

A Carelessly Treated Cold
 is the source of most sickness because drugged pills, syrups and alcoholic mixtures are uncertain and unsafe.
Scott's Emulsion has been relied upon by physicians for forty years as the safe and sensible remedy to suppress the cold and build up the enfeebled forces to avert throat and lung troubles.
 Don't tolerate alcoholic substitutes, but insist on the **Genuine Scott's Emulsion**. One bottle usually lasts longer than a cold. Every druggist has it.

At the National Farmers' Congress the chief problem was held to be keeping the boys on the farms. It will come about when the farms are made more attractive to the boys.
 The betterment associations all over the State are doing a great work. You hardly ever pick up a paper without seeing where they have been doing something for the good of their communities.
 THAT proposed New York skyscraper 901 feet high would out-top the Woolworth building, but would still be topped by the Eiffel Tower in Paris. While going skyward why not go for a world record and be done with it—temporarily at least.
 JUDGE ADAMS, of Asheville, has ruled in a case before him that "matches are like umbrellas, public property." The case was that of a man arrested on a charge of stealing a box of matches from a grocery store. He had made some purchases, and seeing the box on the counter walked off with it. The indignant grocer had him arrested. The judge in dismissing the prisoner said that he was surprised that a merchant should bring such a case into court. It has long been recognized, he said, that a man making a purchase has a right to a few matches, and I think the defendant was perfectly within his rights in taking them.

IT RAINS RED LIZZARDS.
 Sharon, Pa.—Sharon was visited by a shower of tiny red lizzards during a rainstorm. They were seen by the hundreds near the State line.
"CORPSE" OBJECTED SO FUNERAL IS CALLED OFF
 St. Louis, Mo.—Samuel P. Walk, proprietor of an express company today was busy calling his friends on the telephone and assuring them that he was not dead. Mr. Walk's death notice appeared in a paper with the announcement that his funeral would be held today.
 The first Walk knew of the death notice was when a florist called at his place of business to learn the details of his death. The florist had been advised of the death by telephone and had been ordered to make an elaborate floral piece for the funeral.
WINKS ARE \$25 APIECE HE TOOK TWO OF THEM.
 Pitsburg, Pa.—Two winks cost Joseph Ulrich, a young masher, \$25 apiece. Ulrich winked twice at Miss Marie Moran, a high school girl, and was picked up by a policeman who didn't like Ulrich's manner.
 Magistrate Kirby told Ulrich that any man who would wink at a respectable girl on the street should be "quartered and hanged," but as he had not the power to order that punishment he would charge him \$25 for each wink and in the event of his failing to pay the levy he could spend sixty days in jail. Ulrich paid the fine.
DIE THREE DAYS BEFORE THEIR GOLDEN WEDDING.
 Jersey City, N. J.—Just three days before their golden wedding celebration, for which elaborate preparations had been made, Christopher Rupp, 79 years old, and his wife, Caroline, 77 years old, were suffocated by gas in the home of their daughter. The golden wedding was to have taken place Saturday. The double funeral was on Friday.
 Rupp, who was nearsighted and nervous, in turning on the gas heater in their room, disconnected the pipe. They were both found dead in bed in the morning.
 The four sons of the Rupp family gathered for the funeral, instead of for the golden wedding feast. The pair were buried in the same grave.
Costs Less than Paper
 To paint the walls and woodwork of a room that has previously been painted—Quantity of L. & M. Paint needed costs \$1.75
 The painters labor costs about \$1.33
 Total costs \$3.08
 Two coats of paint costs less than paper. A painted room is sanitary. No chance for breeding germs. Use the L. & M. Semi-Mixed Red Paint, adding one part of turpentine to two parts of the L. & M. to make it ready for use. A child can mix this paint—it's so simple. Sold by E. Clark.

ROANOKE BAPTIST ASSOCIATION.
 Sixth Annual Session at Scotland Neck Began Tuesday.

A special meeting News and Observer from Scotland Neck, dated Monday, October 13th, says: "The Roanoke Baptist Association met in its sixth annual session with the Scotland Neck Baptist church, beginning Tuesday evening at 8 o'clock. The meetings will continue through Wednesday and Thursday. Hon. T. M. Arrington, of Rocky Mount, is the moderator, and Rev. T. L. Vernon, of Hobgood, is clerk and treasurer. The introductory sermon will be preached Tuesday evening by Rev. T. W. Chambliss, pastor of the First Baptist church in Wilson.

