LEE LITERARY SOCIETY.—The election of officers of the Lee Literary Society, Friday evening, March 11, resulted as follows: President—Charles R. Daniel. Vice-President—Harry Pope. Secretary—Pierce Johnson. Treasurer—James Shepherd. Sergeant-at-Arms—Camm Tighman. Critic—Wm. T. Shaw, Jr.

ADVERTISED LETTERS.—The following is a list of letters remaining "uncalled for" in the Weldon post-office:

Miss Jain Binum, Ellis Hamil, Jas. Ribel, Miss Anna Somelis.

Persons calling for above letters will please say "advertised," giving date of advertising.

JOHN O. BURTON, P. M., Weldon, N. C. March 14, 1910.

STORE IMPROVEMENT.—Under the direction of Miss Annie Medlin and Miss Lambert Mrs. P. A. Lewis' store has recently been greatly improved and beautified.

Painters have been at work on the building and a fresh coat of paint has been put on the inside and the front, adding much to its attractiveness. The new millinery is also arriving and these young ladies are preparing for a splendid opening March 23rd and 24th.

SUICIDE OF A. P. BRANCH.—Mr. A. P. Branch, of Wilson, a son of the late A. Branch, committed suicide at Wilson Monday by blowing his brains out with a shot gun. His father formerly lived at Enfield and was a brother of the late E. T. Branch, of that place.

Some years ago Mr. A. P. Branch was set upon by thugs and badly beaten and the friends of the deceased are of the opinion that his mind has been unbalanced since that time.

A DARK DAY.—Clouds of double thickness overcast the sky last Thursday and the light of day was nearly blotted out, shortly after two o'clock. The superstitious believed that we had run right into Halley's comet and that the day of judgment was at hand. The told-st people living in Weldon don't recall as dark a day before.

In the stores and offices lamps were lighted and it appeared as if night had suddenly settled upon the earth. The clouds soon passed from west to east and the light returned almost as suddenly as it had been blotted out.

BOX AND COX ON EASTER MONDAY EVENING.—Every one wishes to assemble in some way on Easter Monday, to talk spring affairs, display their own new creations and see what their friends have, and to this end there is a treat in store for all who enjoy a good play by competent Weldon talent. "Box and Cox" will arrive in town for Easter and will be pleased to see their friends at the School Auditorium Monday evening, March 28 at 8 o'clock. This is a breezy, spicy little comedy and after seeing the cast of characters, which appear in next week's NEWS, everybody will be convinced that it will be well done and will deserve a full house. The proceeds will go for school purposes and admission will be 25 cents. Come out and enjoy the evening and give Box and Cox a royal welcome.

MR. AND MRS. PHILLIPS WILL SAIL FOR EUROPE.—The following from the social and personal columns of the Times-Dispatch, of the 10th, will be read with much interest by Halifax county friends.

Mrs. Phillips formerly being Miss Maude Gregory, of Halifax:

"Mr. and Mrs. Louis Phillips, of Newport News, have gone to Maryland, where Mr. Phillips will take the rest cure at a private sanatorium. Later they will leave for Europe to spend about a year traveling on the continent."

SPRING FISHERMEN.—The spring fever usually strikes us just about time for the dogwood to bloom, and then we begin to think of spring fishing. The Charlotte Observer noting the signs of the times, says: "This is the time of the year when fishermen begin to dream of their summer expeditions to the limpid streams or the ponds where they catch the wary trout or his more sluggish brothers. Spring weather brings back memories of the catches last year—the floating and the free-and-easy lunch after the catch. The man who hasn't the loafing fishermen's instinct in him and does not feel his nature stirred at the approach of spring is to be pined."

COURT NEXT MONDAY.—The March term of Halifax Superior Court will begin next Monday the 21st, with Judge George H. Ward, of Elizabeth City, presiding. Court will be held in the new court house and this fact alone will attract many visitors to Halifax Monday.

The most important case on the State docket is that of State vs. E. E. Powell, on a charge of murder.

The county commissioners will meet at Halifax today to receive the new court house at the hands of the contractors. It is a splendid building, a matter of county pride for every citizen in Halifax, and it has ample capacity for the seating of a very large crowd.

