

D. A. R. Will Purchase the Historic Grove Place.

The Daughters of the American Revolution of this town have arranged to purchase the old Colonial home of Wiley Jones, who once owned this property. History states that Mr. Jones adopted John Paul Jones, when he took the name of Jones. Mr. Jones and a Mr. Haynes, of Edenton, were at this time members of the National Legislature and assisted John Paul Jones in getting fitted out gunboats for his successful sea fights with Great Britain. Mr. Jones frequently entertained the famous admiral at his home in Halifax.

The Daughters have just given a successful entertainment for the purpose of raising funds to pay for this historic place, which they will retain in its original condition. They have also taken in hand the old church cemetery and fixed the graves, and repaired the marble slabs, some of which date back to 1742. This church building was one of the first built when the foundation of the town was laid. From the fact that a half crown was carved out of wood and erected just above the pulpit is evidence that it was erected by the members of Protestant Episcopal church, and still belongs to that denomination.

TAR HEEL HONORED.

Nat. M. Harrison, of Brinkleyville, Elected Manager of College Paper.

The following special from Westminster, Md., will be read with pleasure and interest here:

Mr. Nat. M. Harrison, of Brinkleyville, N. C., was elected business manager of the Webster Literary Society here. This position is one of great responsibility and necessitates the handling of a large sum of money, and a great deal of work is attached to it. It is considered a position of great honor, and Mr. Harrison is one who is amply justified in having this position. Mr. Harrison is a man of excellent ability in this line of work and through his efforts the college paper will undoubtedly be successful financially.

Mr. Harrison is a member of the sophomore class, studying for the ministry. He is very popular among the students.

R. W. COBB.

Slim Chance for Him to Escape Electric Chair—Warden Issues Admission Cards to Witnesses.

That R. W. Cobb, under sentence of death, will be electrocuted Friday of this week appears certain now, Governor Craig having given the young man a respite of three weeks about the middle of February.

A desperate effort has been made to save Cobb, whose crime was the murder of Thomas Shaw last year. Though death row at the State's Prison has had a number of criminals whose offenses were vicious, Cobb's murder of the merchant is the only one which has appeared to have no mollifying circumstance. It was the one of them all that appeared to have been assassination.

Cobb is but 24 years old. His father has been in Raleigh to appeal to the Governor and attorneys have asked to be allowed to reopen the case with new evidence. The showing did not impress Governor Craig and he has not interfered further. Monday cards were issued to the witnesses who will attend the execution. The law requires some witnesses and limits the number to twenty-six. It is not believed that the Governor will stop the execution. It will be the first one under his administration.

When you buy a new machine you want to be sure that it will do the work for which it is intended and save you that labor. It is the same way with a remedy. You want to be sure that it will do the work. In case of rheumatism, the afflicted parts can be rubbed for hours, which will bring relief, but leave you exhausted with the effort. An application of Sloan's Liniment does the work for you; no rubbing, just lay it on and you have the same result with no hard work on your part. It is so soothing, so warm, and comforting. Goes right to the sore spot and drives away the excruciating pain. Better get a bottle today. 25c and 50c. All druggists. Sloan's Liniment kills pain.

Stubborn, Annoying Cough Cured

"My husband had a cough for fifteen years and my son for eight years. Dr. King's New Discovery completely cured them, for which I am most thankful," writes Mrs. David Moor, of Saginaw, Ala. What Dr. King's New Discovery did for these men, it will do for you. Dr. King's New Discovery should be in every home. Stops hacking coughs, relieves the gripe and all throat and lung ailments. Money back if it fails. All druggists. Price 50c. and \$1. H. E. BUCKLEN & CO., Philadelphia, Pa. St. Louis, Mo.

HOW TO HELP AN EDITOR.—The following is reported as a toast given to newspapers by a minister while at an editorial convention. Before you criticize the editor next time remember these words:

"To save an editor from starvation, take his paper and pay him promptly. To save him from bankruptcy, advertise in his paper liberally. To save him from despair, send him every item of news of which you can get hold. To save him from profanity, write your correspondence plainly on one side of the sheet and send it in as early as possible. To save him from mistakes, bury him. Dead people are the only ones who never make mistakes."

NEAR AURELIAN SPRINGS.—At the store of Mr. J. R. Liles, near Aurelian Springs, a difficulty occurred Wednesday afternoon in which Messrs. S. W. Smith and J. R. Liles were the participants. Messrs. Liles and Smith are brothers-in-law. On some previous occasion there had been a disagreement between them. From what we can learn Mr. Smith cursed Mr. Liles and approached him with a drawn knife. Liles backed from Smith warning him to come no further until Liles was hemmed in behind his counter when he began bring at Smith at short range striking him two or three times. Two balls near the head, one in the body and another on the arm. Smith was able to leave the store for his home. We hear the condition of Smith is not thought to be serious.—Littleton News Reporter.

JUNIORS ENTERTAIN SENIORS.—The Junior Class of the Weldon High School gave a reception to the Senior Class February 17, at the home of Vernon Mountcastle. The house was artistically decorated with the Junior colors, orange and gold. As the guests entered they were presented with the program by Miss Julia Mountcastle. Then they were ushered into the dining room, where delicious viands was served by Miss Willie B. Musgrove and Joseph Blacklock. The programme was then rendered which was as follows:

1. Salutatory to the Seniors—Elwood Parker.
2. Instrumental Solo—Mary Holdford.
3. Vocal Solo—Lily Gay Shaw.
4. Reading, "Nobility," Grace Jones.
5. Instrumental Solo—Willie B. Musgrove.

