The year 1910 is rapidly drawing to a close as you may have observed by reference to the calendar upon the wall.

THE WISE HOLIDAY SHOPPER.—An exchange says: The wise holiday shopper fully understands the benefit of the stocks while they are fresh and complete. Yet, they will wait till the "night before Christmas" then rush from shop to shop, get in the push and have a jolly good time making holiday purchases at about 10 p. m.

HON. E. L. TRAVIS.—Ex-State Senator E. L. Travis, of Halifax, was here Thursday. It is only recently that he has been able to leave his room since he was shot and seriously wounded at Scotland Neck by E. E. Powell, Sr. Mr. Travis' many Weldon friends are glad to learn of his improvement and trust soon to see him entirely restored to his former good health.

TOWN AFFAIRS.—The town board met in regular session at city hall Monday evening at 7:30 o'clock, with Mayor Wiggins presiding, and all members of the board present.

There being a vacancy on the board, on account of the resignation of P. N. Stainback, A. E. Wilson was put in nomination for the unexpired term and was elected by a unanimous vote to fill the vacancy.

WORTHEN REACHES HIGH POSITION.—H. C. Worthen, the new general superintendent of the Southern Division of the Western Union Telegraph Company, with headquarters in Atlanta, was with the Serboard Air Line, at the "block office" here, some years ago and was considered a splendid operator. He was born at Shelby, and being left an orphan at an early age, was reared at the Oxford Orphan Asylum. He was married at Littleton, to Miss Jenkins a few years ago. His many Weldon friends learn with pleasure of his promotion.

OLD HALIFAX, FOREVER.—In 1908 Halifax county gave a Democratic majority of 2009 for the State ticket, when a president and governor were voted for. This year the county gives a Democratic majority for the State ticket of 2139. Can any county in the State beat this in an off year?

TOYS AND FANCY GOODS.—Pretty line of new neckwear, fancy work, toys and holiday goods. All millinery at cost for next 30 days for cash only. Call in and examine our new line of holiday goods. Shop early. Don't wait for the rush. We can please you.

Mrs. P. A. Lewis, Weldon, N. C.

CHURCH WORK.—All the windows have been put in the new M. E. Church and the pews and chairs have been received. Just as soon as the carpet arrives it will be put down and then the pews will be put in place. The furnace and heating fixtures are to be completed by the 15th and it is expected that everything will be ready for the first service Christmas day.

SUNDAY'S SNOW.—Weldon people were somewhat surprised to find the earth covered with snow Sunday morning. It was the first snow, of any consequence, for the season. December is usually a good month, and is kind to holiday shoppers, but this year it is giving us a taste of real winter and old Santa Claus can probably come with his sleigh and reindeers to pay his annual visit to the good little children.

HANDSOME PICTURE OF NEW CHURCH.—The Raleigh Christian Advocate of last week had a handsome full page picture of the new Methodist Episcopal Church, of Weldon, with a picture of the pastor, Rev. S. E. Mercer in the upper right hand corner. The picture was placed on the cover page and made a good feature for the Advocate. This church is practically completed and it only remains for installing the furniture and fixtures. It is to be ready for the first service Sunday, Dec. 25, Christmas day.

FINANCIAL AND STATISTICAL REPORT.—Rev. S. E. Mercer's report of the year's work in the M. E. Church here was one of the best read at the conference in Elizabeth City last week. From his excellent report we make a condensed report as follows: Total membership, 243. Value of new church, \$20,000; parsonage, \$2,500; other church property \$4,300. Total amount of money raised for all purposes during the year \$8,326.

Number of Sunday Schools, 2. Teachers, 18; number of scholars enrolled during the year, 224; total amount collected by the Sunday School, \$279.00. Members Home Mission Society, 50; amount collected by Home Mission Society, \$803.00. Members Woman's Foreign Miss. Society 40; amount collected during the year, \$104. Amount collected by Juvenile Missionary Societies, \$65.00. Total amount raised by all the mission societies \$972.00.

Few Methodist Churches, if any, can make such a good showing. The Methodists of Weldon are greatly pleased to have Mr. Mercer back for another conference year, and they are looking forward for the best year in the history of Methodism in Weldon.

A CARD.

I wish to return my most sincere thanks to the people of Weldon for their many expressions of love, sympathy and aid during my illness in Weldon and for their ready help so generously extended to enable me to go to a New York hospital for treatment. May the richest blessings of the Lord abide with you all, in my sincere prayer.

BAZAAR OPENS TODAY.—Come to the Bazaar at the Club Kitchen, which opens today, Thursday, and will continue through tomorrow, Friday. The ladies of the M. E. Church will have on hand many useful and fancy articles suitable for Christmas gifts for your friends, many good things to eat, oysters, coffee, ham, chicken salad, barbecue, turkey, in fact most anything you may want. A handsome doll, with hand made clothes, a carriage and alghan will go to the happy man who wants to make his little girl happier still. "Aunt Jemima," "Uncle Mose," and the "Twins" will all be there, so come and see the "pancake family." The ladies are working hard to pay for the new carpet and will appreciate any interest you may show by your presence and help.