"THE VILLAGE TRAGEDY."—This is a poem by Miss Pattie Williams Gee, daughter of the late Dr. Charles J. Gee, of this place. Miss Gee has written several poems of marked merit. Her volume of verses entitled, "Palace of the Heart," made its appearance several years ago and received appreciative recognition in complimentary press notices North and South.

Miss Gee is a North Carolinian, a daughter of the grand old county of Halifax, where she still has numerous relatives and friends. She is ardently attached to her native State and her "Ode to Carolina," was extensively noticed and copied at the time it was published. Miss Gee makes her home at Hasbrouck Heights, N. J., and in loving memory of her old home on the Roanoke she has named her home in New Jersey, "Roanoke Cottage."

HALLEY'S COMET.—Look for Halley's comet. It is now coming with a great rush and may be seen with an ordinary field glass near the sunset line of the horizon. Soon it will be seen with the naked eye, and about May 18th, it will be at its greatest brilliancy. The latest predictions are that it will strike the earth about May 18th, yet this need not alarm any one. The only effect it will have will be to cause a meteoric display, perhaps, such as was seen in 1833. Comets may come and comets may go, but this old world will roll on snail. "Let not your hearts be troubled, for, I am with you, always, even until the end of the world," is the substance of what our Saviour said to his followers, and it is good scripture for us today.

WILL SPEAK AT HALIFAX.—W. L. Spoon, highway engineer of North Carolina, will speak at Halifax Monday the 21st, on the question of good roads. This is a matter of vital importance to every citizen of Halifax county and doubtless a large crowd will be in attendance. Monday will be the first day of Halifax Superior court and the assembling of the first session of court in the new court house. The subject of good roads is attracting attention all over the county. It is a matter of stupendous interest to the State, to every community and to those who shall come after us. The matter of getting a large crowd to hear Mr. Spoon Monday is being agitated by Frank Shields at Scotland Neck, Eugene Johnston, of Littleton, John L. Patterson, of Roanoke Rapids, Dr. A. S. Harrison, at Enfield, and W. E. Daniel and Geo. C. Green, of Weldon, and others of various places in the county. The people are deeply interested in this question and we trust that every one will talk the matter up. Tell your neighbors about the great meeting at Halifax Monday and be sure to attend yourself.

Agitate, agitate, agitate. That's the way to get good roads.

Foley's Kidney Remedy will cure any case of kidney or bladder trouble that is not beyond the reach of medicine. No medicine can do more.

BASKET BALL.—There will be a game of basket ball between Wilson and Weldon on Saturday, March 19, at 3 p. m. The line up is as follows:

WILSON: Wesley Farmer, Forward; Wm. Shaw, George Bell, Center; W. Taylor, Applewhite, Center; Daniel, Capt. William Farmer, Guard; Edge Henry Rogers, Jas. Shepherd.

Referee—T. B. Suiter. Admission—15c. for all.

A FABLE.—"You've got to advertise if you want people to know you're on earth," the Gorilla said. "It's the lion's roar that makes him the king of beasts. The person who makes a big noise gets the front." The rabbit pondered these words and was convinced. Some time later he rose on his hind legs in a thicker and screamed. A coyote, learning of the rabbit's whereabouts by his noise, hopped into him and ate him.

MORAL: If you haven't got the goods don't make any noise at all.

MARBLE BUST OF SENATOR RANSOM.—Judge R. W. Winston having reported to the North Carolina Historical Commission that he has raised sufficient funds with which to procure a marble bust of the late Senator Matthew W. Ransom and placed the amount at the disposal of the commission, that body has awarded a contract to F. W. Ruckstuhl, the distinguished sculptor of the bust of Governor William A. Graham recently placed in the rotunda of the State house. The artist has been asked to have the bust completed in time to have it unveiled in one of the niches of the State house rotunda during the session of the next Legislature.

TURN ABOUT IS FAIR PLAY.—Said a well known business man to us the other day: "It would not hurt you to occasionally mention our business in the paper. It would help to fill up, you know." Yes, we might do it. We haven't the least idea on earth that it would hurt us, and it would, as he suggests, help to fill up. We might do all this, but at the same time thank God, we do not have to do it, unless we feel like it. It would not hurt him, either, to come around and say: "Give me a column of space for an advertisement and here is the money for it." By doing this he would become a deserter to that grand army of dead-heads who expect this newspaper to continually note the improvements they make, by giving them free puffs, and for which they never pay a cent. It is high time for all classes to learn that a newspaper is a business enterprise, the same as a dry goods store or a grocery, run for a living for its owner."—Gaffney, (S. C.) Ledger.

