**REPUBLICAN HOPES.**

The letter printed below was written by Mr. Geo. W. Shearin, a well known Republican of the county, and mailed to Mr. J. E. Bowers, Brinkleyville, N. C. It was forwarded by the Postmaster to Mr. J. E. Bowers, Scotland Neck, and received by him. We presume it was intended for Mr. W. E. Bowers, another Republican, but Mr. Shearin made a mistake and addressed it to our popular Treasurer, who is also a candidate for this office again in the Democratic primary to be held the 19th inst. Here follows the letter:

"HALIFAX, N. C., July 21, '10.  
Mr. J. E. Bowers,  
Brinkleyville, N. C.

My Dear Sir—I have been in communication with Mr. Butler, of Washington, D. C., and he seems to think that if we try and send good men to the State convention that we will be able to elect Hon. J. M. Morehead as State chairman of the Republican party. And by doing this we will bring many good recruits to the party that will help to reduce the high and unjust taxes that we are now burdened with by the control of the old Democratic ringsters. I guess you have seen or will see a circular letter gotten out by the Anti-Democratic party which explains the situation very clearly and you can see very clearly from that letter the object in view. Very truly your friend,  
GEO. W. SHEARIN."

We understand that Mr. Shearin with other republicans participated in the mass meeting which has resulted in the field, subject to the plans of the Democratic primary, what is known as the Anti-Ring Democratic Ticket. If it were possible, we would like to know how many others participating in the alleged mass meeting were animated by the same spirit and "object in view," that is, to bring "many good recruits to the party."

Our advice to the Democrats of Halifax county is to vote only for those who have been faithful. Senator Overman has received his commission from President Taft as envoy extraordinary to Mexico upon the occasion of the latter country's celebration of the hundredth anniversary of its existence as a republic. The ceremony will be in progress from the 7th to the 21st of September and Senator Overman will leave for Mexico City with the five other representatives of this government early in the month.

EDITOR Clarence H. Poe, of the Progressive Farmer, will sail from San Francisco for a tour around the world, during which he says he expects to have his eyes especially open for every lesson the South can learn from distant countries in matters of agriculture, manufacturing, race and political problems, conservation, religious unrest and commercial opportunities. He will visit especially Japan, China, the Philippines, India, Holy Land, Egypt, and expects to reach Raleigh on the return some time in January.

**\$100 REWARD \$100**  
The readers of this paper will be pleased to learn that there is at least one dread disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and in assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure.

**COUNTY CONVENTION.**

Republicans of Halifax County Elect Delegates to the Various Conventions and Instruct for Duncan for State Chairman

The Republicans of Halifax county met in convention at Halifax Wednesday, August 3. Postmaster McE. Furgerson, of Lincolnton, called the convention to order and Ashley Wilkins, of Thelma, was requested to act as temporary secretary. On motion the temporary organization was made permanent. The first business in order was the election of delegates to the Republican State Convention. The result was as follows:

Delegates—McE. Furgerson, F. H. Dickens, S. L. Gibson, Alternates—J. I. Johnston, R. J. Day, McD. King.

Delegates were then elected to the Congressional Convention, Second Congressional District, as follows: McE. Furgerson, C. P. Smallwood, D. S. Moss.

Delegates to the Judicial Convention were next elected. They are: C. B. Brickell, L. N. Green, R. A. Hardy.

A resolution was introduced instructing the delegates to cast the vote of Halifax county for E. C. Duncan for State chairman.

R. A. Hardy moved that the name of Morehead be substituted for Duncan. No one appeared willing to second Mr. Hardy's motion. Chairman Furgerson said, "I would be glad if some delegate would second Mr. Hardy's motion, so as to get the sentiment of this convention, and then it was that there was a feeble and half-hearted second to Mr. Hardy's motion. The vote being taken Duncan received the entire vote of the convention with one single exception, Mr. Hardy voting for Morehead. The man who seconded Morehead's nomination could not vote for him against a man like Duncan.

