

Have You Tried?

Lydia E. Pinkham's Vegetable Compound? We can furnish positive proof that it has made many remarkable cures after all other means had failed.

Women who are suffering with some form of female illness should consider this.

As such evidence read these two unsolicited testimonial letters. We guarantee they are genuine and honest statements of facts.

Cresson, Pa.—“Five years ago I had a bad fall, and hurt myself inwardly. I was under a doctor's care for nine weeks, and when I stopped I grew worse again. I sent for a bottle of Lydia E. Pinkham's Vegetable Compound, took it as directed, and now I am a stout, hearty woman.”—Mrs. Ella E. Atkey, Cresson, Pa.

Baird, Wash.—“A year ago I was sick with kidney and bladder troubles and female weakness. The doctors gave me up. All they could do was to just let me go as easily as possible. I was advised by friends to take Lydia E. Pinkham's Vegetable Compound and Blood Purifier. I am completely cured of my ills, and I am nearly sixty years old.”—Mrs. Sarah Leighton, Baird, Wash.

Evidence like the above is abundant showing that the derangements of the female organism which breed all kinds of miserable feelings and which ordinary practice does not cure, are the very disorders that give way to Lydia E. Pinkham's Vegetable Compound.

Women who are afflicted with similar troubles, after reading two such letters as the above, should be encouraged to try this wonderfully helpful remedy.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health free of charge.

EASTER EGG HUNTS.

Easter Monday as well as Easter Sunday brought ideal weather to Weldon, and the good old summer time weather and many of the little folks in Weldon and South Weldon had glorious Easter egg hunts. The children of Grace Church Sunday School were also given their annual Easter egg hunt at the church and rectory lawn Monday morning, and all present enjoyed the occasion. The mite boxes of the children were also opened and quite a nice little sum was realized.

AURELIAN SPRINGS HIGH SCHOOL.

Dr. D. H. Hill, President A. and M. College, Raleigh, has accepted the invitation to deliver the annual address before the graduating class of Aurelian Springs State High School, May 17, 1910.

Dr. Hill's address and the graduating exercises will take place during the day. Visitors are requested to come and be prepared to spend the day. The public cordially invited. Dr. Hill is one of the most noted educators in the South.

THE PRECIOUS HEADGEAR.

From all reports many sweet faces were absolutely ruined by the precious Easter headgear. Those who were unable to buy the millinery creations for Easter day parades were furnished an excellent escape by the Baltimore Sun for the home construction of the latest novelty. Here it is:

Take one moderate sized pan and cover it with straw; build the straw high or wide, as sweet fancy dictates; add a good part of the trimming from last summer's creation, two feathers from the winter hat and fourteen yards of perfectly new tulle, stir all together and apply wildly.

Women will be women and as long as Halley's comet allows the sphere to revolve in space they will do many foolish things, but in spite of the precious headgear and all their faults we love them still.

JOHN JASPER'S CONVERSION.

—On the fourth page of this issue will be found an article headed “John Jasper's Conversion.” The article is from the pen of Dr. W. E. Hatcher, of Richmond, and in this article he allows Jasper to tell of his remarkable conversion and call to preach the gospel in his own language. Jasper was the most remarkable negro preacher and philosopher this country has ever known, and his great sermon on “De Sun Do Move,” was preached time and again by him and there was a demand for the old man to repeat it up to the time of his death.

In the article we are publishing today Jasper tells of his conversion and pays a beautiful tribute to his former master, Mr. Sam Hargrove, a devout Christian who encouraged and sent him forth on his mission to preach. We heartily commend this article to every reader of this paper. Read it and see how a good act will live on and on long after we are dead and gone.

GRANDY GETS CONTRACT FOR NEW CHURCH.

The building committee of the Methodist Episcopal Church on Monday awarded the contract for the construction of the new Methodist Church here, to Mr. Grandy, of Charlotte, the contract price being \$15,000. This does not include heating or seating. Mr. Grandy was the lowest bidder. The bids came from various sections and all from well known builders and contractors. The new church will be a handsome brick building, the plans being drawn by Wheeler & Stern, architects, of Charlotte.

Make Your Dollars Extend.

Your agency will prove that thirty-five year big sales and pleased users of the L. & M. Paint will save you dollars, because when painting with L. & M. you are using metal Zinc Oxide combined with White Lead. Zinc Oxide is impermeable, and makes the L. & M. wear and cover like gold. The L. & M. Colors are therefore bright and lasting. You won't need to repaint for 10 to 15 years; besides L. & M. Paint costs less than any other, say about \$1.30 per gallon. Sold by E. CLARK, Weldon.

Mr. and Mrs. Barkley will make their home in Richmond.

Our best wishes go with them.

A man thinks he has a natural capacity for history if he can remember the year his home town won the baseball championship.

POWELL TRIAL TODAY.

E. E. Powell Will Be Tried For His Life in Halifax Superior Court-150 Veniemen Summoned—Most Important Murder Trial in Halifax Since the Merritt Case in 1879.