WITH MRS. J. L. SHEPHERD.—The Book Club spent a very delightful afternoon with Mrs. J. L. Shepherd at her home in South Weldon Wednesday last. The hall, parlors, and dining room were all elaborately decorated in ferns, red carnations and shaded lights. Miss Ella Shepherd, of Richmond, assisted the hostess in receiving the guests. A very interesting paper "Glimpses into the Life and Works of James Whitcomb Riley," was read by Mrs. Wilkins. "A Hoosier's Romance," by Mrs. O. W. Pierce; and "Knee Deep in June," by Mrs. W. L. Scott. Miss Musgrove rendered a beautiful piano selection.

Ice cream in the form of Easter lilies was served with other dainties. Hand painted programs and carnations were given as favors.

The club members were all present, and responded to the roll call with familiar quotations from favorite poets.

Special guests for the afternoon were Misses Shepherd, of Richmond, and Annie Musgrove. Messdames Daniel and Allen.

THE IDEAL SUBSCRIBER.—If all subscribers would follow the example of this one the editor would always be happy and they would have a clear passport to better things. Try it.

"Good morning, sir, Mr. Editor, how are the folks today? I owe you another year's subscription, and I thought I'd come in and pay. And Jones is going to take it, and this is his money here. I shut down lending it to him and coaxed him to try it a year. And here is a few little items that happened last week out our way. I thought they'd look good in the paper and so I just jotted them down today. And here's a basket of apples my wife picked expressly for you; and here's a pumpkin from Jennie—she thought she must send something, too. You're getting out a mighty good paper, as all our family agree; just keep your old goose quill a flapping and give bad men a good one for me. And now seeing you are busy, I won't be takin' up your time, I've things of my own to 'tend to—good day, sir, I must be gwine."—Fayette City (Pa.) Journal.

ATLANTIC COAST LINE HOTEL.

This Noted Old Building to Be Torn Down—Official Notice Given That It Must Go June 1st.

The Atlantic Coast Line Railroad Company has notified the lessees of the Atlantic Coast Line hotel at this place that about June 1st the company will begin to tear down and remove the old landmark.

The hotel is now in charge of Mr. C. D. Cherry, who has been making quite a success of it since he took charge, a little more than twelve months ago.

The removal of the old building becomes necessary on account of certain changes to be made in the tracks when the new route is completed from Weldon and Garysburg and the erection of the union passenger station.

The Atlantic Coast Line hotel is said to be the second largest frame building in North Carolina. The erection of this building was first started by President Byrd, of the Petersburg and Weldon Railroad, and was completed later by Moody & Jarratt.

It is a building with a history and has had some notable proprietors during its existence. Among the well known men who have at various periods been in charge of this building, may be mentioned the late Dr. G. W. Blacknall, who was for years proprietor of the Yarbrough House, in Raleigh. Later it was in charge of the Happers, Major T. L. Emry and others. In more recent years it was known as the Davis House, run by Colonel Davis up to the time of its sale to the Atlantic Coast Line Railroad Company. The railroad people put Mr. Mann in charge and all trains stopped here for meals. Mr. Mann was succeeded by Mr. Gaul, who was quite popular with the travelling public. Several years ago the Atlantic Coast Line leased the property to Gresham and others. Mr. C. I. Gresham was succeeded by Mr. L. T. Brawner, who remained in charge only a few months, and then, on account of rheumatism he sold out to Cherry and others, who have been in charge since.

Some notable social functions have been held at this old hotel at various times. Brilliant Germans, in which the beauty, grace and chivalry of several States have participated; banquets, private theatricals; meetings, etc.

Weldon has for some years felt the need of a first class hotel of modern construction, but as long as the present building was maintained as a hotel, no one was willing to risk money in a new enterprise. But the removal of the building, which is now a certainty, official notice having been given, it becomes absolutely necessary that steps be taken at once towards the erection of a nice brick hotel. This is an important point and a new and conveniently arranged hotel will attract the travelling public. Those interested in the proposed new hotel should begin to look around for a site and begin work as early as possible.

