

Housework Drudgery!

Housework is drudgery for the weak woman. She brushes, dusts and scrubs, as if on her feet all day attending to the many details of the household, her back aching, her temples throbbing, nerves quivering under the stress of pain, possibly dizzy feelings. Sometimes rest in bed is not refreshing, because the poor tired nerves do not permit of refreshing sleep. The real need of weak, nervous women is satisfied by Dr. Pierce's Favorite Prescription, and as Mrs. Briggs and others testify:

It Makes Weak Women Strong and Sick Women Well.
This "Prescription" removes the cause of women's weaknesses, heals inflammation and regularizes the nerves, encourages the appetite and induces restful sleep.

Dr. Pierce is perfectly willing to let every one know what his "Favorite Prescription" contains, a complete list of ingredients on the bottle wrapper. Do not let any druggist persuade you that the unknown composition is "just as good" in order that he may make a bigger profit.

Mrs. BRIGGS, of 225 N. Washington St., Delphos, Ohio, writes: "Having taken your 'Favorite Prescription' for a bad case of menstrual disease and constipation with woman's ill for which I was almost unable to do anything, I think I am safe in saying that there are no remedies in the world like Dr. Pierce's Favorite Prescription and 'Purifying Lotion Tablets.' I am now enjoying the best of health, and thank Dr. Pierce for his wonderful medicine which has done for me a world of good."

Dr. Pierce's Pleasant Pellets regulate liver and bowels.

DO YOU DRIVE TO TOWN?
And find the market unfavorable for your produce? The farmer who has a telephone in his home can telephone first. The useless trips thus saved are worth the cost of service.

Under our plan the service costs but a trifle; the farmer owns the instrument and the equipment. For information write to our nearest Manager for pamphlet, or address:

BROOKLYN TABERNACLE
BIBLE STUDY - ABRAHAM, THE HEBREW.

Genesis 12:1-9 Feb. 16.
"I will leave thee and make thee a great nation, and thou shalt be blessed." - Verse 2.

ABRAHAM is one of the great characters in history. God's promises made to him constitute the foundation of faith for Jews, Christians and Mohammedans, although many of them are not aware of the fact. The Jews are Abraham's descendants through Isaac and Jacob, while Mohammedans represent especially Ishmael and Esau. Christians profess to have become heirs to the chief blessings promised to Abraham's Seed by becoming joint-heirs with Christ Jesus, whom they consider the antitype of Isaac.

The New Testament claim is that the Church of Christ is the antitype of Isaac, Isaac's wife and him-himself; and that Christ and the Church, as the Spiritual Seed of Abraham, are God's agency in blessing the nations. But much of the New Testament teachings was lost during the Dark Ages. Christians forgot that they were called to be joint-heirs in blessing the world.

Only now are Bible students getting back to the teachings of Scripture. Only now are we learning the true import of St. Paul's words, "If ye be Christ's, then are ye Abraham's Seed, and heirs according to the promise." God's Call to Abraham.

Abraham's birthplace was Ur, one hundred twenty miles north of the Persian Gulf. His father-Terah-was a heathen. Idolatry prevailed—the worshiping of many gods. From Ur, the family migrated to Haran, about five hundred miles in the direction of Palestine. There Abraham remained until Terah's death.

God's dealings with Abraham, according to St. Stephen (Acts 7:2, 3), began while he was in Ur. God called him out of his evil surroundings to be the founder of a new nation, holy and obedient to God. The migration from Ur to Haran took the family away from the idolatrous scenes of the metropolis to pastoral life. In harmony with the Divine call, Abraham, then seventy-five years old, his wife Sarah, and his nephew Lot, with their flocks and herds, moved to Canaan after the death of Terah.

Abraham's Great Faith in God. Abraham was full of faith. This feature of his character especially endeared him to the Almighty, who, because of it, styled him His friend. The Bible does not claim that Abraham was perfect. The reverse of this is declared—There is none righteous (Jer. 2:23), no one perfect (James 3:2). None measure up to the glorious image of God represented by Adam.

Abraham was not the friend of God because of his great education, nor his wonderful intellect and powers. Nevertheless, he had intellectual powers. The fact that he was very rich indicates that he was a good manager. He dealt as a ruler, was sworn with Lot and the wealthy Sodomites were taken captive by Chedorloamer. Abraham promptly armed three hundred and eighteen of his servants, pursued the victors and recovered the spoils.

But it was not for his skill as a general that God loved Abraham. The special quality that God loved in him is repeatedly mentioned in the Bible as having been his faith. "Abraham believed God."

Children of Abraham. Abraham's children, from God's standpoint, include only those who have faith in God. The original evidence of this faith and the one true test of it was circumcision of the flesh, figuratively representing a turning away from sin to obedience to God. Circumcision has become largely a ceremonial act, serving as a reminder to the Jews. Such faithless circumcision entitles them to no special Divine favor. But all Jews who still trust in the promises made to Abraham will soon be recipients of marked evidences of Divine blessing through Messiah, who soon is to set up God's Kingdom.

St. Paul explains that all true Christians become the Spiritual Seed of Abraham—heirs of certain spiritual promises, as the natural seed are heirs of certain earthly promises, not yet fulfilled. As the natural seed must maintain allegiance to the God of their fathers, so the Spiritual Seed must have circumcision of the heart—separating them from the world and from sin, marking them as "peculiar people, zealous of good works."

We exhort both Jews and Christians to honesty and faithfulness—obedience to God the one God, that they may inherit the Heavenly promises; so that, when they are ready for the inheritance which will be theirs as soon as the Heavenly, Spiritual Seed of Abraham shall have been completed by the First Resurrection.

MAN'S PREFERENCE

Miss Lillian Hill, lecturing on eugenics in Cleveland, said: "It is a good thing for the human race that eugenics counts for more than money when it comes to love, intellect, no often means nerves—insomnia—hypochondria. Yes, it is a good thing for the human race that, as an old man from Vassar put it rather bitterly: "When prefer a well formed girl to a well informed one."

RATHER FORMAL

"Are you on friendly terms with your neighbor in the apartments?" "Well, no. She's rather formal. Always sends her card when she wishes to borrow flour, and if she wants both flour and sugar, she sends two cards."

ITS PACE

"So time runs its race?" "Yes, in the lapse of years."

PEACE

About the only time the average married man has any peace in his home is when his wife has her mouth full of haptns.

Look out for explosions; the water-blasts are blowing up the streets and alleys everywhere.