A special sent out from Halifax to the Greensboro Daily News, the Republican State organ, says: "The convention was well attended and much enthusiasm was shown. The factional war being waged by the Democrats over county officers was a subject for much outside discussion and amusement, as well as encouragement.

There was no sentiment displayed that could have been taken as favorable to Morehead's efforts to secure the State chairmanship.

**CALL FOR PRIMARY ELECTION.**  
By virtue of the authority vested in the undersigned by the Democratic Executive Committee of Halifax county, I hereby name Friday, August 19, 1910, as the date for holding the Primary Election to nominate candidates for the General Assembly, county and township officers.

The polls will be open at the voting precincts of each township from 7 o'clock a. m. to 6 o'clock p. m., and no longer.

The several candidates for Legislative and county offices shall at least five days prior to the primary election file with the clerk of the Superior court a notice in writing of their candidacy.

All Democrats who in good faith intend to abide the result of the primary are cordially invited to participate in the same, and express their individual choice for the different positions to be named regardless as to how they voted in the last election.

By order of the Committee:  
I. E. GREEN,  
Act. Chair. Dem. Ex. Com.  
Halifax County,  
July 22, 1910.

Foley's Kidney Pills give quick relief in cases of kidney and bladder ailments. Mrs. Rose Glaser, Terra Haute, Ind., tells the result in her case. "After suffering for many years from a serious case of kidney trouble and spending much money for so-called cures, I found Foley's Kidney Pills the only medicine that gave me a permanent cure. I was laid up in bed with severe backache and pains, but after taking Foley's Kidney Pills for four weeks as directed I am again able to be up and to attend to my work. I shall never hesitate to recommend them."

**LEWIS GOODMAN GRADY.**

Passes Away at His Home in Halifax, Honored and Esteemed by All who Knew Him.

On Thursday afternoon, August 4th, at 3 o'clock death again entered our town, this time claiming for his own one of our oldest residents, and one of the most respected and familiar figures among us, Rev. L. G. Grady, who resided here for about 44 years, coming here soon after the war.

Lewis Goodman Grady was born December 21st, 1839, at Outlaw's bridge, in Duplin county, where for one hundred years his fathers lived and died. He was the youngest of three children, his brother, Haich Whitehead, and sister, Charity, preceded him to the grave many years ago. His parents were Outlaw Grady, and Patience Outlaw Grady, his wife.

Mr. Grady belonged to Company A, 43rd North Carolina Regiment and was paroled at Appomattox Court House. He fought at Gettysburg, was in the valley campaign under Early, was in fact with the 43rd from its organization to its discharge. A good soldier he was; fearless and faithful in the discharge of his duty.

He was married the first time to Miss Mary Elizabeth Spencer Fitz, youngest daughter of Jack and Martha Ann Barrow Fitz, of Dinwiddie county, Va., January 29th, 1868. There were five children by this marriage, Jennie Outlaw, who married Hon. Edward Lewellyn Travis, in 1894, Halifax, N. C., and Buelah Barrow, who married in 1895, Prof. James W. Hays, of Elm City, N. C., and three who died in infancy. His first wife preceded him to the grave December 21st, 1900.

On the 19th of November, 1902, he was married the second time to Miss Maud Grady, youngest daughter of William Henry Grady, and his wife Emeline Simmons Grady, of Duplin county.

In 1878, at Halifax, N. C., under the preaching of Rev. A. R. Raven he was converted and joined the church, and from that day until the day of his death he was ever an active worker in the Master's vineyard. He became very much interested in Sunday School work, had an intense love for children, wielded a potent influence over them for good, and was for a number of years Superintendent of the Granville Street Sunday School, M. E. Church, at this place. He was also engaged in Sunday School work with Rev. G. T. Simmons, at Bradley's school house some years ago, and about 18 years ago organized a Sunday School at Perce's church, (Camp ground) which was destined to result in much good. The Sunday School was ever near his heart, and many times we have been riding along with him while he hummed familiar hymns that the children loved.

