A weekly Democratic journal devoted to the material, educational, political and agricultural interests of Halifax and surrounding counties.

Advertising rates reasonable and furnished on application.

Is Dr. Sun a Democrat or a Republican.

DR. WILSON evidently regarded it as Harper's Weekly.

YOU can't always judge an actor by the number of wives he has had.

"WOODROW WILSON talks like a man who has nothing to conceal," says the Charlotte News.

It is nothing to Lorimer's discredit that he was once a bootblack—Lincoln was once a rail splitter.

IN the meantime it is not to be supposed for a moment that the packers have stopped packing meat.

DR. WILEY says that women don't know how to cook, which is further proof, if proof were needed that Dr. Wiley is a fearless man.

COLONEL WATTERSON'S protest against Roosevelt makes it clear that the colonels of the country can never be persuaded to stand together.

A Mexican who smoked cigarettes to the end, died at the age of 115. This is mentioned for the benefit of those who swore off cigarettes on new year's day.

It looks as if Dr. Cook would yet come back. He has his partisans today almost as strong as when he first returned from the polar regions and the Cook-Pearcy controversy began.

THE situation over in China, where a fresh outbreak occurs every now and then, continues to be something of a Chinese puzzle to the unsophisticated people of the western world.

FRANCE wants to spend over four millions for the purchase of aeroplanes for purposes of war, which would indicate that the apostles of peace in that country aren't making much headway.

HERE'S a man who changes the Bacon-Shakespeare controversy a bit by declaring Bacon invented the airship. This is probably true. At least Shakespeare never laid claim to the invention.

TY COBB has quit the stage, and if he will also refrain from politics or the lecture platform, and stick to baseball, he may always be assured of a warm place in the hearts of the American people.

**Cures Blood, Skin Diseases, Eczema, Greatest Blood Purifier Free.**

## "BOYS WILL BE BOYS."

But They Should Always Remember to Be Gently Boys—Full of Fun, But Never Overstepping the Bounds of their Rights and Privileges.

There is a great and harmful evil, very prevalent in our town and we might add it is a rapidly growing one. That is the disrespectful behaviour of our boys. This has been manifested in a large degree within the last few months. We have not forgotten when we were boys and are anxious for our young people to have a good time. Neither do we object to fun if made in a harmless manner, but the lack of respect for churches, private property and grown up people is a crying evil which we cannot fail to see. Our children seem to have little regard for our church buildings or furnishings, wantonly deface and destroy the property of the church and are lacking in reverence for the house of God, which is proper and becoming in a civilized community. They are also deficient in respect for ladies and strangers on our streets, often doing and saying things to embarrass and annoy which must make the impression that there has been a lack of training somewhere. We greatly fear that many of our parents are resting content with the saying "Boys will be boys," and do not require of their children the behaviour in public that they should. We are inclined to look over conduct in our own boys that would brand as a "tough" and relegate him to the slums and perhaps the county roads. We hear the question, "What will become of our boys" at every new outrage upon decency and good manners and still we permit these things to go unpunished, and often not even investigated. Not one would like to think that "our boy" will grow up to become a rowdy and eventually a candidate for the State's prison but are blameless for such results when we permit such conduct in the boys that will only lead to such an end. Perhaps we are trusting to others that which is plainly our own duty and depending on school and other influences to set them right. If so, we are sadly blinded to what our duty as parents is. The schools cannot maintain discipline and compel good manners unless the parents co-operate with the officers of the schools and see to it that the rules are obeyed. Thus we see that the root of the trouble lies with the parents and with them must the remedy be found. If there is not a change and the saying that "the boy is father to the man" is true we tremble for the future manhood of our town. We lay it down as a cardinal principle that where respect for sacred things and especially womanhood is lacking there will be results in character which are appalling to contemplate. We regret that these conditions exist but since they do we urge the parents of our town to wake up and each one see what kind of a man his boy will make, if he continues in his present course.

**ANSWERS THE CALL.**  
Weldon People Have Found That This is True

A cold, a strain, a sudden wrench, a little cause may hurt the kidneys. Spells of backache often follow. Or some irregularity of the urine. A splendid remedy for such attacks. A medicine that has cured thousands.

Is Doan's Kidney Pills, a true kidney remedy. Many Weldon people rely on it. Here is Weldon proof.  
J. T. D. Rawlings, Second st., Weldon, N. C., says: "You are welcome to use my name as a reference for the merits of Doan's Kidney Pills as I have tested this remedy and have found that it is reliable. I had backaches and pains through my kidneys and was bothered by irregular passages of the kidney secretions. I finally got Doan's Kidney Pills at Cohen's Drug Store and it was not long before they gave me entire relief." For sale by all dealers. Price 50 cents. POSTER-MILBURN CO., New York, sole agents for the United States. Remember the name—Doan's—and take no other.

THE steel business is looking up, caused by the ordering of the railroads of many tons of steel and many new cars, to say nothing of other orders for big buildings throughout the country. At this rate it will no longer be fashionable to be pessimistic about the presidential year.

# Before Allowing an Operation

Please Read These Two Letters.

The following letter from Mrs. Orville Rock will prove how wise it is for women to submit to the dangers of surgical operations when it may be avoided by taking Lydia E. Pinkham's Vegetable Compound. She was four weeks in the hospital and came home suffering worse than before. Then after all that suffering Lydia E. Pinkham's Vegetable Compound restored her health.

HERE IS HER OWN STATEMENT.

Paw Paw, Mich.—"Two years ago I suffered very severely with a displacement of the uterus and could not be on my feet for a long time. My physician treated me for several months without much relief, and at last sent me to Ann Arbor for an operation. I was there four weeks and came home suffering worse than before. My mother advised me to try Lydia E. Pinkham's Vegetable Compound, and I did. Today I am well and strong and do all my own housework. I owe my health to Lydia E. Pinkham's Vegetable Compound and advise every woman who is afflicted with any female complaint to try it."—Mrs. ORVILLE ROCK, R. R. No. 3, Paw Paw, Mich.

"THERE NEVER WAS A WORSE CASE."

Rockport, Ind.—"There never was a worse case of women's ills than mine, and I cannot begin to tell you what I suffered. For over two years I was not able to do anything. I was in bed for a month and the doctor said nothing but an operation would cure me. My father suggested Lydia E. Pinkham's Vegetable Compound; so to please him I took it, and I improved wonderfully, so I am able to travel, ride horseback, take long rides and never feel any ill effects from it. I can only ask other suffering women to give Lydia E. Pinkham's Vegetable Compound a trial before submitting to an operation."—Mrs. MARGARET MERRITT, R. F. D. No. 3, Rockport, Ind.

We will pay a handsome reward to any person who will prove to us that these letters are not genuine and true. If either of these women were paid in any way for their testimonials, or that the original letter from each did not come to us entirely unsolicited.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No one sick with woman's ailments does justice to herself who will not try this famous medicine, made from roots and herbs, it has restored so many suffering women to health.

Write to LYDIA E. PINKHAM MEDICINE CO., (CONFIDENTIAL) LYNN, MASS., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.
