion five hundred millions, there is room on the earth for nearly six billions of inhabitants.

That is to say when the space on the earth available for the support of human beings is fully occupied, it will be found capable of maintaining an average of two billions more of people than it now contains or four times as many people as there are now on the world.

REASON WHY

Chamberlain's Colic, Cholera and Diarrhoea Remedy is the Best.

- 1. Because it affords almost instant relief in case of pain in the stomach, colic and cholera morbus.
2. Because it is the only remedy that never fails in the most severe cases of dysentery and diarrhoea.
3. Because it is the only remedy that will cure chronic diarrhoea.
4. Because it is the only remedy that will prevent bilious colic.
5. Because it is the only remedy that will cure epidemic diarrhoea.
6. Because it is the only remedy that can always be depended upon in cases of cholera infantum.
7. Because it is the most prompt and most reliable medicine in use for bowel complaints.

"What is his reputation for veracity?"
"Very good; he hasn't seen a single flying machine this year!"

"I wish I was a sunambulist, and a speculative tramp."
"Why?"
"Because I end save trouble by walking in no sleep."

An Attraction. Johnny—Mamma, I wish our family belonged to the Salvo's Army. Mamma—Why? Johnny—Because, if we did, I could hear the drum when I go to Sunday school.
