DEATH OF J. T. PARKER.—Mr. John T. Parker, of Northampton county, a veteran of the war between the States and a most highly esteemed citizen, died Tuesday of the past week in Norfolk; aged 79 years.

His remains were brought back to his home in Northampton county, and the funeral and interment took place Wednesday.

Mr. Parker was thrice married, his last wife surviving him. He leaves several children by his first marriage, among them being W. T. Parker, a well known and popular grocery merchant of Weldon. Mr. Parker entered the army at the beginning of hostilities going to war with Captain Ellis' company, Garysburg. He served throughout the four years and then returned to his home where he spent the remainder of his days on his farm. He frequently visited Weldon since his son has been living here, and had many friends in our midst. To the bereaved family we extend sympathy.

NO ERROR IN COBB CASE.—The Supreme court last week handed down an opinion in the case of State vs. R. W. Cobb, who was tried at the June term of Halifax Superior court, found guilty of murder in the first degree and sentenced by Judge Lane to be electrocuted September 19, in which no error was found. This means that Cobb must die in the electric chair at some future date, to be named by the Governor, unless he commutes the sentence to life imprisonment in state's prison.

Attorneys for Cobb had strong hopes of a new trial, while the presiding judge and state's attorneys could see no grounds for a new trial.

Cobb was tried upon a bill of indictment in which he was charged with the murder of Thomas Shaw, at the latter's residence, just as he was in the act of entering his residence on the night of May 3rd, after having closed his store for Saturday night.

Because when the user adds 7 quarts of oil to each gallon of the L. & M. Semi-Mixed Paint, it makes 1-3/4 gallons of pure paint at a cost of about \$1.40 per gallon. This saves the user about one cent a gallon on all the paint used. The L. & M. is and has always been the highest grade and most perfect paint produced. Sold by E. Clark.

CAPTAIN J. M. PURNELL.—Captain J. Marion Purnell, for quite a number of years a well known and popular conductor on the Atlantic Coast Line, died at the home of his sister here, Mrs. H. D. Allen, Friday evening, aged 49 years.

Captain Purnell was a native of Halifax county, and is survived by four brothers and two sisters, E. D., R. M., James and Thomas Purnell; Mrs. H. D. Allen and Mrs. W. T. Overstreet. He also leaves a large number of other relatives and friends throughout the county, who learn with sorrow of his death.

Captain Purnell suffered a nervous breakdown several years ago and was forced to give up his run on the trains. Since that time he had been making his home with his sister, Mrs. H. D. Allen.

The funeral service took place from his late residence Sunday afternoon at 3 o'clock, and the interment was in the family square in Cedarwood cemetery. Rev. J. A. Hornaday conducted the service, a large number of relatives and friends being present. The hymns used were most appropriate, friends from the various churches in town taking part in the singing. "Abide with Me," was first used and the closing hymn at the house was "The Sweet Bye and Bye."

Captain Purnell had been a great sufferer for the past few years and while death is always sad and leaves bruised and broken hearts it is comforting to know that he is free from all bodily pain and suffering. May the Lord who binds up all bruised hearts give His healing balm to the afflicted family.

Woman Finally Recovers From Nervous Breakdown. Impoverished nerve—destroy many people before their time. Often before a sufferer realizes what the trouble is, he is on the verge of a complete nervous breakdown. It is of the utmost importance to keep nervous system in good condition, as the nerves are the source of all bodily power. Mrs. Rosa Bonner, 825 N. 10th St., Birmingham, Ala., says: "I have been suffering with nervous prostration for nine or ten years. Have tried many of the best doctors in Birmingham, but they all failed to reach my case. I would feel as if I was anguishing, finally I went into convulsions. My little girl saw

Dr. Miles' Nerve advertised in the papers and I at once began to take it. I continued to take it for some time and now I am well.

If you are troubled with loss of appetite, poor digestion, weakness, inability to sleep; if you are in a general run down condition and unable to bear your part of the daily grind of life, you need something to strengthen your nerves. Dr. Miles' Nerve has proven its value in nervous disorders for thirty years, and merits a trial, no matter how many other remedies have failed to help you. Sold by all druggists. If first bottle fails to benefit your money is returned. MILES MEDICAL CO., Elkhart, Ind.
