Difficult Scriptures on Hell.

A litric Book seiling at only ten cents, postpaid, is having a very wide at in the county of Halfas, State North varchus, and in Bounoke Rapo circulation—running up into the millions. It contains some very startling information respecting the meaning of the word Hell. It claims to demonstrate, both from the Heli rew and the Greek of our Bible, that Hell is NOT a place of eternal terment, but merely another mane for the TOMR, the GRAVE, THE STATE OF DEATH, It affects to show that man was not redeemed from a far-off place of eternal torture, but quotes the Scriptures proving that he was REDEEMED from the GRAVE at the cost of his Redeemer's LIFE and that the Scriptural Hope, circulation-running up into the mil-GRAVE at the cost of his Redeemer's
LIFE and that the Scriptural Hope,
both for the Church and the World,
is a resurrection hope based upon the
death and resurrection of Jesus. The
book is certainly worth the reading.
The information it furnishes is certainly valuable, far beyond its triffing
cost. Order it at once from the Bible

Are You a Progressive Farmer?

WELDON, North Carolina.

Or, are you still plodding along in the same old beaten track, still using moss-grown methods and antiquated ideas? Stop a minute and consider, look back over the past year. How much have you lost by not keeping up with your accounts as you should have? Stop it! Make a resolution right now to do business in a systematic way next year and compare notes when the crop is harvested next fall. The best way to put your farm on a business basis is to