DEATH OF M. T. WOOD.—Last Saturday morning, February 21st, about six o'clock, the soul of M. T. Wood passed into the great beyond, aged fifty-nine years.

For many years Mr. Wood was prominently connected with the business interest of Enfield and was always highly esteemed by all who knew him. He was engaged in the mercantile business for a long time in the building now occupied by J. L. Barnes' grocery store.

Several years ago Mr. Wood suffered a stroke of paralysis which caused his retirement from active business life. Since that time he has been in more or less ill health, though able to go about the streets. On Wednesday before his death he became suddenly ill and continued to grow worse until the end Saturday morning.

Mr. Wood is survived by his widow and six children; four sons, Messrs. R. M. Wood, R. L. Wood, of Rosemary, and Masters Rom and Eugene; and two daughters, Mrs. B. B. Sherrod and Miss Ruth Wood, and a large number of relatives.—Enfield Progress.

RETURNED HOME.—The Rev. Albert New, Rector of this Parish, returned home last Thursday from Talladega, Alabama, where he conducted a week's mission in St. Peter's church. Two former Rectors of Weldon have been incumbents of Talladega, the Rev. W. L. Mellichamp 1891-1897; and the Rev. Dr. Aristides Smith who was the first Rector of Talladega 1850-1857. The Talladega Daily Home says of the recent mission:

"The Rev. Albert New is a very pleasant, interesting and forcible speaker, evidencing in every word deep spiritual character, zeal for the honor of God, the extension of the divine kingdom, and the salvation of men. While the addresses of the Missioner were largely exhortative, yet there was no neglect of lessons of instructive value in the essential principles of the fullness of the faith, nor of the clear interpretations of Scripture records. The attendance was good throughout the entire series of services, but especially so on Sunday, when the church was overflowed both morning and evening, and a very good representation of men at the service for men only in the afternoon."

ORPHANS' SINGING CLASS.—In the summer of 1873 there could be seen winding its way over the public roads of Granville and adjoining counties a very robust man with a wagon full of children. This was Mr. John H. Mills with a group of children from the Oxford Orphan Asylum. This constituted the first Singing Class from this Institution. It was the beginning of a career which has made the organization one of the most widely known in the State. This Class has also been a means of stirring the hearts and enlisting the sympathies and co-operation of the citizenship of the State in the Orphanage work.

This Class makes a tour of the State each year, touching nearly every county and most of the towns. Because of the character of the work and the merits of the concerts it has grown in favor with the people more and more each year.

The Class has just started out from Oxford on its first or north-eastern trip for this spring. During the summer the time will be spent, for the most part, in the Western section of the State. Later in the fall the trip will be made through the Southeastern part of the State.

The Class is starting out most auspiciously this year and we predict that it will receive even a more hearty welcome than ever before.

SEVERE BRONCHIAL COUGH

Doctors Feared Lung Trouble, Restored to Health by Vinol.

The medical profession does not believe that lung troubles are inherited, but a person may inherit a weakness or tendency to them. Mrs. Kate Heckman, Springfield, Ohio, says: "A few years ago I was in a very bad run-down condition, and the physician told me I had consumption. I tried another physician, and he told me I had ulcers on my right lung. I quit the physicians and started on 'Vinol.' Today I am perfectly healthy, and that is why I recommend 'Vinol.'"

Vinol soothes and heals the inflamed surfaces and allays the cough. Vinol creates an appetite, strengthens the digestive organs and gives the patient strength to throw off incidental pulmonary diseases. Try a bottle of Vinol with the understanding that your money will be returned if it does not help you.

Mr. Holdford is a well known farmer who lives near Weldon and he has many friends here who extend best wishes. His bride has been living near Smith's church where she has quite a number of friends. May many years of happiness be their portion as they journey through life.

WELDON 33 YEARS AGO.

From the Roanoke News, March 5 1881.

Drs. D. B. Zollicoffer and S. T. Nicholson, both of this county, graduated and took the degree of M. D. at the College of Physicians and Surgeons, Baltimore, at the term just ended.

She was riding in a buggy in company with her brother, and Miss Annie Vaughan, when the horse took fright and ran away, overturning the buggy in a ditch. The other occupants of the buggy escaped with but slight bruises.

BRAINS DULLED BY CONSTIPATION

Some People Only Half Alive; Dodson's Liver Tone Cleans You Out and Wakes You Up.

When constipation is having its evil effect on your body and brain, Nature is doing her best to offset them and overcome the cause itself. But usually Nature cannot do this unaided.

In the past, many sufferers at such a time used to turn to dangerous calomel in hope of relief. For some people calomel does appear to give a temporary benefit, but as a matter of fact it is a poison that proves to be injurious and even dangerous to many. If you have ever taken calomel you probably have suffered from evil conditions following its use.

But nowadays great numbers of people have learned how to feel better, brighter and healthier by taking Dodson's Liver Tone instead of calomel. Indeed, this harmless vegetable liquid is recommended and guaranteed by W. M. Cohen who will refund the purchase to you without question if you are not completely satisfied with it.

Get a bottle of Dodson's Liver Tone for only 50c and learn for yourself how easily and naturally it assists nature in getting rid of and correcting constipation and biliousness, how it clears away the sick headache and coated tongue and sets you right without ache or gripe, without any interference with your regular habits. Fine for the children. They like to take it.