E. E. Powell, who on the afternoon of March 4th, at Scotland Neck, shot and mortally wounded Chief of Police C. W. Dunn, who died of the wounds March 7th; seriously wounded Senator E. L. Travis, of Halifax, and Representative A. P. Kitchin, of Scotland Neck, will be put upon trial today—Thursday—for first degree murder.

Solicitor J. H. Kerr, of the Second Judicial District, and Senator W. E. Daniel, who was for twelve years District Attorney, will appear for the State; while Ex-Governor C. B. Aycock and Judge R. W. Winston will represent the prisoner.

The case attracts wide spread interest and Judge Ward ordered a venire of 150 men to be summoned from Weldon, Roanoke Rapids, Brinkleyville, Faucets, Littleton and Butterwood townships to report at court on March 31st at 9 o'clock, the date and time fixed for the trial.

When Powell was brought into court Wednesday of last week and arraigned for trial Ex-Governor Aycock asked a change of venue on the ground that the prisoner did not believe that he could get a fair trial in Halifax county. This motion for change was opposed by the State, Mr. Daniel arguing that a fair and impartial trial could be had in Halifax. Judge Ward took the matter under advisement and at the afternoon session of court rendered his decision that the case would be tried in Halifax and at the present term of Halifax Superior Court, and set Thursday, March 31st, as the date for the trial.

Powell is in jail at Halifax awaiting the calling of his case today.

It is believed that a large crowd will be in attendance at court and owing to the prominence of all the parties concerned in the trial it will be one of the hardest fought legal battles since the celebrated Merritt trial for killing Hicks in Weldon in 1879. It is believed that the jury can be selected from the 150 men summoned. In the acceptance of jurors the State has only four peremptory challenges while the defendant has twenty-three. At the last session of the General Assembly there was a bill to change this giving to each side an equal number, cutting the 23 for the defendant in murder trials to seven and giving the State seven. But nothing was done in the matter so Powell goes on trial having the advantage of 23 peremptory challenges to the State's four.

WELDON PUBLIC SCHOOLS LEAD.

The special sent out from Raleigh to the Greensboro Daily News will be read with interest by Weldon people:

“The Weldon Public Schools, R. H. Latham, superintendent, are believed by the State Department of Education to lead other schools of the State in the matter of thoroughness in the medical examination of school children and general oversight of the health of the children. Superintendent Latham has sent to the department a physician's blank to be filled out and sent to the parents showing the condition of the child's teeth and mouth and estimating the cost of dental work necessary. Every child's mouth is examined and report sent to the parents. This statement also serves notice that later there will be examinations of the eyes, ears, nose and throat. Appeal is made by the school superintendent for hearty cooperation by the parents. He writes the State Department that he is receiving appreciative cooperation in this new undertaking.”

PASSING OF OLD TIME NEGRO.

—Time is fast thinning the ranks of the old-time, before the war negroes and soon there will not be one left. The recent death of old “Uncle” Ephraim Mills here recalls the fact that he ever remained the steadfast friend of the white people and was generally liked by all who knew him. His death also calls to mind the fact that he was a juror in the Merritt case in Halifax Superior court in 1879, a most noted case and one that attracted large crowds to court during its trial, and of that jury of twelve men only one or two now survive, the majority of them, along with the good Judge Graves, who presided at the trial, have long since passed away.

Uncle Ephraim was 78 years old, and his funeral procession was one of the largest colored processions ever seen in Weldon.

Foley's Kidney Remedy will cure any case of Kidney or Bladder trouble that is not beyond the reach of medicine. No medicine can do more.

EASTER DAY.

“That I May Know Him, and the Power of His Resurrection.”—Phil. III, 10.

“The Word itself keeps Easter day, And Easter birds are singing; Easter flowers are blooming gay, And Easter buds are springing.”

Sunday was a glorious day, indeed, typical of the resurrection of Christ and in spite of Professor Summer, of Yale University, who has recently attacked the bona fides of the Bible, and all the other free thinkers and self-appointed censors of the Bible, the Book will stand, and the civilized world will continue to hear gladly the story of the resurrection.

When Mary Magdalene and the other Mary came early to the sepulchre the stone had been rolled away and the angel of the Lord appeared to them and said, “Why seek ye the living among the dead. He is not here, He is risen, as He said. Come, see the place where the Lord lay.”

And so on Easter day in all the churches of the land the story of the resurrection was again told in songs and anthems of praise. Weldon was not behind in celebrating this joyous day and large congregations attended service at the various churches. There was but one theme for Sunday and the pastors of the Weldon churches drew inspiration from the story of the resurrection and preached strong and forceful sermons. The music, too, was a feature and was particularly bright, joyous and inspiring. Easter is naturally the very brightest of all the days in the year and it is to us a promise of immortality. Therefore, with childlike faith let us accept the Bible as it has been handed down to us from generation to generation.

CHILDREN