DAUGHTERS OF THE CONFEDERACY.—A most delightful afternoon was spent at the home of Mrs. R. S. Travis Wednesday afternoon by the Junius Daniel Chapter U. D. C. After a short business session, the Chapter was graciously entertained by Miss Jeannette Daniel with vocal selections; the one given in French was especially pleasing. Mrs. Ida T. Wilkins gave an instructive reading which was enjoyed by each one present. Then followed a historical contest. The prize, a beautiful vase of carnations, was won by Mrs. W. T. Shaw. After which dainty refreshments were served by Mrs. Travis, assisted by her daughter Miss Mary Ellen Travis. Officers for the ensuing term:

President—Mrs. R. S. Travis.
1st Vice-President—Mrs. W. E. Daniel.
2nd Vice-President—Mrs. J. B. Zollicoffer.
Recording Secretary—Mrs. W. T. Shaw.
Historian—Mrs. Ida T. Wilkins.

NEW COUNTY OFFICERS.—The first Monday in December was a busy and important day. The new county board qualified and organized by electing W. R. Harvey, chairman. All the newly elected commissioners were members of the old board with the exception of H. A. Edwards, of Roanoke Rapids, who was on hand and qualified. The present board is as follows: W. R. Harvey, chairman; S. P. Johnston, S. G. Whitfield, S. T. Thorne, H. A. Edwards. The board re-elected George C. Green, of Weldon, county attorney, and W. B. Drewry, superintendent of the county home. Clerk of the court, Gary, Sheriff House, J. H. Norman, register of deeds, J. E. Bowers, treasurer, H. G. Rowe, coroner, add other newly elected county officers, all qualified and gave bonds for the faithful performance of their duties. The county is fortunate in again having officers in whom the people can have the utmost confidence.

SUCCESSFUL BAZAAR.—The ladies of Grace Church held a most successful bazaar for the benefit of the church last Friday and Saturday in connection with the bazaar was the naming of a pretty and stylishly dressed doll. The doll's name was placed in an sealed envelope. All of the well known names including the doll's name was printed on a card, such names as Mary, Sally, Parnella, Jennie, Pauline, Olga, Hortense, Helen, etc., etc. To which five cents a guess as to which of the names had been given the doll. The doll was contributed to the bazaar by Mrs. W. M. Cohen, and Miss Jennie Tilghman named it, and she named it "Jennie." John O. Drake was the man who had faith in the name of "Jennie" and he named the doll. The naming of the doll put \$10.50 in the treasury of the bazaar. An amusing feature was the auction Friday night of the masquerading girls. W. H. Joyner, of Garysburg, was auctioneer and there was some lively bidding. The successful bidders not only found that they had secured a real bargain in the fair masquerade, but along with the pretty girl was thrown in a dainty lunch and all enjoyed the occasion very much. The auctioneer, himself, was anxious to secure several of the fair 'masks' but the other young men present outbid him at every turn. The ladies realized quite a handsome net profit from the fancy work and good things, eatables, and desire to return thanks to all whom in any way contributed to the success of the bazaar.

DR. ZOLLIFFER RESIGNS.—At the North Carolina Annual Conference held in Elizabeth City last week, Dr. D. B. Zollicoffer, of this town, who has been leader of the Laymen's movement for the past two years, was not a candidate for re-election.

Miss Bays in her report of his work, in the News and Observer, says: "He has given himself earnestly and untiringly to this work. He has also given liberally of his means in order to advance the work during the past year, there having been no provision made for the expenses of the leader to be met during the year." Dr. Zollicoffer has travelled thousands of miles in the interest of the work; has attended every district conference in the conference, but one; has visited churches in every district and has delivered a large number of addresses in the interest of the work of the Laymen's Movement, which has for its object the evangelization of the world in this generation. When addressing the laymen of the conference Dr. Zollicoffer said that he had felt during much of the year that he was standing alone; that he had felt the lack of sympathy and cooperation for which he had looked and which he had expected."

HALIFAX COUNTY SUPERIOR COURT.—Halifax Superior court convened Monday with Judge M. H. Justice, of Rutherfordton, presiding.

The grand jury for the term was drawn as follows:

Horace Pittman, J. E. Condry, (appointed foreman), G. N. Medlin, C. R. Emry, John C. Jenkins, J. H. Faucett, J. A. Dickens, J. A. King, A. O. Ferrall, W. E. Hull, R. M. Purnell, Hugh Bloomer, Henry Farber, W. H. Wilcox, E. L. Keeter, C. R. Barkley, W. S. Crisp, J. W. Allbrook, W. T. Hawkins was appointed officer.

A large crowd was in attendance Monday, and the people at once feel in love with their splendid new court house. The building was delightfully heated by steam throughout and on such a raw, disagreeable day it proved a blessing to all who had to attend court. The State docket showed 64 cases when court opened. There were quite a number of "blind tiger" cases. The docket showed three murder cases.

D. H. Smith, the Weldon telegraph operator, who made an assault upon another operator named Rose, with a billiard cue, was let off light, by paying one-half of the cost in the case. E. B. Clark, a young lawyer of Weldon who is located at Halifax, appeared for Smith and managed the case well.