MILLINERY OPENING.—Exquisite creations of imported and domestic designs will be on exhibition at our regular spring opening on Wednesday, Thursday and Friday, the 23, 24 and 25th, to which you are cordially invited. Mrs. Lewis will have with her as chief designer and trimmer Miss Whistler, who was so popular with all the past season. She will produce every new and distinct style known to the critics of millinery, and in the trimming, designing and display of our goods she will be ably assisted by Misses Medlin and Lambert. Our designs, and styles of new spring millinery will please all. We stand for quality, style and the best of goods in our line. Remember the dates for this opening and that a cordial welcome awaits you.

Mrs. P. A. Lewis, Weldon, N. C.

WHY SOME TOWNS GROW.—The reason why some towns grow is because there are men of push and energy in them, who are not afraid to spend their time and money to boom their towns. They erect substantial buildings, organize stock companies and establish factories, secure railroads, work for public improvements and use every means in their power to induce people to locate in their city. Wherever they go they tell of the advantages of their city, they write about them in every letter, they send circulars and newspapers to all whom they think they can get to visit their city, and when any one visits them they treat him so kindly that he falls in love with them and their city at once. It is enterprise and everyone pulling together that makes a progressive town.—Ex.

TO BE TRIED BY SHORT MAID.—Choose the tall color schemes. Pink makes a woman look taller, while red makes her look shorter. Brown shortens, but white lengthens. Black detracts from the height, but light green adds to it.

Don't wear a flat hat. The bathshep hat is becoming to short women. Be sure that it has the upturned side and the tall crown.

Tall hats are for the short women, but she must wear the tall square or the round cheesebox hats. She must select something high, irregular and graceful.

Don't dress your hair wide if you are very short.

Avoid the very stout type of woman. You will be dwarfed.

Keep away from tall hanging portiers. Choose draperies and hangings in case you must stand close to them for any length of time that are curved or draped rather than those that fall with Greek simplicity.

But women can put it all over men when it comes to looking interested when they are not.

HER PHYSICIAN APPROVES

Taking Lydia E. Pinkham's Vegetable Compound

Sabatius, Maine.—"You told me to take Lydia E. Pinkham's Vegetable Compound and I feel better than I did. My physician said 'Without doubt it helped you.' I thank you for your kindness in advising me and give you full permission to use my name in your testimonials."—Mrs. H. W. Hironaka, Box 8, Sabatius, Me.

Another Woman Helped.—Cranville, Va.—"I was passing through the Change of Life and suffering from nervousness and other annoying symptoms. Lydia E. Pinkham's Vegetable Compound restored my health and strength, and proved worth mountains of gold to me. For the sake of other suffering women I am willing you should publish my letter."—Mrs. CHARLES BARCLAY, R.F.D., Cranville, Va.

Women who are passing through this critical period or who are suffering from any of those distressing ills peculiar to their sex should not lose sight of the fact that for thirty years Lydia E. Pinkham's Vegetable Compound, which is made from roots and herbs, has been the standard remedy for female ills. In almost every community you will find women who have been restored to health by Lydia E. Pinkham's Vegetable Compound.

FOLEY'S URINO LAXATIVE

FOR STOMACH TROUBLE AND CONSTIPATION

Remedies are Needed

Were we perfect, which we are not, medicines would not often be needed. But since our systems have become weakened, impure and broken down through indiscretions which have gone on from the early life, through continued exertions, remedies are needed to aid Nature in restoring our debilitated and otherwise acquired weaknesses. To reach the seat of stomach weakness and consequent digestive troubles, there is nothing so good as Dr. Pierce's Golden Medical Discovery, a glyceric compound, extracted from native medicinal roots—sold for over forty years with great satisfaction to all users. For Weak Stomach, Biliousness, Liver Complaint, Pain in the Stomach after eating, Heartburn, Bad Breath, Boiling of food, Chronic Diarrhea and other Intestinal Derangements, the "Discovery" is a time-proven and most efficient remedy.

The genuine has on its outside wrapper the Signature

You can't afford to accept a secret nostrum as a substitute for this non-alcoholic, medicine of known composition, not even though the urgent dealer may thereby make a little bigger profit. Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take & candy.
