### THE MULE.

The Progressive Farmer has discovered the following outburst of poetic genius:

The mule, he is a funny sight,  
He's made of ears and dynamite;  
His heels are full of bricks and springs,  
Tornadoes, battering rams, and things.

He's as fat as any poisoned pup;  
It's just his meanness, swells him up;  
He's always scheming 'round to do

The things you most don't want him to.

The mule, he lives on anything;  
He's got a lovely voice to sing,  
And when he lets it loose at noon,  
It sounds like buzz saws out of tune.  
He stands around with sleepy eye,  
And looks as if he'd like to die.  
But when there's any dying done  
It ain't the mule, I'll bet a bun.  
Some folks don't treat mules with respect;

They say they ain't got intellect;  
That may be so, but if you've got  
To go to heaven on the spot,  
And want a way that doesn't fail,  
Just pull the rascal on his tail.  
The mule, he tends to his own biz,  
He don't look loaded, but he is.

### Rheumatism

Just put a few drops of Sloan's on the painful spot and the pain stops. It is really wonderful how quickly Sloan's acts. No need to rub it in—laid on lightly it penetrates to the bone and brings relief at once. Kills rheumatic pain instantly.

Mr. James E. Alexander, of North Haverhill, N.H., writes: "Many strains in my back and legs brought on rheumatism in the winter of 1908. I had it so bad one night when sitting in my chair, that I had to jump on my feet to get relief. I at once applied Sloan's Liniment to the affected part and in less than ten minutes it was perfectly gone. I think it is the best of all liniments I have ever used."

### THE MIGHTY COURT OF THE UNIVERSE. THE HUB OF THE ARCHITECTURAL SCHEME AT THE PANAMA-PACIFIC INTERNATIONAL EXPOSITION

All visitors to the Panama-Pacific International exposition at San Francisco at some time during their stay at the exposition make their pilgrimage through the Court of the Universe. This is the largest court on the grounds, and in the central radiating unit of the architectural and ground plans. Noble sculptured groups embellish the two Homeris groups—the Nations of the East and the Nations of the West—surmounting the giant arches at the east and west portals. By night the beauty of the court is enhanced by the flood lighting effects.

### THE "ZONE," THE PLAYGROUND OF THE PEOPLE OF THE WORLD AT THE PANAMA-PACIFIC INTERNATIONAL EXPOSITION

Through the center of the Zone, the amusement section at the Panama-Pacific International exposition at San Francisco, runs a broad avenue three thousand feet in length. It is not unusual for this entire avenue to be jammed with entertainment seekers who are busy patrolling the one hundred concessions on the Zone. An exact reproduction of the Panama canal is one of the popular and instructive features, there being a constant line both day and night of people eager to see the work of the miniature canal. The premier showmen of America have assembled here their finest offerings of amusement, education and instruction.

### THE FOUNTAIN AT THE PANAMA-PACIFIC INTERNATIONAL EXPOSITION THAT SYMBOLIZES THE BUILDING OF THE PANAMA CANAL

The labor that went into the building of the Panama canal is symbolized in the Fountain of Energy, by A. Stirling Calder. This heroic sculpture stands in the center lagoon of the three lagoons of the South Gardens and faces the main entrance gates. The waters were first released on opening day, February 20, coincidently with the opening of the portals of the exhibit palace and by the same means, the electric spark transmitted across the continent when President Woodrow Wilson opened the great exposition at San Francisco by wireless.

### "OLD-FASHIONED METHODS."

The Connection Between Home and Church

THOMAS H. MARSHALL

Some excellent addresses made by Vice-President Marshall have appeared in the press referring to the present day need of giving children home training in religion.

In this connection Mr. Marshall says: "Let me urge the claims of an 'old-fashioned method of providing this training. I allude to the custom—once widespread, now almost obsolete—of having 'family prayers,' worship of God morning and night in the home. This practice furnished also the 'family devotion' or which to add the edify of 'church going.' Why has this custom fallen into disuse? Why not restore this strong influence for good in the home, this connection between home and church?"

Never in their history have our churches done more for the people than they are doing now. The religious training of children is not what it should be, and if church attendance is not increasing it is because we home people are requiring of ministers, Sunday school teachers, and other church workers to do our work as well as their own—a well nigh impossible task. Their vast work is being marvelously well done. We are requiring of them, in addition to this, to make good the foundation for interest in the church and attendance there—this "foundation work" being our work, and being in great measure neglected by us as long as we need worship of God in our homes, Bible reading, and prayer at the family altar, night and morning.—Washington, D. C., Times.

### A MILLIONAIRE SNEER.

"Uncle Joe" Cannon was talking the other day about education.

"Every millionaire today," he said, "wants to give his son a college education. I remember the time when our millionaires sneered at education. As one of them once said to me, voicing the general opinion:

"These here fellers with a mint of knowledge can never coin it into good hard cash."

### Children Cry FOR FLETCHER'S CASTORIA HARD TO PENETRATE.

Rankin—It takes a long time to get anything through Beano's skull, doesn't it?

Phyle—I should say it does; that man will be dead and buried before he ever finds out that he is sick.

Hard work never kills a man. But scheming how he may be able to put in the most time on a short job saps up his vital energy.

## MRS. WINN'S ADVICE TO WOMEN

Take Lydia E. Pinkham's Vegetable Compound and be Restored to Health.

Kansas City, Mo.—"The doctors told me I would never be a mother. Every month the pains were so bad that I could not bear my weight on one foot. I began taking Lydia E. Pinkham's Vegetable Compound and had not finished the first bottle when I felt greatly relieved and took it until it made me sound and well, and I now have two fine baby girls. I cannot praise Lydia E. Pinkham's Vegetable Compound too highly for what it has done for me. I always speak a word in favor of any medicine to other women because a woman I have an opportunity to—Mrs. H. T. WINN, 1225 Prospect Ave., Kansas City, Mo.

### Read What Another Woman Says:

Cum gratias ago I tell some suffering woman every day of Lydia E. Pinkham's Vegetable Compound and what it has done for me. I could not eat or sleep, had a bad stomach and was in misery all the time. I could not do my housework or walk any distance without suffering great pain. I tried doctors' medicines and different patent medicines but failed to get relief. My husband brought home your Vegetable Compound and in two weeks I could do anything, could sleep like a healthy baby, and walk a long distance without feeling tired. I can highly recommend your Vegetable Compound to women who suffer as I did, and you are at liberty to use this letter."—Mrs. CHARLIE BAILEY, R. 3, Cumming, Ga.