This association is composed of fifty-five churches, located in Halifax, Martin, Pitt, Washington, Beaufort, Edgecombe and Wilson counties. The membership is nearly 8,000. These churches at the last session of the Association, held at Weldon, reported a gain of several hundred members during the year, and a total of 274,800\$86 contributed to all causes. It is expected that the reports of this year will be in advance of last year.
 The Scotland Neck church will make one of the best financial reports of its long history. More than \$15,000 have been contributed by this church to all objects during the year, of which sum \$8,981.02 went to denominational benevolence. At the last church conference the following persons were elected as delegates to the Association: George W. Bryan, B. D. Webb, Frank P. Shields and the pastor, Rev. F. A. McFarland.
 The Roanoke Association is the youngest association of the Baptist State Convention. The churches until six years ago belonged to the old Tar River Association, which had more than one hundred churches and included ten counties. Six years ago it was thought wise to organize the churches of the eastern part of the old association into a new body, and this was done at Rocky Mount in October, 1908, and the new body was named the Roanoke Baptist Association.

MONEY REFUNDED WITH A SMILE.
 Leading Drug Store Will Give Money Back Should There Ever Be a Case where Dodson's Liver Tonic Fails.

Dodson's Liver Tonic is a mild vegetable liver tonic which operates so successfully in cases of constipation, torpid liver or biliousness that it has practically taken the place of calomel—the drug which is so often dangerous. W. M. Cohen, who sells Dodson's Liver Tonic, recommends it as a reliever of constipation, sour stomach, biliousness and sluggish liver. It works gently, surely and harmlessly. If a bottle should ever fail to give satisfaction W. M. Cohen will refund the price paid without question.
 The price of Dodson's Liver Tonic is 50c per bottle. Be sure you get Dodson's Liver Tonic and not some medicine put up in imitation that is not backed up by a guarantee and that many contain harmful drugs.

A Delightful Profession for Young Women
 THERE is no occupation for a young woman that is more pleasant or congenial, more suited to her ability and nature, none that can give her more personal satisfaction, and if she be a thoroughly trained professional none that offers bigger rewards than that of music teaching. The supply of competent teachers of piano music is far short of the demand.
 Has your daughter ever given this matter a thought; have you ever spoken to her about (some day becoming a teacher of music)? If so—buy her a

Women of Middle Age

From 40 to 50 Woman's Critical Period.

Such warning symptoms as sense of suffocation, hot flashes, severe headaches, melancholia, dread of impending evil, palpitation of the heart, irregularity, constipation and dizziness are promptly treated by intelligent women who are approaching the period of life.
 This is the most critical period of woman's life and she who neglects the care of her health at this time invites incurable disease and pain. Why not be guided by the experience of others and take Lydia E. Pinkham's Vegetable Compound? It is an indisputable fact that this grand old remedy has helped thousands of women to pass through this trying period with comfort and safety. Thousands of genuine and honest testimonials support this fact.

From Mrs. HENRY HEAVILIN, Cadiz, Ohio.
 Fort Worth, Texas.—"I have taken Lydia E. Pinkham's Vegetable Compound and derived great benefit from its use. It carried me safely through the Change of Life when I was in bad health. I had that all gone feeling most of the time, and headache constantly. I was very nervous and the hot flashes were very bad. I had tried other remedies and doctors, but did not improve until I began taking Lydia E. Pinkham's Vegetable Compound. It has now been some time since I took the Compound and I have had no return of my old complaints. I always praise your remedies to weak women."—Mrs. Henry Heavilin, R. F. D. No. 3, Cadiz, Ohio.
From Mrs. EDWARD B. HILBERT, Fleetwood, Pa.
 Fleetwood, Pa.—"During the Change of Life I was hardly able to be around at all. I always had a headache and I was so dizzy and nervous that I had to rest at night. The flashes of heat were so bad sometimes that I did not know what to do.
 "One day a friend advised me to take Lydia E. Pinkham's Vegetable Compound and I made me a strong, well woman. I am very thankful that I followed my friend's advice, and I shall recommend it as long as I live. Before I took the Compound I was always sickly and now I have not had medicine from a doctor for years. You may publish my letter."—Mrs. Edward B. Hilbert, Fleetwood, Pa.

From Mrs. P. P. MULLENDORE, Munford, Ala.
 Munford, Ala.—"I was so weak and nervous while passing through the Change of Life that I could hardly live. My husband had to nail rubber on all the gates for I could not stand to have a gate slam. "I also had headache and a fullness in my stomach. I noticed that Lydia E. Pinkham's Vegetable Compound was advertised for such cases and I sent and got a bottle. It did me much good that I kept on taking it and found it to be all I now claim. I recommend it to all women afflicted as I was."—Mrs. P. P. Mulledore, Munford, Ala.