Brother Grady was licensed as a local preacher in 1892 at the Warrenton District Conference, Rev. Mr. Adams being then Presiding Elder of the District. Since that time he continued to preach here and elsewhere, always filling in appointments gladly for his pastor, and having a standing appointment at the church of his membership once a month. He suffered a great deal with his throat for two or three years before his death, and could not preach as often as formerly. He was greatly beloved by the ministry, and was heart and hand with his pastor in the work of building up the Kingdom, and many a preacher in the North Carolina Conference who has served this charge from time to time, remember still the kind words, the loving counsel, the lingering hand-clasp of Brother Grady, and no doubt incentive, aspiration and inspiration has been received by many of these, as they left for other fields of usefulness and endeavor.

Mr. Grady while living here was engaged in the jewelry and watch-repairing business, and was thoroughly known throughout the county, and nearly over the State, as a man straightforward, and willing to comply with all promises made.

He owned many friends here and elsewhere. Though he was a man of few words, and impressed those who knew him least as being a little peculiar and somewhat eccentric, there was never a more kindly man, or one with a warmer love for all mankind than he. After his conversion (though not a very wicked man before) his walk was the most consistent, and tallied very nearly we must think with the Christ's ideal; and no one can bring the accusation that he taught one thing and lived another. Every day and hour his life stood out in bold relief a powerful rebuke to sin, though there was always a warm spot in his heart for the wayward sinner, and indifferent church member.

He will be missed by all the town.

The sound advice and good judgment he was capable of ever giving will be a loss felt most deeply; but the influence of his Christian life will continue to live and permeate the lives of loved ones and friends, and sweeten the community's morals. "He is not dead, but liveth," and in the years to come who can estimate in true value and weight and deep influence this man of God has left in the world to work and produce fruit in the lives of men and women, by virtue of his upright Christian life.

We cannot refrain from saying that when this writer came to Halifax about twenty years ago, Mr. Grady was the first one to welcome us, invite us to Sunday School, and place a book in our hands. Through all the intervening years he has been a friend indeed. When sorrow came, he gave sympathy, when death removed our loved ones, he was there to comfort, when shadows fell across our path, he pointed to the rift in the cloud, and helped us to see the bright sunlight on the other side. He gave us encouragement in more ways than one, and helped to incite the best within us. There are many other things which this good man did, but space forbids their mention here. Are they not "written in the Lamb's Book of Life" to appear to his credit?

The funeral services were conducted by his pastor, Rev. J. E. Holden, who paid a beautiful and touching tribute to the life of the deceased, and Rev. A. G. Wilcox, who had known him for a long term of years, who led in a most feeling prayer, commending the loved ones to God's Divine Providence and pointing friends to the excellent, godly life of the departed. At the grave Rev. P. N. Stainback, of Weldon, offered thanks for such a life that had been a blessing to his church.

The remains were placed beside his first wife on the north side of Granville Street Methodist Church which he loved for so many years. There was a large gathering at the grave to pay the last tribute. The floral offerings were many and beautiful, completely covering the grave, many being also placed on the grave of his first wife.

The funeral arrangements were in charge of Mr. H. G. Rowe, of Weldon. The acting pall bearers were: C. H. Hale, T. O. Vaughan, W. F. Coppedge, W. A. Wilcox, S. M. Gary, J. C. Barrs, Joseph McMahon, and J. L. Weller. Honorary: F. Froelich, L. H. Hale, J. A. Whitehead, M. H. Clark, H. B. Furgerson, and R. H. Daniel.

May the Lord comfort those affected by this death, and may this rich, resultful life be an incentive for the higher, better, grander life here, which ends in completeness beyond. Peace to his memory.  
W. F. C.
