#### NEW LIGHT ON SOCRATES.

The misunderstanding of words frequently causes strange answers. A child who had been taught that Socrates had a wife who was unpleasant to him and that the great philosopher drank hemlock, when asked the cause of his death, replied:

"Socrates died from an overdose of wedlock."—Strand Magazine.

Mr. Young—"My little girl is nearly two years old, and hasn't learned to talk yet."  
Mr. Peck—"Don't let that worry you. My wife says she didn't learn to talk until she was nearly three, and now—"  
But Mr. Peck's voice at this point was choked with sobs.—Stry Stories.

#### Best Known Cough Remedy

For forty-three years Dr. King's New Discovery has been known throughout the world as the most reliable cough remedy. Over three million bottles were used last year. Isn't this proof? It will get rid of your cough, or we will refund your money. J. J. Oseus, of Allendale, S. C., writes the way hundreds of others have done: "After twenty years, I find that Dr. King's New Discovery is the best remedy for coughs and colds that I have ever used." For coughs or colds and all throat and lung troubles, it has no equal. 50c and \$1 at all druggists.—Adv.

### UPPERS ALL TAKEN.

As you journey along on life's railway train In sunshine and shadow, in frost and in rain, Try hard as you like you can't cut a dash For the man at the wicket who pockets your cash Says, "If I'm not mistaken The lowers are all taken; Uppers are all today."

When you go to a church where millionaires are And ask for a seat not back very far, The man in frock coat who stands at the door; His face is familiar; you've seen him before; Says, "If I'm not mistaken The lowers are all taken; Uppers are all today."

When the work you have done is deserving of praise And you go down to your boss expecting a raise He sizes you up while he light his cigar And pointing the way to an up-going car Says, "If I'm not mistaken The lowers are all taken; Uppers are all today."

When you break all the strings of your old violin And go to Saint Peter and ask to get in He thinks of your sins with regret in his eye And closing the door of the sweet by and by Says, "If I'm not mistaken All the uppers are taken; Lowers are all today."

#### A WISE MAID

"Katie," said the mistress, "what have you done with the letter I left on the table?"  
"I put it in the letter box, ma'am."  
"But it was not yet addressed."  
"No, ma'am. I supposed you didn't want anybody to know where it was going!"

#### Are You Constipated?

If so, get a box of Dr. King's New Life Pills, take them regularly and your trouble will quickly disappear. They will stimulate the liver, improve your digestion and get rid of all the poisons in your system. They will surely get you well again. 25c at all druggists.

The average man is so suspicious that he imagines you are trying to poison his dog every time you throw him a bone.

#### THE WAY OF THE CHANGE.

"I was under the impression that a man was in charge of this office," said a government inspector, entering a country postoffice and seeing a woman at the delivery counter.  
"And so he was," replied the woman sharply, "but I married him. I am in charge now. What do you want?"  
But the government inspector had fled.

#### Best for Skin Diseases

Nearly every skin disease yields quickly and permanently to Bucklen's Arnica Salve, and nothing is better for burns or bruises, soothes and heals. John Deye, of Gladwin, Mich., says, after suffering 12 years with skin ailment and spending \$500 in doctor's bills, Bucklen's Arnica Salve cured him. It will help you. Only 25c. Recommended by all druggists.

Close friends are not the kind we want in time of need.

#### TRIPPING A LAWYER.

In some cases counsel receives answers to questions that they had no business to put, which, if not quite to their liking, are what they justly deserve. The following story of George Clarke, a celebrated negro minstrel, is a case in point. On one occasion, when being examined as a witness, he was severely interrogated by a lawyer.

"You are in the minstrel business, I believe?" inquired the lawyer.  
"Yes, sir," was the reply.  
"Is not that rather a low calling?"  
"I don't know but what it is, sir," replied the minstrel, "but it is so much better than my father's that I am rather proud of it."  
The lawyer fell into the trap.  
"What was your father's calling?" he inquired.  
"He was a lawyer," replied Clarke, in a tone that sent the whole court into a roar of laughter as the discomfited lawyer sat down.—Weekly Telegraph.

#### THE SWEET THING.

Fair Visitor—"Oh, don't trouble to see me to the door."  
Hostess—"No trouble at all, dear. It's a pleasure."—New York Mail.

#### WILLING TO HELP.

He—Some tunes carry me away.  
She—Only tell me once, and I will play it with great pleasure.—Lippincott's.

#### THE TEST.

"What makes you think he's got money?"  
"Well, they couldn't prove by his books where the money went."  
A diplomat knows when it is policy to know nothing.

#### ANOTHER PATIENT

When little Bob bumped his head, Uncle Jim gathered the youngster in his arms and said:  
"There! I'll kiss it, and the pain will all be gone."  
Cheerfully smiling, the youngster exclaimed:  
"Come down into the kitchen; the cook has the toothache."—Judge.

#### EASY EMPLOYMENT.

"The easy man in this establishment, I am sure, envy guns."  
"Why should they envy guns?"  
"Because guns find constant employment only in being fired."

#### NOT HARD.

"Do you expect me to be in two places at once?"  
"That's not hard. If you were a New York fugitive from justice, you could easily be in 20."

Every spinster believes that his satanic majesty is a married man.  
Any man's credit is good when it comes to borrowing trouble.

People who are rolling in wealth should be able to find better use for it.
