A weekly Democratic journal devoted to the material, educational, political and agricultural interests of Halifax and surrounding counties.

Advertising rates reasonable and furnished on application.

CHAMP CLARK tells how the Democrats won. Naturally, with their larger vote.

"TEXAS" is to be the name of the new dreadnaught to be built at Newport News. The old battleship "Texas" was built at Portsmouth.

THE town of Smithfield will hold an election on February 21st relative to a $55,000 bond issue for the purpose of installing lights and sewer system.

LEXINGTON is to have a $350,000 cotton mill. Local capitalists will subscribe $100,000, a Charlotte man $50,000 and Massachusetts mill men $200,000.

THE Chicago authorities refused to permit Mary Garden to play Salome in that city. This caused the Baltimore Sun to write

"Mary, Mary, quite contrary,
How does your Garden grow,
With several heads and camp beds
And critics, all in a row?"

SO far North Carolina's increase in population is greater than any Southern State except Texas and Arkansas. North Carolina's increase is 16.5 per cent., and South Carolina 13.1. Virginia's 11.5. "The strip of land between two States," becomes the head of the corner.

THE New York Press has a suggestion for an inscription on the monument to be erected in the memory of Uncle Remus. It is a sentiment, written by him in a lady's album:

"Be honest and true;
Keep your head level,
Heaven's for you,
And hell's for the devil."

SUPREME Court Justice Joseph Aspinwall does not approve of love. "Love, declared Judge Aspinwall stoutly, is nothing but a matter of pink lamp shades, and caramels, and ice cream sodas, anyway. Not the sort of a basis two sensible people want to build their lives on. No, sir. If a man and a woman wish to get married, they should go about it in a common sense way. Choose the man or woman best suited to them in class, education, temperament and all that sort of thing, and then go ahead and marry if they care to."—Evening World.

Why does the judge specially designate pink lamp shades?

THE appointment of Justice White as Chief Justice of the U. S. Supreme Court is of special interest to Eastern Carolina where he has a number of kinsmen.

His mother was a Whitaker of that well-known family, and is related to the Ransom family. Robert R. Williams, representative-elect from Buncombe county, is a third cousin of the new chief justice.

President Taft also sent to the Senate the nominations of Judge Willis Van Deventer, of Wyoming, and Joseph Lamar, of Georgia, to be associate justices of the Supreme Court.

Justice White is a Democrat and is regarded as the ablest jurist on the bench. Lamar is also a Democrat.

THE North Carolina Supreme Court has affirmed the finding of the Superior Court by which a certain Mr Hervey receives $2,500 growing out of the mileage book nuisance. In the case, Aycock & Winston, attorneys for Mr Hervey, earnestly contended that the requirement that a ticket should be obtained in exchange for mileage was an unreasonable regulation, and was therefore void. The court decided with the plaintiff and did not pass upon that point but in a concurring opinion Chief Justice Walter Clark discusses the point and struggle and says when that the regulation is unreasonable. The clear and able concurring opinion by the Chief Justice is unanswerable and points out the plain duty of the Legislature to pass the Carriage bill that failed at the last session.

Chief Justice Clark in his concurring opinion says:

"I concur only grudgingly in the opinion of the court, but unless, upon a point as to which it is not, I am constrained by the decisions of the Supreme Court of the United States, I am of opinion that the requirement that the holder of a mileage book shall present it and obtain a ticket therefor, is an unreasonable regulation and therefore void.

HALIFAX LETTER.

Items of Interest Gathered by Our Regular Correspondent

(Too late for last issue of News.)

HALIFAX, N. C. Dec 13.

Mr. Joseph G. Butts and his charming bride of a few days spent Saturday and Sunday here with Mr. Butt's parents. They were married in Washington, D. C. last week. Mrs. Butts was Miss Cecil Feilds, of West Point, Va., her parents being Mr. and Mrs. Geo. Feilds. She is a granddaughter of Mr. R. W. Brown, of Roanoke Rapids.

Our people are relieved that Rev. J. E. Holden was sent back this year, which will make his fourth year on the Enfield and Halifax charge. He preached two strong and eloquent sermons here Sunday morning and evening, urging his membership for larger consecration and co-operation for this conference year.

Miss Lucy Butts is home from school at Franklin for the holidays.

Mr. Swain Norman is home from school at Warrenton.

Mrs. W. A. Willcox left last Saturday for New York City to visit her son, Mr. W. D. Faucett, and will be gone until after the holidays.

Mr. C. H. Hale went up to Richmond Monday on a business trip.

Many of our people for the last two or three weeks have been sick with colds. Mrs. W. A. Sasser has been real sick for some time. At this writing she is slowly convalescing. Miss Mildred Campbell is this week right sick. Master Jack Vaughan has been sick for several days and others are recovering by degrees. CORRESPONDENT.

IT CURES

Rheumatism And Blood Diseases

The cause of rheumatism is excess uric acid in the blood. To cure rheumatism this acid must be expelled from the system. Rheumatism is an infectious disease and it requires an internal remedy. Rubbing with oils and liniments may ease the pain for the time, but no more cure rheumatism than paint will change the fiber of rotten wood.

Cures Rheumatism to Stay Cured.

Science has discovered a perfect and complete cure called Rheumacide. Tested in hundreds of cases it has effected marvelous cures. Rheumacide removes the causes at the joints from the inside, sweeps the poisons out of the system, tones up the stomach, regulates the bowels and kidneys.
