## THE BLOSSOMS AND THE DREAMS

Off where the blossoms strew the streams—the heart's glad holiday; We're with the beauty of the dreams, and singing on the way; Surely, there is no winter, and life's eternal May,— For with the blossoms and the dreams we sing along the way.

We sing amid the blossoms, and where the lilies throng, And the very winds—they listen, for the soul is in the song; The holy light of heaven upon our pathway streams; O life is worth the living with the blossoms and the dreams!

All earth is singing 'round us and sorrow's in eclipse; Bend low, O world of blossoms, and kiss Love's lifted lips!

And let him dwell forever where light undying beams

A brother to the violets, with the blossoms and the dreams.

### OBEYED ORDERS.

Murphy was a new cavalry recruit and was given one of the worst horses in the troop.

"Remember," said the sergeant, "no one is allowed to dismount without orders."

Murphy was no sooner in the saddle than the horse kicked and Murphy went over his head.

"Murphy," yelled the sergeant, when he discovered him lying breathless on the ground, "you dismounted."

"I did."

"Did you have orders?"

"I did."

"From headquarters?"

"No, sir; from hindquarters."

Ladies' Home Journal.

## THE HUMANITY OF LAFAYETTE.

The Frosts and Snows of Valley Forge.

The incident I am about to relate occurred in 1824 during Lafayette's last visit to this country. Forty years had elapsed since his promise to Washington to return as his guest. He was now nearly seventy years old, but his heart beat as warmly for his country as in those earlier days when he had fought for its liberties. A brilliant reception was under way. A slowly-moving line of stately guests passed by the Marquis, who greeted each with courtesy. Presently there approached an old soldier clad in a worn Continental uniform. In his hand was an ancient musket, and across his shoulder was thrown a small blanket or rather a piece of blanket. On reaching the Marquis, the veteran drew himself up in the stiff fashion of the old-time drill and gave the military salute. As Lafayette made the return signal, tears started to his eyes. The tattered uniform, the ancient flintlock, silver-haired soldier, ever older than himself, recalled the dear past.

"Do you know me?" asked the soldier. Lafayette's manner had led him to think himself personally remembered.

"No I cannot say that I do," was the frank reply.

"Do you remember the frosts and snows of Valley Forge?"

"I shall never forget them," answered Lafayette.

"One bitter night, General, you were going the rounds at Valley Forge. You came upon a sentry in thin clothing and without stockings. He was slowly freezing to death. You took his gun, saying, 'Go to my hut. There you will find stockings, a blanket and a fire. After warming yourself, bring the blanket to me.' Meanwhile I will keep guard."

"The soldier obeyed. When he returned to his post, you, General, cut the blanket in two. One half you kept; the other, you presented to the sentry. Here, General, is one half of that blanket, for I am the sentry whose life you saved."

### SUCCESS IN BUSINESS.

The path of success in business is invariably the path of common sense. Notwithstanding all that is said about "lucky hits," the best kind of success in every man's life is not that which comes by accident.—S. Smiles.

## EXPERIENCE OF MOTHERHOOD

Advice to Expectant Mothers

The experience of Motherhood is a trying one to most women and marks distinctly an epoch in their lives. Not one woman in a hundred is prepared or unprepared how to properly care for herself. Of course, nearly every woman longs for medical treatment at such times, but many approach the experience with an aversion instilled for the trial of strength, and when it is over they are often too tired to recover. Following right up the trail of Doan's Kidney Pills is a strain of courage on the mind, and a distinct change in the mother's results.

There is nothing more charming than a young, healthy mother of children, and a child born under the right conditions need be no hazard to health or beauty. The unexplainable thing is that, with all the evidence of shattered nerves and broken health resulting from an unprepared condition, and with ample time in which to prepare, women will persist in going blindly to the trial.

Every woman at this time should rely upon Lydia E. Pinkham's Vegetable Compound, a most valuable tonic and invigorator of the female organism.

In many homes once children there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy and strong.

If you want special advice write to Lydia E. Pinkham's Medicine Co., (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.
